Responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with an order that is in conflict with a previous order, department policy or other directive, shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the order is intended to countermand the previous order or directive, in which case the member is obliged to comply. This plan is for the guidance and use by all employees in the event of a major disaster, civil disturbance, mass arrest or other emergency event. The plan provides for a strategic response by all employees and assigns specific responsibilities in the event the plan is activated.

202.2 ACTIVATING THE EMERGENCY MANAGEMENT PLAN

The Emergency Management Plan can be activated in a number of ways. Within the Police Department, the Chief of Police, the highest ranking official on-duty or an on-scene responder may activate the Emergency Management Plan in response to a major emergency.

203.2 POLICY

Members who are assigned to participate in the DTB program should complete each DTB at the beginning of their shifts or as otherwise directed by their supervisor. Members should not allow uncompleted DTBs to build up over time, and may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any internet-enabled computer, members shall only take DTBs as part of their on-duty assignments, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.

203.7 TRAINING RECORDS

The Training Sergeant is responsible for the creation, filing, and storage of all training records. Training records shall be retained in accordance with the established records retention schedule.

203.8 TRAINING SERGEANT

The Chief of Police shall designate a Training Sergeant who is responsible for developing, reviewing, updating, and maintaining the department training plan so that required training is completed. The Training Sergeant should review the training plan annually.

203.9 TRAINING COMMITTEE

The Training Sergeant may establish a Training Committee, on a temporary or as-needed basis, which will assist with identifying training needs.

The Training Committee should be comprised of at least three members, with the senior ranking member of the committee acting as the chairperson. Committee members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Sergeant may remove or replace members of the committee at the Training Sergeant's discretion.

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to an incident. Specific incidents the Training Committee should review include but are not limited to:

- (b) Incidents involving a high risk of death, serious injury, or civil liability.

The Training Committee should convene on a regular basis, as determined by the Training Sergeant, to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Sergeant. The recommendation should not identify specific facts of any incidents, such as identities of members involved or the date, time, and location of the incident, but should focus on the type of training being recommended.

Danville Police Department

Training Policy

The Training Sergeant will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and the available resources. Training recommendations as determined by the Training Sergeant shall be submitted to the command staff for review.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (e-mail) system provided by the Department. E-mail is a communication tool available to employees to enhance efficiency in the performance of job duties. It is to be used in accordance with generally accepted business practices and current law (e.g., Ohio Open Records Law). Messages transmitted over the e-mail system must only be those that involve official business activities or that contain information essential to employees for the accomplishment of business-related tasks and/or communications directly related to the business, administration or practices of the Department.

204.2 E-MAIL RIGHT OF PRIVACY

All e-mail messages, including attachments, transmitted over the Department networks or through a web browser accessing the Department system are considered Department records and therefore are the property of the Department. The Department reserves the right to access, audit and disclose for any lawful reason, all messages, including attachments, transmitted or received through its e-mail system or placed into its storage.

Employees should not use personal accounts to exchange e-mail or other information that is related to the official business of the Department.

204.3 PROHIBITED USE OF E-MAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the e-mail system is prohibited and may result in discipline.

E-mail messages addressed to the entire department are only to be used for official business-related items that are of particular interest to all users. All e-mail is subject to review and scrutiny with regard to appropriate content or violation of any prohibitions. In the event that a user has questions about sending a particular e-mail communication, the user should seek prior approval from the Chief of Police or designee. Personal advertisements or announcements are not permitted.

It is a violation of this policy to transmit a message under another user's name or e-mail address or to use the password of another to log into the system. Users are required to log off the network or secure the workstation when the computer is unattended. This added security measure would minimize the misuse of an individual's e-mail, name and/or password.

204.4 MANAGEMENT OF E-MAIL

Because the end user e-mail system is not designed for, nor does it support, long-term retention and archiving of messages, e-mail that an employee desires to save or that requires retention because it has significant administrative, fiscal, legal or historical value should be printed and/or stored in another database designed for long-term storage and retrieval.

Users of e-mail are solely responsible for the management of their mailboxes.

All Department letterhead shall bear the signature element of the Chief of Police. Official correspondence and use of letterhead requires approval of a supervisor. Department letterhead may not be used for personal use or purposes.

Supervision Staffing Levels

206.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against its need and inherent managerial right to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet the operational requirements of the Department.

206.2 MINIMUM STAFFING LEVELS

Minimum staffing levels should result in scheduling a supervisor on duty whenever possible and when not, an on-call supervisor will be available.

206.2.1 SUPERVISION DEPLOYMENTS

In order to accommodate training and other unforeseen circumstances, an officer may be used as a field supervisor in place of a field sergeant.

With prior authorization from the Chief of Police, an officer may act as the Shift Sergeant for a limited period of time in accordance with the terms of applicable collective bargaining agreements.

208.5.2 RESPONSIBILITIES UNDER OHIO LAW

A retired officer who possesses an Ohio identification card issued by this department and a valid requalification certification has the same right to carry a concealed handgun as a person issued a concealed handgun license under ORC § 2923.125 and is subject to the same restrictions (ORC § 2923.126).

208.6 DENIAL, SUSPENSION OR REVOCATION-DISCRETIONARY ISSUE

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

208.7 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

If provided, the firearms qualification should comply with ORC § 109.801. The retired peace officer may be required to pay the cost of the course (ORC § 2923.126).

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Imminent - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

Totality of the circumstances - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Danville Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

Danville Police Department

Danville Police Department Policy Manual

Use of Force

300.2.1 DUTY TO INTERVENE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intervene to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor.

300.2.2 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any officer who has reasonable cause to believe that the person to be arrested has committed a crime or public offense may use reasonable force to effect the arrest, to prevent escape or to overcome resistance. An officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested, nor shall an officer be deemed the aggressor or lose his/her right to

Danville Police Department

Danville Police Department Policy Manual

Use of Force

self-defense by the use of reasonable force to effect the arrest, prevent escape or to overcome resistance.

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

Danville Police Department

Danville Police Department Policy Manual

Use of Force

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

A carotid control hold is a technique designed to control an individual by temporarily restricting blood flow through the application of pressure to the side of the neck and, unlike a chokehold, does not restrict the airway. The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following:

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.
- (c) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Danville Police Department for this specific purpose.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce

Danville Police Department

Danville Police Department Policy Manual

Use of Force

the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

300.3.7 RESPIRATORY RESTRAINTS

The use of a respiratory restraint, also known as a chokehold, is limited to circumstances where deadly force is authorized and if applied, is subject to the same guidelines and requirements as a carotid control hold.

300.4 DEADLY FORCE APPLICATIONS

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified in the following circumstances involving an imminent threat or an imminent risk:

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the individual is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

However, an officer shall not use deadly force against a person whose actions are a threat solely to themselves or property unless the person poses an imminent danger of death or serious physical injury to the officer or others in close proximity.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to do so.

300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Danville Police Department

Danville Police Department Policy Manual

Use of Force

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel, at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be

Danville Police Department

Danville Police Department Policy Manual

Use of Force

witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived their *Miranda* rights, the following shall apply:
 1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.

Danville Police Department

Danville Police Department Policy Manual

Use of Force

- (f) Review and approve all related reports for policy compliance.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SERGEANT RESPONSIBILITY

The Shift Sergeant shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Officers shall receive annual training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

300.8.1 TRAINING REQUIREMENTS

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intervene.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of force and use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings, use of force and use of deadly force reporting).
- (g) Use of force and use of deadly force reviews/investigations.

300.9 USE OF FORCE ANALYSIS

At least annually, the Patrol Chief of Police should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.

Danville Police Department

Danville Police Department Policy Manual

Use of Force

- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Danville Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

301.2 POLICY

The Danville Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Chief of Police will convene the Use of Force Review Board as necessary. It will be the responsibility of the Lieutenant or supervisor of the involved employee to notify the Chief of Police of any incidents requiring board review. The involved employee's Lieutenant or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the Chief of Police and the Review Board.

301.4.1 COMPOSITION OF THE BOARD

The Chief of Police should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each section
- Commanding officer in the involved member's chain of command
- Training Sergeant

Danville Police Department

Danville Police Department Policy Manual

Use of Force Review Boards

- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same section as the involved employee will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be

Danville Police Department

Danville Police Department Policy Manual

Use of Force Review Boards

forwarded to the involved employee's Chief of Police for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.2 POLICY

The Danville Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, the Transporting Persons in Custody Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Danville Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS PRIOR TO BOOKING

Any time prior to the completion of booking, persons (including minors) who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg restraints, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure themselves or others, or damage property.

Danville Police Department

Danville Police Department Policy Manual

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances, and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the detainee, officers, or others.

302.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

302.3.4 RESTRAINT OF PREGNANT PERSONS AFTER BOOKING

No person who is a charged or convicted criminal offender (or minor who is charged or adjudicated delinquent) and known to be pregnant, or who is in labor, delivery, or in any period of postpartum recovery (which can be up to six weeks after delivery), should be restrained at any time following completion of the booking process except in extraordinary circumstances and only after a supervisor does all of the following (ORC § 2152.75; ORC § 2901.10):

- (a) Makes an individualized determination that the person either:
 - 1. Presents a risk of physical harm to self, to others, or to property
 - 2. Presents a security risk or a substantial flight risk
- (b) Confirms that the Department has not been provided with and is unaware of any notice from a health care professional treating the person that restraint of the person poses a risk of physical harm to the person or the person's unborn child
 - 1. If any such notice is received after the application of restraints to the person, the restraints should be removed.

