Police Report

Danville Police

2024

All Jurisdictions Incidents

Officers enter their activity daily by generating a “Call Record” into our police computer software (OHLEG) which documents all their activity. These call records also include the officer’s shift-times for payroll purposes and police activity not marked as incidents such as house checks, business checks, record checks, special details, trainings, meetings. For the year 2024, officers generated the following total call records in the system:

Total Call Records entered 2024 = 1,708

Of these, the following were the number of police call incidents handled in all jurisdictions that the Danville Police cover:

Total Call Incidents = 482

Total Citations Issued = 19

Total Criminal Charges = 24