In the event that restraints are applied as provided for in this section, the restraints shall be the least restrictive available and the most reasonable under the circumstances.

Waist restraints shall not be used (ORC § 2152.75; ORC § 2901.10).

Officers should confirm the pregnancy with a health care professional if the pregnancy is not obvious (ORC § 2152.75; ORC § 2901.10).

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When practicable, handcuffs shall be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

Danville Police Department

Danville Police Department Policy Manual

Handcuffing and Restraints

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

302.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg restraints, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

Danville Police Department

Danville Police Department Policy Manual

Handcuffing and Restraints

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on their stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on their stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

302.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Danville Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

303.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Danville Police Department

Danville Police Department Policy Manual

Control Devices and Techniques

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to Town property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

303.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Sergeant, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

303.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

303.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

303.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Danville Police Department

Danville Police Department Policy Manual

Control Devices and Techniques

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

303.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

303.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

303.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.

Danville Police Department

Danville Police Department Policy Manual

Control Devices and Techniques

- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

303.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

303.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Danville Police Department

Danville Police Department Policy Manual

Control Devices and Techniques

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

303.10 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified regularly.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

303.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

304.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

Danville Police Department

Danville Police Department Policy Manual

Conducted Energy Device

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

304.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

304.5.1 APPLICATION OF THE CED

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

Danville Police Department

Danville Police Department Policy Manual

Conducted Energy Device

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

304.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should

Danville Police Department

Danville Police Department Policy Manual

Conducted Energy Device

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

304.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

304.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of CED

Danville Police Department

Danville Police Department Policy Manual

Conducted Energy Device

device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

304.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

Danville Police Department

Danville Police Department Policy Manual

Conducted Energy Device

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

304.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Sergeant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.

Danville Police Department
Danville Police Department Policy Manual

Conducted Energy Device

- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

305.2 POLICY

The policy of the Danville Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

305.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Danville Police Department would control the investigation if the suspect's crime occurred in Danville.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

305.5 INVESTIGATION PROCESS

The following procedures are guidelines for use in the investigation of an officer-involved shooting or death.

305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved DPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

305.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved DPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 - 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any DPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 - 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

scene, identity of known or potential witnesses and any other pertinent information.

2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and the Dispatch Center. If feasible, sensitive information should be communicated over secure networks.
 - (d) Take command of and secure the incident scene with additional DPD members until properly relieved by another supervisor or other assigned personnel or investigator.
 - (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved DPD officer should be given an administrative order not to discuss the incident with other involved officers or DPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

305.5.3 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Chief of Police.

All outside inquiries about the incident shall be directed to the Shift Sergeant.

305.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Investigation Chief of Police
- Officer-Involved Shooting rollout team
- Outside agency investigators (if appropriate)
- Chief's Office supervisor
- Civil liability response team
- Psychological/peer support personnel
- Chaplain
- Coroner (if necessary)
- Involved officer's agency representative (if requested)
- Chief of Police

Danville Police Department

Officer-Involved Shootings and Deaths

305.5.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
 - 1. Involved DPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 - 2. Requests from involved non-DPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved DPD officer. A licensed psychotherapist may also be provided to any other affected DPD members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member or a critical incident stress management team member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved DPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

305.6 CRIMINAL INVESTIGATION

The County Prosecutor's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the County Prosecutor's Office to avoid duplicating efforts in related criminal investigations.

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) DPD supervisors and Chief's Office personnel should not participate directly in any voluntary interview of DPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

305.6.1 REPORTS BY INVOLVED DPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved DPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved DPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved DPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

305.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

305.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Patrol supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the County Prosecutor's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the County Prosecutor's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Patrol supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Chief of Police.

305.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved DPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief's Office and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
 - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview.
 - 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 5. The Chief's Office shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
 - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

305.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

Danville Police Department

Danville Police Department Policy Manual

Officer-Involved Shootings and Deaths

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

305.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or Town Attorney's Office, as appropriate.

305.10 DEBRIEFING

Following an officer-involved shooting or death, the Danville Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

305.10.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

305.11 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Investigation Chief of Police and Chief of Police in the event of inquiries from the media.

No involved DPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Chief of Police.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

Members will qualify with off-duty and secondary firearms at least annually. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations .

306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action. In addition, the member may not carry a firearm until qualification is achieved (ORC § 109.801).

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Chief of Police or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

306.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

306.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots shall not be used.

306.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to their personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Training Sergeant.

306.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Danville Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Danville Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Danville Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

306.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry the officer's Danville Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base, or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Officer Response to Calls

308.1 PURPOSE AND SCOPE

This policy provides officers with guidelines for the safe and appropriate vehicular response to emergency and non-emergency incidents or requests for assistance, whether these are dispatched or self-initiated.

308.2 RESPONSE TO CALLS

Officers responding to an emergency call shall proceed immediately. Officers responding to an emergency call shall continuously operate emergency lighting equipment and shall sound the siren (ORC § 4511.041).

Responding with emergency lights and siren does not relieve the operator of an authorized emergency vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of the driver's reckless disregard for the safety of others (ORC § 4511.041; ORC § 4511.45; ORC § 4511.452). The use of any other warning equipment without emergency lights and siren does not provide any exemption from the Ohio motor vehicle laws.

Officers should only respond as an emergency call response when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not responding as an emergency call response shall observe all traffic laws and proceed without the use of emergency lights and siren.

308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe there is an imminent threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and emergency response is not required, the requesting officer shall promptly notify the Dispatch Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

308.3.1 NUMBER OF UNITS PARTICIPATING

Normally, only those units reasonably necessary should respond to an emergency as an emergency call response. The Shift Sergeant or the field supervisor should monitor all emergency responses and reduce or enhance the response as warranted.

Danville Police Department

Danville Police Department Policy Manual

Officer Response to Calls

308.4 INITIATING EMERGENCY CALL RESPONSE

If an officer believes an emergency call response to any call is appropriate, the officer shall immediately notify the Dispatch Center. Emergency responses of more than one unit should include, if circumstances reasonably permit, coordinating the response of the second unit by the Dispatch Center to avoid any unanticipated intersecting of response routes.

An emergency call response of more than one unit should initiate notification by the Dispatch Center to the Shift Sergeant or field supervisor. The Shift Sergeant or field supervisor will make a determination regarding the appropriateness of the response and reduce or enhance the response as warranted.

308.5 RESPONSIBILITIES OF RESPONDING OFFICER

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. During a response to an emergency call officers may (ORC § 4511.041):

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation (ORC § 4511.03).
- (b) Exceed any speed limits, provided this does not endanger life or property (ORC § 4511.24).
- (c) Disregard regulations governing direction of movement or turning in specified directions (ORC § 4511.37).
- (d) Disregard regulations governing parking or standing when using a warning lamp.

Continuing an emergency call response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Dispatch Center. An officer shall also discontinue an emergency call response when directed by a supervisor or as otherwise appropriate.

Upon determining that an emergency call response is appropriate, an officer shall immediately give the location from which he/she is responding.

308.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall ensure acknowledgment and response of assisting units when an officer requests emergency assistance or when the available information reasonably indicates that the public is threatened with serious injury or death and an immediate law enforcement response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Shift Sergeant or a field supervisor prior to assigning an emergency response. The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance.
- (b) Immediately notify the Shift Sergeant.
- (c) Confirm the location from which the unit is responding.

Danville Police Department

Danville Police Department Policy Manual

Officer Response to Calls

- (d) Notify and coordinate outside emergency services (e.g., fire and ambulance).
- (e) Continue to obtain and broadcast information as necessary concerning the response, and monitor the situation until it is stabilized or terminated.
- (f) Control all radio communication during the emergency and coordinate assistance under the direction of the Shift Sergeant or field supervisor.

308.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that an emergency response has been initiated or requested, the Shift Sergeant or the field supervisor shall verify that:

- (a) The proper response has been initiated.
- (b) No more than those officers reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing officers into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional officers to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in the supervisor's judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency call response, the Shift Sergeant or the field supervisor should consider the following:

- The type of call or crime involved.
- The type and circumstances of the request.
- The necessity of a timely response.
- Weather, traffic, and road conditions.
- The location of the responding officers and the location of the incident.

308.8 EMERGENCY EQUIPMENT

Vehicles used for routine patrol services, whether marked or unmarked, shall be equipped with emergency lights and a siren.

Vehicles not equipped with emergency lights and a siren are prohibited from initiating or joining in an emergency response. Officers in such vehicles may provide support to an emergency response as long as the vehicles are operated in compliance with all traffic laws. Those officers should terminate their involvement in any emergency response immediately upon arrival of a sufficient number of emergency law enforcement vehicles.

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency call response and respond accordingly. The officer shall notify the Shift Sergeant, field

supervisor, or the Dispatch Center of the equipment failure so that another unit may be assigned to the emergency response.

Canines

309.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment law enforcement services to the community including, but not limited to, locating individuals and contraband and apprehending criminal offenders.

309.1.1 DEFINITIONS

Definitions related to this policy include:

Canine - A dog that has been trained and may be used to assist one or more law enforcement officers in the performance of their official duties. When used in this Policy Manual, “canine” refers to a police dog (ORC § 955.11; ORC § 2921.321).

309.2 POLICY

It is the policy of the Danville Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

309.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Patrol Section to function primarily in assist or cover assignments. However, they may be assigned by the Shift Supervisor to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Shift Supervisor.

309.3.1 LAW ENFORCEMENT CANINE REGISTRATION

All canines purchased, transferred or acquired by the Department shall be registered within 30 days with the county auditor. Yearly, by December 15 and no later than 30 days thereafter, a canine registration shall be submitted to the county auditor. Canine registrations must be signed by the Chief of Police (ORC § 955.012).

309.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Chief of Police or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.

Danville Police Department

Danville Police Department Policy Manual

Canines

- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

309.5 REQUESTS FOR CANINE TEAMS

Patrol Section members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Section shall be reviewed by the Shift Supervisor.

309.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Shift Supervisor and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

309.5.2 PUBLIC DEMONSTRATIONS

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

309.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing or threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer or the handler.
- (b) The suspect is physically resisting or is threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

Danville Police Department

Danville Police Department Policy Manual

Canines

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing or threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Supervisor. Absent a change in circumstances that present an imminent threat to officers, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

309.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include, but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Danville Police Department

Danville Police Department Policy Manual

Canines

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

309.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

309.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Law enforcement canines are generally exempt from impoundment and reporting requirements. If the canine begins exhibiting any abnormal behavior, the canine shall be made available, upon request, to the board of health for the district in which the bite occurred (ORC § 955.261).

309.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply.

- (a) Absent a change in circumstances that present an immediate threat to officers, the canine or the public, such applications should be conducted on-leash or under

Danville Police Department

Danville Police Department Policy Manual

Canines

conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

309.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

309.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

309.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

Danville Police Department

Danville Police Department Policy Manual

Canines

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

309.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).
- (c) A garage that can be secured and accommodate a canine vehicle.
- (d) Living within 30 minutes travel time from the Danville Town limits.
- (e) Agreeing to be assigned to the position for a minimum of three years.

309.9 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle may, at the direction of the Chief of Police, be stored at the Danville Police Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the Town at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Shift Supervisor.

Danville Police Department

Danville Police Department Policy Manual

Canines

- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Shift Supervisor.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

309.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

309.10 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the collective bargaining agreement (29 USC § 207).

309.11 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Shift Supervisor as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

309.11.1 DISPOSITION OF SERVICE CANINE

If a canine becomes injured in the line of duty, becomes disabled and is unfit for duty, or grows too old to be fit for duty, the officer to whom the canine is assigned may purchase the animal (ORC § 9.62).

If the assigned handler chooses not to purchase the animal, the disposition of the canine shall be conducted pursuant to Department or Village policy, ordinance or state law.

309.12 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current Ohio Peace Officer Training Commission (OPOTC)-recognized standards or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained

Danville Police Department

Danville Police Department Policy Manual

Canines

exclusively for the detection of narcotics and/or explosives also shall be trained and certified to meet OPOTC-recognized standards or other recognized and approved certification standards established for their particular skills (OAC § 109:2-7-01 et seq.).

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines.

All canine training should be conducted while on-duty unless otherwise approved by the canine coordinator or Shift Supervisor.

309.12.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current nationally recognized standard or other recognized and approved certification standards on an annual basis (OAC § 109:2-7-05). Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Danville Police Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this department.

309.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

309.12.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

309.12.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements regarding the same. Alternatively, the Danville Police Department may work with outside trainers with the applicable licenses or permits.

309.12.5 CONTROLLED SUBSTANCE TRAINING AIDS

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws and comply with applicable state requirements (21 USC § 823(f); ORC § 3719.14).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Danville Police Department to be possessed by

Danville Police Department

Canines

the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Agency (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

309.12.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by Danville Police Department and the Ohio State Patrol.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Ohio State Patrol or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

309.12.7 EXPLOSIVE TRAINING AIDS

Officers may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (18 USC § 842; 27 CFR 555.41; ORC § 2923.17).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

Danville Police Department
Danville Police Department Policy Manual

Canines

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

Domestic Violence

310.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

310.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

310.2 POLICY

The Danville Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

310.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

310.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

Danville Police Department

Danville Police Department Policy Manual

Domestic Violence

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Patrol in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).
 - 9. Speculation that the complainant may not follow through with the prosecution.
 - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
 - 11. The social status, community status, or professional position of the victim or suspect.

310.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.

Danville Police Department
Danville Police Department Policy Manual

Domestic Violence

- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

310.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 - 1. Voluntary separation of the parties.
 - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

310.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Officers should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

310.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

Danville Police Department

Danville Police Department Policy Manual

Domestic Violence

310.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

310.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

310.9 LEGAL MANDATES AND RELEVANT LAWS

Ohio law provides for the following:

310.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

- (a) An officer who has reasonable grounds to believe that a person has committed the offense of domestic violence or a violation of a protection order should arrest and detain the person (ORC § 2935.03(B)(1); ORC § 2935.032). Any decision to not arrest when there is reasonable cause to do so requires supervisor approval.
- (b) If the domestic violence event constitutes a felony assault, officers shall make an arrest (ORC §2935.032).
- (c) In the event two persons may be arrested for an act of domestic violence against each other or for violating a protection order against each other, the officer should only arrest and detain the primary physical aggressor. In determining which adult is the primary

Domestic Violence

physical aggressor, an officer, in addition to any other relevant circumstances, should consider (ORC § 2935.03 (B)(3)):

1. Any history of domestic violence or of any other violent acts by either person involved in the alleged offense that the officer reasonably can ascertain.
 2. If violence is alleged, whether the alleged violence was caused by a person acting in self-defense.
 3. Each person's fear of physical harm, if any, resulting from the other person's threatened use of force or his/her use or history of the use of force against any person, and the reasonableness of that fear.
 4. The comparative severity of any injuries suffered by the persons involved in the alleged offense.
- (d) In the event two persons may be arrested for an act of domestic violence against each other or for violating a protection order against each other, and the officer cannot determine a primary physical aggressor, the officer should apply sound judgment when deciding whether to make an arrest. The officer should contact a supervisor for guidance as appropriate.
- (e) An officer shall not consider as a factor any possible shortage of cell space in deciding to make an arrest for domestic violence or a violation of a court order (ORC § 2935.03).

310.9.2 REPORTS AND RECORDS

- (a) If a suspect is not present but would otherwise be arrested, a completed report shall be immediately forwarded to the Patrol so an arrest warrant can be obtained (ORC § 2935.03 (B)(3)).
- (b) Officers who investigate an allegation of domestic violence or violation of a court order, but do not make an arrest or seek a warrant, shall clearly articulate in the appropriate report the reasons for not arresting or pursuing a warrant (ORC § 2935.03(B)(3); ORC § 2935.032).
- (c) If the alleged offender has been granted pretrial release from custody on a prior charge of the offense of domestic violence or the offense of violating a protection order, and has violated one or more conditions of that pretrial release, investigating officers shall document the facts and circumstances of the violation in the related reports (ORC § 2935.032 (A)(2)).
- (d) Officers investigating an offense of domestic violence or the offense of violating a protection order shall include in a written report (ORC § 2935.032):
1. The fact that separate interviews with the victim and the alleged offender were conducted in separate locations, and identify the locations.

Domestic Violence

2. Any statements from the victim that indicate the frequency and severity of any prior incidents of physical abuse of the victim by the alleged offender, the number of times the victim has called peace officers for assistance, and the disposition of those calls, if known.
 3. Observations of the victim and the alleged offender.
 4. Any visible injuries on the victim or the alleged offender.
 5. Any weapons at the scene, and the actions of the alleged offender.
 6. Any statements made by the victim or witnesses.
 7. Any other significant facts or circumstances.
- (e) Supervisors tasked with reviewing domestic violence reports shall consider referring cases to federal authorities for possible violations of 18 USC § 2261 (Interstate Domestic Violence) and should do so when appropriate (ORC § 2935.032 (G)).
- (f) The Chief of Police shall ensure domestic violence reporting is made to the Ohio Attorney General in compliance with ORC § 3113.32.

310.9.3 COURT ORDERS INDEX

The Chief of Police shall maintain an index for protection orders and the approved consent agreements delivered to the Danville Police Department, pursuant to ORC § 3113.31 (F)(1). The index shall include the date and time that the Department received the order or agreement (ORC § 3113.31(F)(3)).

310.9.4 WEAPONS

Any deadly weapon brandished, used or threatened to be used in an incident of domestic violence shall be processed as contraband subject to forfeiture, pursuant to ORC Chapter 2981 (ORC § 2935.03).

Search and Seizure

311.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Danville Police Department personnel to consider when dealing with search and seizure issues.

311.2 POLICY

It is the policy of the Danville Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

311.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Danville Police Department

Danville Police Department Policy Manual

Search and Seizure

311.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

311.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

312.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Danville Police Department (34 USC § 11133).

312.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

Juvenile offender - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) or who is in possession of a handgun (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (c) A juvenile being processed in a secure booking area when an unsecured booking area is available.
- (d) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (e) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (f) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Danville Police Department

Danville Police Department Policy Manual

Temporary Custody of Juveniles

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

312.2 POLICY

The Danville Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Danville Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

312.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Danville Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Danville Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

If the Officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed.

312.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Danville Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Danville Police Department without authorization of the arresting Officer's supervisor or the Lieutenant.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable, and in no event shall a juvenile be held beyond three hours, or six if being held for a felony, from the time of his/her entry into the Danville Police Department (34 USC § 11133; ORC § 2151.311).

Danville Police Department

Danville Police Department Policy Manual

Temporary Custody of Juveniles

312.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Danville Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

312.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Officers should use alternatives that preserve public safety and hold the youth accountable with arrest as a last resort. Status offenders should generally be released by referral to an appropriate community social service or mental health agency, issuance of a citation, or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

The Department should allow officers to exercise discretion in making reasonable age-appropriate modifications of practices, including uses of the least restrictive and coercive approaches possible, when interacting with special youth populations such as those in crisis due to mental illness or substance abuse, or those with developmental or intellectual disabilities.

312.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Danville Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, juvenile offenders may be taken into custody under the following circumstances (ORC § 2151.31(A)):

- (a) Pursuant to a court order.
- (b) Pursuant to the laws that would subject an adult to arrest.

An officer shall promptly release the juvenile to his/her parents, guardian or other custodian unless circumstances indicate that detention or shelter care of the juvenile is warranted (ORC § 2151.311(A)).

312.5 ADVISEMENTS

If the officer brings the juvenile directly to court or delivers the juvenile to a place of detention or shelter care, he/she shall promptly notify the juvenile's parent, guardian or other custodian of the juvenile's location and reason for the detention (ORC § 2151.311(A)).

312.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Danville Police Department, the detention shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile being held.
- (b) Date and time of arrival and release from the Danville Police Department.

Danville Police Department

Danville Police Department Policy Manual

Temporary Custody of Juveniles

- (c) Chief of Police or Lieutenant notification and approval to temporarily hold the juvenile.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.

- (g) Any medical and other screening requested and completed.
- (h) Circumstances that justify any secure custody.
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Chief of Police or Lieutenant shall initial the log to approve the detention, including any secure custody, and shall also initial the log when the juvenile is released.

312.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Danville Police Department (34 USC § 11133; ORC § 2151.311). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Danville Police Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

312.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Danville Police Department shall insure the following:

- (a) The Chief of Police or Lieutenant should be notified if it is anticipated that a juvenile may need to remain at the Danville Police Department more than four hours for a felony offense, or two hours if being held for any other reason (ORC § 2151.311). This will enable the Chief of Police or Lieutenant to insure no juvenile is held at the Danville Police Department longer than permitted.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal visual checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore, an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times, unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins.

- (j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Blankets should be provided as reasonably necessary.
- (l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.
- (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
- (o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse.
- (p) Juveniles shall not be handcuffed or secured to a fixed object during temporary custody at the Danville Police Department (ORC § 2151.311).

312.9 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Danville Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Chief of Police or Lieutenant. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained individuals in custody and monitored to protect them from abuse.

312.9.1 PREGNANT JUVENILES

Juveniles who are known to be pregnant or in any period of postpartum recovery (which can be up to six weeks after delivery) may only be restrained in accordance with the Handcuffing and Restraints Policy (ORC § 2152.75).

312.10 PERSONAL PROPERTY

The officer taking custody of a juvenile offender or status offender at the Danville Police Department shall ensure a thorough search of the juvenile's property is made and all property is

Danville Police Department

Danville Police Department Policy Manual

removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Danville Police Department.

312.11 SECURE CUSTODY

Only juvenile offenders 14 years or older may be placed in secure custody. The Chief of Police or Lieutenant's approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

312.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

- (a) The juvenile shall constantly be monitored by an audio/video system during the entire detention.
- (b) Juveniles shall have constant auditory access to department members.
- (c) Initial placement into and removal from a locked enclosure shall be logged.
- (d) Random personal visual checks of the juvenile by staff member shall occur no less than every 15 minutes.
 - 1. All checks shall be logged.
 - 2. The check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
 - 3. Requests or concerns of the juvenile should be logged.
- (e) Males and females shall not be placed in the same locked room.
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

312.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE

The Chief of Police or Lieutenant will insure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Danville Police Department. The procedures will address:

- (c) Notification of the appropriate prosecutor.
- (d) Notification of the Village Solicitor.
- (e) Evidence preservation.

312.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

312.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING

An officer may fingerprint and photograph a juvenile offender taken into custody for committing a felony offense or any other offense that is not a minor misdemeanor or traffic offense and shall inform the juvenile court as required in accordance with the Contacts and Temporary Detentions Policy (ORC § 2151.313).

The fingerprints and photographs shall be maintained in accordance with ORC § 2151.313.

312.15 SCHOOL RESOURCE OFFICER GUIDELINES

Officers of the Danville Police Department who are assigned to, or primarily engage in, law enforcement duties at a school campus shall comply with the requirements of OAC § 3301-35-15, as applicable, including the following:

312.18 TRAINING

Adult or Vulnerable Person Abuse

313.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain persons who may be more vulnerable than others. This policy also addresses mandatory notification for Danville Police Department members as required by law.

313.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

Vulnerable person – A person of any age with a developmental disability.

313.2 POLICY

The Danville Police Department will investigate all reported incidents of alleged adult or vulnerable person abuse and ensure proper reporting and notification as required by law.

313.3 MANDATORY NOTIFICATION

Members of the Danville Police Department shall notify the county department of job and family services (CDJFS) when there is reasonable cause to believe that an adult age 60 years or older is being abused, neglected or exploited, or is in a condition that is the result of abuse, neglect or exploitation (ORC § 5101.61). Regardless of the person's age, if the member reasonably believes that the person has a developmental disability and has suffered, or faces a substantial risk of suffering, abuse or neglect, the county board of developmental disabilities shall also be notified (ORC § 5123.61).

313.3.1 NOTIFICATION PROCEDURE

Notification may be made verbally or in writing and shall contain the basis for the member's belief that the person has been abused, along with the following information, if known (ORC § 5101.61; ORC § 5123.61):

- (a) The name, address, and telephone numbers of the following individuals:
 - 1. Victim
 - 2. The victim's caregiver
 - 3. If known, the alleged perpetrator (if different than the caregiver)
 - 4. Any other known household members or collateral sources
- (b) The approximate age of the victim, along with the nature and extent of the alleged abuse, neglect, or exploitation
- (c) The date and time the allegation of abuse was received by this department

Danville Police Department

Adult or Vulnerable Person Abuse

313.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult or vulnerable person abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult or vulnerable person abuse investigations.
- (c) Present all cases of alleged adult or vulnerable person abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

313.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult or vulnerable person abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult or vulnerable person abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult or vulnerable person abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Danville Police Department

Danville Police Department Policy Manual

Adult or Vulnerable Person Abuse

Any unexplained death of an adult or vulnerable person who was in the care of a guardian or caretaker should be considered as potential adult or vulnerable person abuse and investigated similarly.

313.6 PROTECTIVE CUSTODY

Before taking a victim into protective custody when facts indicate the adult or vulnerable person may not be able to care for him/herself, the officer should make reasonable attempts to contact CDJFS or the county board of developmental disabilities, as appropriate under the circumstances. Generally, removal of a victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking a victim into protective custody, the officer should take reasonable steps to deliver the adult or vulnerable person to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the person is delivered to CDJFS or the county board of developmental disabilities, as appropriate under the circumstances.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the victim into protective custody.

When victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the victim to either remove the victim from a dangerous environment (protective custody) or restrain a person from contact with the victim.

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

313.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain a victim involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:

Danville Police Department

Danville Police Department Policy Manual

Adult or Vulnerable Person Abuse

1. A reasonable belief that medical issues of the victim need to be addressed immediately.
 2. A reasonable belief that the victim is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is a family member or guardian and there is reason to believe the victim may be in continued danger.
- (b) A court order or warrant has been issued.

313.8 MEDICAL EXAMINATIONS

When an adult or vulnerable person abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the victim. The officer should also arrange for the victim's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the victim for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

313.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of a victim who has been exposed to the manufacturing, trafficking or use of narcotics.

313.9.1 SUPERVISOR RESPONSIBILITIES

The Patrol supervisor should:

- (a) Work with professionals from the appropriate agencies, including CDJFS or the county board of developmental disabilities, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Patrol supervisor that he/she has responded to a drug lab or other narcotics crime scene where a victim is present or where evidence indicates that a victim lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the victim.

313.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an abuse victim is present or where there is evidence that a victim lives there should:

Danville Police Department

Adult or Vulnerable Person Abuse

- (a) Document the environmental, medical, social and other conditions of the victim, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Patrol supervisor so an interagency response can begin.

313.10 STATE MANDATES AND OTHER RELEVANT LAWS

Ohio requires that all investigations involving abuse of an adult or vulnerable person be conducted jointly between department members and the appropriate social service agency.

313.10.1 CHIEF'S OFFICE RESPONSIBILITIES

The Chief's Office is responsible for:

- (a) Providing a copy of the adult or vulnerable person abuse report to CDJFS or the county board of developmental disabilities as required by law.

313.11 TRAINING

The Department should provide training on best practices in adult or vulnerable person abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults or vulnerable persons and their families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult or vulnerable person abuse investigations.
- (f) Availability of victim advocates or other support.

Discriminatory Harassment

314.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent Department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

314.2 POLICY

The Danville Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against members in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

314.3 DEFINITIONS

Definitions related to this policy include:

314.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to policy and to a work environment that is free of discrimination.

314.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination,

Danville Police Department

Danville Police Department Policy Manual

Discriminatory Harassment

participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

314.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to or rejection of such conduct is used as the basis for employment decisions affecting the member.
- (c) Such conduct that has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

314.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Ohio Civil Rights Commission.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with Town or department rules or regulations, or any other appropriate work-related communications between supervisor and member.

314.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission (ORC § 4112.02).

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to their immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Chief of Police, or the City Administrator.

Any member who believes, in good faith, that the member has been discriminated against, harassed, subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Danville Police Department

Danville Police Department Policy Manual

Discriminatory Harassment

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

314.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment, or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Chief of Police in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

314.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

314.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

314.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable, or threatened or has difficulty

Danville Police Department

Danville Police Department Policy Manual

Discriminatory Harassment

expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

314.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but not be limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Chief of Police, or the City Administrator.

314.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

314.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the City Administrator, or the Chief of Police, depending on the ranks of the involved parties.
- (b) Maintained in accordance with the established records retention schedule.

314.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the action taken to remedy or address the circumstances giving rise to the complaint.

314.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form

Danville Police Department

that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term of employment.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

314.7.1 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police or the Village Attorney for further information, direction or clarification.

Child Abuse

315.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Danville Police Department members are required to notify the appropriate public children services agency (PCSA) of suspected child abuse.

315.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency (ORC § 2151.421).

315.2 POLICY

The Danville Police Department will investigate all reported incidents of alleged criminal child abuse and ensure the PCSA is notified as required by law.

315.3 MANDATORY NOTIFICATION

Members of the Danville Police Department shall notify the PCSA when they receive a report of possible abuse or neglect of a child, or the possible threat of abuse or neglect of a child. This mandated notification applies to allegations involving a child who is under the age of 18 years or an individual who is under the age of 21 years and is intellectually disabled, developmentally disabled or physically impaired (ORC § 2151.421).

For purposes of notification, abuse and neglect includes sexual offenses, child endangering, physical or mental injury or death, out-of-home care child abuse or neglect, abandonment, illegal adoptions, or withholding or refusing care or treatment necessary for the child's health, morals or well-being, and any other act, as provided in ORC § 2151.03 and ORC § 2151.031.

315.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (ORC § 2151.421):

- (a) Notification should be made immediately by telephone, electronically, or in person to the PCSA in the county in which the child resides or in which the abuse or neglect is occurring or has occurred.
- (b) Notification, when possible, should include:
 - 1. The name, address, and age of the child.
 - 2. The name and address of the child's parents or other person having custody of the child.
 - 3. The nature and extent of the injury, abuse, or neglect.

Danville Police Department

Danville Police Department Policy Manual

Child Abuse

4. Any evidence of a threat of injury, abuse, or neglect, including any evidence of previous injuries, abuse, or neglect.
 5. Any other information that might be helpful.
- (c) The member shall notify the person who provides information regarding the alleged abuse or neglect of the child of their right to request certain basic information regarding the investigation. The member shall document the notification along with the person's name, address, and telephone number in the related report (ORC § 2151.421).
- (d) Any other notifications should be made as set forth in the existing Memorandum of Understanding (MOU) with the PCSA (ORC § 2151.421).

If the child is a delinquent in the custody of a Department of Youth Services controlled or contracted institution, any notification shall be made to the Ohio State Highway Patrol (ORC § 5139.12).

315.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child-appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable and in accordance with the existing MOU with the PCSA (ORC § 2151.421).
- (g) Be familiar with and confirm that any applicable mortality review committees or boards receive information and documentation as required by state law. See the Death Investigation Policy for additional guidance.

315.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.

Danville Police Department

Danville Police Department Policy Manual

Child Abuse

- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (k) The investigatory steps, as set forth in the existing MOU with the PCSA, that should be followed when the terms apply to an allegation of child abuse (ORC § 2151.421).

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

315.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact the PCSA. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation (ORC § 2151.421).

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to the PCSA.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (ORC § 2151.31; ORC § 2151.421):

- (a) When a court has issued an order authorizing the removal of a child.
- (b) Without a court order when:

Danville Police Department

Danville Police Department Policy Manual

Child Abuse

1. There are reasonable grounds to believe that the child is suffering from illness or injury and is not receiving proper care, and the child's removal is necessary to prevent immediate or threatened physical or emotional harm.
2. There are reasonable grounds to believe that the child is in immediate danger from the child's surroundings and that the child's removal is necessary to prevent immediate or threatened physical or emotional harm.
3. There are reasonable grounds to believe that a parent, guardian, custodian, or other household member has abused or neglected another child in the household, and that the child is in danger of immediate or threatened physical or emotional harm.

Officers shall not remove a child without consultation with the PCSA, unless the report of abuse or neglect was made by a physician or advanced practice registered nurse, and, in the judgment of the officer and the physician or advanced practice registered nurse, immediate removal is considered essential to protect the child from further abuse or neglect (ORC § 2151.421).

315.6.1 SAFE HAVENS FOR NEWBORNS

A parent may voluntarily surrender a newborn infant who is 30 days old or younger to an officer of the Danville Police Department. The officer shall perform any act necessary to protect the newborn's health or safety and notify PCSA as soon as practicable (ORC § 2151.3516; ORC § 2151.3517; ORC § 2151.3518).

The surrendering parent should be provided and asked to complete a Department of Jobs and Family Services (JFS) medical history form for the child. The parent is not required to complete the form; however, if the parent refuses to complete the form, the parent should be encouraged to take the form and complete and return it at a later time (ORC § 2151.3518; ORC § 2151.3528).

The surrendering parent should also be offered any brochures prepared by the JFS regarding services available for parents and newborns (ORC § 2151.3518).

A parent who voluntarily surrenders a newborn has the right to remain anonymous and shall not be followed, pursued, or coerced into revealing the parent's identity, completing medical forms, or accepting brochures (ORC § 2151.3526; ORC § 2151.3528; ORC § 2151.3530).

The Safe Haven provisions do not apply if the child appears to have suffered child abuse or neglect and the officer should investigate the matter as a child abuse incident.

315.7 INTERVIEWS

Also Refer to Policy 600: Investigation and Prosecution

315.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained

Danville Police Department

Danville Police Department Policy Manual

Child Abuse

in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

315.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

315.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

315.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

315.9.1 SUPERVISOR RESPONSIBILITIES

The Lieutenant or designee should:

- (a) Work with professionals from the appropriate agencies, including the PCSA, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Patrol Supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

Danville Police Department

Danville Police Department Policy Manual

Child Abuse

- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

315.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Lieutenant or designee so an interagency response can begin.

315.10 STATE MANDATES AND OTHER RELEVANT LAWS

Ohio requires or permits the following:

315.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (ORC § 149.43 et seq.; ORC § 2151.421).

315.10.2 MEMORANDUM OF UNDERSTANDING

The Patrol supervisor should ensure that:

- (a) A current copy of the MOU with the PCSA regarding abuse and neglect investigations is available to all department members.
- (b) The MOU is reviewed and updated as required by law (ORC § 2151.421; OAC § 5101:2-33-26).

315.11 TRAINING

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.
- (f) Availability of victim advocate or guardian ad litem support.

316.2 POLICY

The Danville Police Department does not consider any report of a missing or unidentified person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. Priority shall be given to missing person cases over property-related cases. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing.

316.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

The Lieutenant or designated person shall insure the following forms and kits are developed and available:

Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction.

316.5 INITIAL INVESTIGATION

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

When this is not practicable, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.

316.6 REPORT PROCEDURES AND ROUTING

Members should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

316.6.1 SUPERVISOR RESPONSIBILITIES

Various types of alerts may be available based upon each situation and the alert system's individual criteria.

317.3 RESPONSIBILITIES

The Training Officer will see that all members of the Danville Police Department understand their responsibilities when a Public Alert is to be activated. § 5502.52). The AMBER Alert utilizes the EAS to broadcast information to the public about the abducted child.

When such rights are infringed upon by violence, threats or other harassment, this department will utilize all available resources to see that justice is served under the law. Danville Police Department

Danville Police Department Policy Manual

- (d) The assigned officers will interview available witnesses, victims, and others to determine what circumstances, if any, indicate that the situation may involve a hate or prejudice crime.
- (e) Depending on the situation, the assigned officers or supervisor may request additional assistance from investigators or other resources to further the investigation.
- (f) The assigned officers will include all available evidence indicating the likelihood of a hate or prejudice crime in the relevant reports. All related reports will be clearly marked as "Hate or Prejudice Crimes" and, absent prior approval of a supervisor, will be completed and submitted by the assigned officers before the end of the shift.
- (g) The assigned officers should also make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as required by the Victim and Witness Assistance Policy.
- (h) The assigned officers and supervisor should take reasonable steps to ensure that any such situation does not escalate further and should provide information to the victim regarding legal aid (e.g., a possible Temporary Restraining Order) through the courts, County Prosecutor, or Town Attorney.

Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Employees should ensure that their reports are sufficiently detailed for their purpose and reasonably free of errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty, unless permission to delay submission of the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads or arrest reports where the suspect remains in custody should not be delayed.

Handwritten reports must be prepared legibly. If the report is not prepared legibly, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Danville Police Department

Danville Police Department Policy Manual

Report Preparation

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for department consistency.

322.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

322.4 REPORT CORRECTIONS

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should complete the Report Correction Form, stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practicable. 322.6

Media Relations

323.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities allowing the prompt release of records in accordance with the mandates of the Ohio Public Records Law (ORC § 149.43).

323.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. However, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, the Chief's designee may prepare and release information to the media in accordance with this policy and the applicable law.

323.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the designated Department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated Department media representative.
- (b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comments to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police.

Danville Police Department

Danville Police Department Policy Manual

Media Relations

- (c) No member of this department shall be required to submit to media visits or interviews without the consent of the involved employee.
- (d) Media interviews with individuals who are in custody shall not be permitted unless in compliance with a jail facility policy. Exceptions are only permitted with the approval of the Chief of Police and the express written consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Chief of Police.

323.3.1 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Sergeant. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident. It should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR § 91.137).

323.3.2 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

323.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Chief of Police or designee. This log will consist of data classified as public and should generally contain:

- (a) The date, time, location, case number, type of crime, extent of injury or loss and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.
- (b) The date, time, location, case number, name, birth date and charges for each person arrested by this department, unless the release of such information would endanger

Danville Police Department

Media Relations

the safety of any individual or jeopardize the successful completion of any ongoing investigation.

- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law.

Identifying information concerning deceased individuals should only be released to the media when the decedent's identity has been verified and the release is approved by a supervisor.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated media representative, the custodian of records, or if unavailable, to the Chief of Police or designee. Such requests will generally be processed in accordance with the provisions of the Ohio Public Records Act (ORC § 149.43). Questions concerning the mandates of the Ohio Public Records Act should be resolved through legal counsel.

The primary training officer will be selected from members of the Field Training Officer (FTO) Committee. The reserve or auxiliary officer will be assigned to work with his/her primary training officer during the first 160 hours of training. This time shall be known as the Primary Training Phase (Phase I).

325.4.2 FIELD TRAINING GOAL

It is the goal of the field training to prepare the new reserve or auxiliary officer to be able to perform their police duties to the best of their abilities so that the reserve or auxiliary officer may be able to eventually work a patrol shift and handle police calls as the primary officer on their own. The reserve or auxiliary officer must become knowledgeable of the police codes and signals the department uses when using police radios, the geographic lay-out of the Village of Danville, the department's policies, Village Ordinances, State Laws and demonstrate, to the best of ability, their proficiency of performing their police duties on their own before being released to handle police calls as the primary officer.

At the completion of the Primary Training Phase I, the primary training officer will meet with the Lieutenant, Chief of Police or authorized designee. The purpose of this meeting is to discuss the progress of the reserve or auxiliary officer in training.

If the reserve or auxiliary officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the training officer, Lieutenant, Chief of Police or designee will determine the appropriate action to be taken.

325.4.4 SECONDARY TRAINING PHASE II

In the Secondary Training, Phase (Phase II) the reserve or auxiliary officer will no longer be required to ride with his/her primary training officer. The reserve or auxiliary officer may now ride along with any officer designated by the supervisor or may be the operator of the police cruiser with any full-time officer designated by the supervisor riding along with the trainee. The primary training officer shall determine the amount of time the reserve or auxiliary officer must spend in phase II.

Any full-time officer of this department who demonstrate a desire and ability to train reserve or auxiliary officers, may train reserve and auxiliary officers during Phases II and III, subject to supervisor approval.

If progress is satisfactory, the reserve or auxiliary officer will go to Phase III.

325.4.5 THIRD TRAINING - PHASE III

In the Third Training Phase, (Phase III) the reserve or auxiliary officer shall be permitted to operate police cruiser on patrol without another officer riding along but must have another full-time officer on patrol in a second cruiser during the same hours of patrol. The reserve or auxiliary officer may respond to and handle police calls as the primary officer in Phase III providing the second police cruiser and second officer respond as back-up.

During phase III just as phase I and II the reserve or auxiliary officer's performance will be closely monitored. The primary training officer will determine the reserve or auxiliary officer's amount of time to be spent in Phase III.

At the completion of Phase III training, the primary training officer will meet with the Reserve or Auxiliary Coordinator. Based upon the reserve or auxiliary officer's evaluations, plus input from the primary training officer, the Reserve or Auxiliary Coordinator shall decide if the reserve or auxiliary officer has satisfactorily completed his/her formal training. If the reserve or auxiliary officer has progressed satisfactorily, he/she will then graduate from the formal training process and can handle all patrol functions as the primary officer without another officer required to be present. If his/her progress is not satisfactory, the Reserve or Auxiliary Coordinator will decide upon the appropriate action to be taken.

325.4.6 COMPLETION OF THE FORMAL TRAINING PROCESS

It is the policy of the Danville Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

327.3 REGISTRATION

The Lieutenant or designee shall establish a process to reasonably accommodate registration of offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Office of the Attorney General, Bureau of Criminal Investigation (BCI) in accordance with ORC § 2950.04 (ORC § 2909.14 in the case of an arson registrant and ORC § 2903.43(F) for violent offenders).

329.2.2 SPECIAL CIRCUMSTANCE DEATHS

The Coroner, a Deputy Coroner or an appointed Coroner Investigator is required to investigate the site of the death of any child under 2 years of age who dies suddenly when in apparent good health, absent contrary religious beliefs. The investigation is required to incorporate the examinations required by law (OAC § 3701-5-14).

329.2.3 SEARCHING DEAD BODIES

The Coroner or the Coroner's assistants and authorized investigators are generally the only persons permitted to move, handle, or search a body known to be dead.

An officer is permitted to make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for a document of gift or other information identifying the individual as a donor or as an individual who made a refusal (ORC § 2108.12(A)(1)). If a donor document is located, the Coroner shall be promptly notified.

Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Coroner, the investigating officer should first obtain verbal consent from the Coroner.

Whenever personal effects are removed from the body of the deceased by the Coroner, a receipt shall be obtained. This receipt shall be attached to the death report.

Danville Police Department

Danville Police Department Policy Manual

Death Investigation

Whenever reasonably possible, a witness, preferably a relative of the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer, pending the arrival of the Coroner.

The name and address of this person shall be included in the narrative of the death report.

329.2.4 DEATH NOTIFICATION

Officers investigating a traffic collision and who discover any person who is deceased or is pronounced dead at the scene, or who suffers a serious, life-threatening injury in a motor vehicle accident, is responsible for identifying the person and notifying the person's next of kin (ORC § 4501.80).

Identification of victims and notification should be done without delay although proper and accurate identification of victims is necessary prior to making any notification to the next of kin. Identification resources include the next of kin registration database maintained for law enforcement by the Bureau of Motor Vehicles and the Coroner.

Notification to the next of kin of a deceased person shall be made, in person, by the officer assigned to the incident in compliance with Department training on death notifications. If the next of kin lives in another jurisdiction, a law enforcement official from that jurisdiction may be requested to make the personal notification.

In non-traffic deaths, when notification is not performed by the Coroner, and if a deceased person has been identified as a missing person, this department should attempt to locate family members and inform them of the death and location of the deceased missing person's remains as described above.

In all notifications, the notification shall be documented and the Coroner shall be informed whether the notification has been made.

Should a human death result from a fire, this department may notify the state or Town fire marshal as allowed by law.

329.2.5 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner will issue a "John Doe" or "Jane Doe" number for the report.

329.2.6 UNIDENTIFIED BODIES DATA ENTRY

As soon as reasonably possible, but no later than 30 working days after the date a death is reported to the Department, all available identifying features of the unidentified body including dental records, fingerprints, any unusual physical characteristics and a description of clothing or personal belongings found on or with the body shall be forwarded to the Coroner for entry into the Ohio Bureau of Criminal Identification and Investigation database, the Missing Children and Missing Persons Information Clearinghouse and the National Crime Information Center (NCIC) file (ORC § 313.08).

Danville Police Department

Danville Police Department Policy Manual

Death Investigation

329.2.7 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

329.2.8 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The Patrol shall be notified to determine the possible need for an investigator to respond to the scene for further immediate investigation.

If the on-scene supervisor, through consultation with the Shift Sergeant or Patrol supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The assigned investigator investigating a homicide or a death under suspicious circumstances may, with the approval of his/her supervisor, request the Coroner to conduct physical examinations and tests and provide a report.

329.2.9 EMPLOYMENT-RELATED DEATHS OR INJURIES

Any member of this department who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment should ensure that the nearest office of the Occupational Safety and Health Administration or the Ohio Public Employment Risk Reduction Program is notified by telephone or electronic notification with all pertinent information.

329.3 POLICY

It is the policy of the Danville Police Department to respond, document, and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide, and homicide, shall be initiated, conducted, and properly documented.

329.4 PREGNANCY-ASSOCIATED DEATH INVESTIGATIONS

Officers investigating the death of a woman while pregnant or within one year after pregnancy should make sure that the pregnancy-associated mortality review board receives information and documentation as provided in ORC § 3738.02 and ORC § 3738.05.

329.5 COUNTY FATALITY REVIEW COMMITTEES AND BOARDS

Officers investigating any of the following should notify the appropriate county review committee or board of the conclusion of the investigation and, upon request from the review committee or board, provide information or documentation as appropriate and as applicable:

- (a) A drug overdose death (ORC § 307.635; ORC § 307.637)
- (b) A suicide (ORC § 307.645; ORC § 307.647)
- (c) A domestic violence fatality (ORC § 307.655; ORC § 307.657)
- (d) A fetal infant mortality (ORC § 3707.71; ORC § 3707.74)
- (e) A child fatality (ORC § 2151.421)

Identity Theft

330.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

330.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (ORC § 2913.49(B)) shall initiate a report for crimes occurring in this jurisdiction.
- (b) For incidents of identity theft occurring outside this jurisdiction officers may either:
 - 1. Complete a courtesy report to be forwarded to the agency where the crime was committed or if the location is unknown, to the victim's residence agency.
 - 2. If no report is taken, encourage the victim to promptly report the identity theft to the law enforcement agency where he/she resides.
- (c) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of the Danville Police Department should investigate and report crimes occurring within this jurisdiction that have resulted from the original identity theft (e.g., the identity theft occurred elsewhere but the credit card fraud occurred and is reported in this jurisdiction).
- (d) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (e) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and the Ohio Department of Public Safety's Driver and Vehicle Services Division) with all known report numbers.
- (f) Following supervisory review and Department processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

330.3 PREVENTIVE MEASURES

The victim should be advised to place a security freeze on his/her consumer report, as allowed by law. A victim may also access <http://www.ohioattorneygeneral.gov/consumerlaws> for further information.

Employees of this department shall notify the Chief of Police of any breach of the security of any Department information systems if personal information is reasonably believed to have been accessed and acquired by an unauthorized person that could cause a material risk of identity theft or other fraud to a resident of Ohio (ORC § 1347.12(B)(1) and ORC § 1349.19(C)).

Danville Police Department

Danville Police Department Policy Manual

Identity Theft

The Chief of Police shall notify the person whose personal information has been breached using any of the methods allowed pursuant to ORC § 1347.12(E) (ORC § 1347.12(B)(1)).

The notification may be delayed if it is reasonably believed that the disclosure would impede a criminal investigation or jeopardize homeland or national security (ORC § 1347.12(D)).

330.4 INFORMATION

The victim should be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption Deterrence Act. The victim can contact the FTC online at <http://www.ftc.gov/bcp/menus/consumer/data/idt.shtm> or by telephone at 877-ID Theft (877-438-4338). Private Person's Arrests

331.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for handling private person's arrests and detentions made pursuant to state law.

331.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

In circumstance where applicable, officers shall advise civilians of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all situations, officers should use sound discretion in determining whether to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest, as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.
- (c) individuals shall be informed of the requirement to inform the person to be arrested, prior to making the arrest, of the intention to arrest him/her and the reason for the arrest (ORC § 2935.07).
- (d) Private individuals shall be informed of the requirement to take the arrested person before a judge or to a peace officer without unnecessary delay (ORC § 2935.06).

331.3 ARRESTS BY PRIVATE PERSONS

A private person may arrest another under the following circumstances:

- (a) When a felony has been committed and he/she has reasonable cause to believe the person to be arrested committed the felony (ORC § 2935.04).
- (b) When reasonable information exists that the accused stands charged in the courts of any state with a crime punishable by death or imprisonment for a term exceeding one year (ORC § 2963.12).

331.3.1 DETENTIONS BY PRIVATE PERSONS

A private person may detain another for subsequent arrest by a peace officer under the following circumstances:

- (a) Museums, archival institutions, libraries, merchants, and their agents and employees who have probable cause to believe the person to be detained is a shoplifter or has otherwise committed a theft of their property (ORC § 2935.041(A), (B), and (C)).
- (b) Motion picture presentation facilities and their agents and employees who have probable cause to believe a person is or has been recording in violation of ORC § 2913.07 (ORC § 2935.041(D)).

Danville Police Department

Danville Police Department Policy Manual

Private Person's Arrests

331.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, to determine the lawfulness of the arrest and protect the public safety.
 - 1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The officer must include the basis of such a determination in a related report.
 - 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
 - 1. Take the individual into physical custody for booking.
 - 2. Release the individual upon a misdemeanor citation or pending formal charges.

331.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign the Ohio Incident Based Reporting System (OIBRS) report and an affidavit. If the person fails or refuses to do so, the arrested subject shall be released unless the officer has an independent reason to take the person into custody.

In addition to the OIBRS report and an affidavit (and any other related documents, such as citations and booking forms), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

332.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Danville Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

332.2 POLICY

It is the policy of the Danville Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

332.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Chief of Police or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

- (a) Coordinating and implementing all aspects of the Danville Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each shift supervisor. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures, or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

332.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

332.5 TYPES OF LEP ASSISTANCE AVAILABLE

Danville Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

332.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

332.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

332.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

When a qualified bilingual member from this department is not available, personnel from other Town departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

332.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

332.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other Town departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

332.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

332.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

332.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Danville Police Department will take reasonable steps and will work with the Chief's Office to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

332.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Dispatch Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

332.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

332.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

332.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

332.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

332.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

332.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

332.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

Danville Police Department

Danville Police Department Policy Manual

Limited English Proficiency Services

The Training Officer shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Officer shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

332.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Officer shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Pupil Arrest Reporting

334.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

334.2 PUPIL ARREST REPORTING

In the event a school pupil is arrested, the arresting officer shall include information in the report necessary to ensure that the Chief's Office ultimately notifies the chief administrative officer of the school or appropriate designee of the arrest of a pupil.

334.2.1 PUPIL ARREST AFTER NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school may reduce disruption to school operations and other students.

334.2.2 PUPIL ARREST BEFORE NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation or if notification creates additional risks to students, faculty, the officer or the public.

Proper notification to the school after the pupil's arrest should then be made when circumstances reasonably allow.

334.2.3 PARENTAL NOTIFICATION

Upon arrest, it is the arresting officer's responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the officer, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented and include the charges against the pupil and information as to where the pupil will be taken.

Biological Samples

335.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

335.2 POLICY

The Danville Police Department will assist in the expeditious collection of required biological samples from arrestees and offenders in accordance with the laws of this state and with as little reliance on force as practicable.

335.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample are persons who have been (ORC § 2901.07):

- (a) Arrested for or convicted of a felony offense.
- (b) Convicted of a misdemeanor violation, an attempt to commit a misdemeanor violation or complicity in committing a misdemeanor violation arising out of the following:
 - 1. Aggravated murder
 - 2. Murder
 - 3. Kidnapping
 - 4. Rape
 - 5. Sexual battery
 - 6. Unlawful sexual conduct with minor
 - 7. Gross sexual imposition
 - 8. Aggravated burglary

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the Department.

337.2 POLICY

The Danville Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the Town to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist Village officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

337.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

337.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected Village divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation or other obstructions, should also be evaluated when determining placement.

Cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public safety video surveillance system may be useful for the following purposes:

- (a) To prevent, deter and identify criminal activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the police station or location authorized by the Chief of Police. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The shift supervisor or trained personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose. The Chief of Police or authorized designee must authorize Personnel who may monitor camera images. Monitoring may be established via direct wiring or internet connection.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination or retention is prohibited.

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

337.4 VIDEO SUPERVISION

Supervisors should monitor video surveillance access and usage to ensure members are within department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. Child and Dependent Adult Safety

338.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse Policy and the Adult or Vulnerable Person Abuse Policy.

338.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Danville Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

338.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Danville Police Department

Danville Police Department Policy Manual

Child and Dependent Adult Safety

338.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Department of Aging, if appropriate.
- (e) Notify the shift supervisor of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

338.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

 - 5. Disposition or placement information if he/she is unable to care for him/herself

338.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

338.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

338.5 TRAINING

The Training Officer is responsible to ensure that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.

340.2.4 SELECTION AND PLACEMENT

Service as a volunteer shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin performance of any position until he/she has been officially accepted for that position and completed all necessary screening and documentation.

At the time of final acceptance, each volunteer should complete all necessary enrollment documentation and will be advised of the job description and agreement of service with the Department.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and with the needs of the Department.

Reserve and auxiliary volunteers are generally assigned to augment regular staffing levels.

340.2.5 EMPLOYEES WORKING AS RESERVE OR AUXILIARY

Sworn employees of this department, when authorized, may also serve as reserve and auxiliary officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (example: a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve and Auxiliary Coordinator should consult the Chief's Office prior to an employee serving in a reserve, auxiliary or volunteer capacity (29 CFR 553.30).

Whenever a rule, regulation or guideline in this manual refers to a sworn officer, it shall also apply to a volunteer, unless by its nature it is inapplicable.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

340.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as, and act as, a supervisor of other volunteers provided the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and the necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

340.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to private and confidential information, such as criminal histories or investigative files. Unless otherwise directed by a supervisor, the duties of the position or department policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

- (a) A driving safety briefing.
- (b) Verification that the volunteer possesses a valid driver license.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements.

Non-Commissioned volunteers should not operate a marked patrol car unless it is being operated for maintenance purposes, that it is being operated during an approved skills course, that it is being used to transport equipment, that it is being used to provide supplementary assistance under the direction of an on-duty sworn officer or other authorized use. Non-Commissioned volunteers are not authorized to operate a Department vehicle for enforcement patrol operations or under emergency conditions (lights and siren) at any time. 340.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

340.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum job satisfaction on the part of volunteers.

340.8 EMERGENCY CALL-OUT FOR VOLUNTEER PERSONNEL

341.1 PURPOSE AND SCOPE

This policy is intended to ensure the protection and security of ancient or historic grave sites, including notification of personnel responsible for cultural items, in compliance with the Native American Graves Protection and Repatriation Act (NAGPRA) (25 USC § 3001 et seq.).

341.1.1 DEFINITIONS

Definitions related to this policy include (43 CFR 10.2):

Funerary objects - Objects that, as part of the death rite or ceremony of a Native American culture, are reasonably believed to have been placed intentionally at the time of death or later with or near individual human remains. Funerary objects are either associated funerary objects or unassociated funerary objects.

Associated funerary objects are any funerary objects related to removed human remains, where the location of the human remains is known. This includes objects that were made exclusively for burial purposes or to contain human remains, regardless of the physical location or existence of any related human remains.

Unassociated funerary objects are any other funerary objects that are identified by a preponderance of the evidence such as:

- Related to human remains but the remains were not removed, or the location of the remains is unknown.
- Related to specific individuals or families.
- Removed from specific burial sites with Native American cultural affiliation.
- Removed from an area where such burial sites are known to have existed, but the site no longer exists.

Native American human remains - Any physical part of the body of a Native American individual.

Objects of cultural patrimony - Objects having ongoing historical, traditional, or cultural importance that is central to the Native American group or culture itself and, therefore, cannot be appropriated or conveyed by any individual, including members of the Native American group or Native Hawaiian organization. Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

Sacred objects - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

341.2 POLICY

It is the policy of the Danville Police Department that the protection of Native American human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred

341.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT

Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred objects, or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.5).

No photography or video recording may be permitted by the media or any group or individual who may wish to exhibit the remains.

Without delay, the appropriate agency or group shall be notified to respond and take control of the scene. These include the following (43 CFR 10.5):

Members shall ensure that any remains or artifacts located at the site are expediently processed (43 CFR 10.7).

Off-Duty Law Enforcement Actions

342.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Danville Police Department with respect to taking law enforcement action while off-duty.

342.2 POLICY

Officers generally should not initiate law enforcement action while off-duty. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

Officers should remember that their authority as a peace officer may not extend to actions taken outside their jurisdiction unless authorized by law (ORC § 2935.02, ORC § 2935.03(D) and ORC § 2935.04).

342.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations, state law, and Department policy. All firearms and ammunition must meet guidelines as described in the Department Firearms Policy. When carrying firearms while off-duty, officers shall also carry their Department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer's senses or judgment.

342.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

Danville Police Department

Danville Police Department Policy Manual

Off-Duty Law Enforcement Actions

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, Oleoresin Capsicum (OC) spray or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive and gather as much accurate intelligence as possible instead of immediately intervening.

342.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Danville Police Department officer until acknowledged. Official identification should also be displayed.

342.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, officers should call the responsible agency to handle the matter.

342.4.3 RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

342.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

342.5 REPORTING

Any officer, prior to taking any off-duty enforcement action, shall notify and receive approval of a supervisor (or other applicable law enforcement authority if acting outside the jurisdiction of the Danville Police Department). If prior contact is not reasonably possible, an officer shall notify the applicable local law enforcement agency as soon as reasonably practicable. The Shift Sergeant shall determine whether a report should be filed by the employee.

Generative Artificial Intelligence Use

345.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for department use of generative artificial intelligence (GenAI). This policy does not apply to artificial intelligence that is integrated into facial recognition applications, voice recognition applications, biometric access controls, or software that redacts documents or video or similar applications.

Additional guidelines for the use of department information technology resources are found in the Information Technology Use Policy.

345.1.1 DEFINITIONS

Definitions related to this policy include:

Generative artificial intelligence (GenAI) - A type of artificial intelligence that is algorithmically trained on one or more large data sets and designed to generate new and unique data (e.g., text, pictures, video) in response to a prompt (generally questions, instructions, images, or video) input by the user.

345.2 POLICY

The use of GenAI systems carries unique benefits within a law enforcement agency, providing ways to increase operational efficiency, enhance department procedures, and improve the overall effectiveness of the Danville Police Department.

However, the prompts input into GenAI systems can present risks to both individuals and law enforcement agencies by making accessible to the public information such as department tactics, investigative and training techniques, confidential information (e.g., confidential informants, protected information), active investigations, and security procedures. In addition, without safeguards in place, GenAI can produce unintended discriminatory or biased output as well as content that is inaccurate, misleading, or copyrighted.

It is the policy of the Department to develop, implement, and use GenAI ethically and responsibly in a way that minimizes potential risk and harm in accordance with the guidelines set forth below.

Any function carried out by a member of the Department using GenAI is subject to the same laws, rules, and policies as if carried out without the use of GenAI. The use of GenAI does not permit any law, rule, or policy to be bypassed or ignored.

345.3 RESPONSIBILITIES

345.3.1 CHIEF OF POLICE

The Chief of Police or an authorized designee shall approve all GenAI systems, their acceptable uses, and their authorized user groups prior to the use, implementation, or development for any department functions.

345.3.2 AI COORDINATOR

The Chief of Police or the authorized designee shall appoint an AI coordinator. The AI coordinator shall report to the Administration Chief of Police or the authorized designee.

The responsibilities of the AI coordinator include but are not limited to:

- (a) Evaluating potential GenAI systems and recommending those GenAI systems that appear to be appropriate and trustworthy to the Chief of Police or the authorized designee. The trustworthiness of GenAI systems should be evaluated by balancing the following characteristics:
 - 1. Validity and reliability - The system's apparent ability to meet the intended purpose and fulfill the needs of the Department consistently over time.
 - 2. Safety - Any apparent risk to human life, health, property, or the environment that could result from the department's use of the system.
 - 3. Security and resiliency - The system's capability to prevent unauthorized access and misuse and its ability to return to normal function should misuse occur.
 - 4. Accountability and transparency - The ability to track and measure the system's use and activity through histories, audit logs, and other processes to provide insight about the system and identify potential sources of error, bias, or vulnerability.
 - 5. Explainability and interpretability - The ability of the user to understand the purpose and impact of the system, how and why the system reached the resulting output, and what the output means for the user.
 - 6. Privacy - The ability of the system to protect confidentiality and meet applicable privacy standards for the types of data intended to be input into the system (e.g., state privacy laws, Criminal Justice Information Services (CJIS), Health Insurance Portability and Accountability Act (HIPAA)).
 - 7. Fairness - The ability of the system to operate in a way that avoids or minimizes bias and discrimination.
- (b) Ensuring appropriate contractual safeguards are in place to manage third-party use of department data and to restrict the use of input in AI training data sets. If the input of protected information is necessary for the proper use of the GenAI system, an information-exchange agreement in compliance with applicable rules and standards (e.g., CJIS requirements) should be used to outline the roles, responsibilities, and data ownership between the Department and third-party vendor.
- (c) Coordinating with others within the Department and Town, such as the information technology or legal departments, as appropriate to ensure GenAI systems are procured, implemented, and used appropriately.
- (d) Maintaining a list or inventory of department-approved GenAI systems and, when appropriate for department transparency, making the list or inventory available to the public.
- (e) Developing and maintaining appropriate procedures related to the use of GenAI systems, including procedures for editing and fact-checking output.

Danville Police Department

Generative Artificial Intelligence Use

- (f) Ensuring any public-facing GenAI systems notify the user that GenAI is being used.
- (g) Developing and updating training for the authorized users of each department-approved GenAI system.
- (h) Ensuring access to department GenAI systems is limited to authorized users and establishing requirements for user credentials such as two-factor authentication and appropriate password parameters.
- (i) Conducting audits at reasonable time intervals for each of the GenAI systems utilized by the Department to evaluate the performance and effectiveness of each approved system and to determine if it continues to meet the department's needs and expectations of trustworthiness. The coordinator should arrange for audits to be conducted by an external source, as needed.
- (j) Ensuring each GenAI system is updated and undergoes additional training as reasonably appears necessary in an effort to avoid the use of outdated information or technologies.
- (k) Keeping abreast of advancements in GenAI and any GenAI-related legal developments.
- (l) Reviewing this policy and department practices and proposing updates as needed to the Chief of Police.
- (m) Developing procedures in coordination with the *Brady* information coordinator and the Chief of Police for the compilation and potential release of any discovery or records related to the use of GenAI systems consistent with *Brady* and the Ohio Open Records Law.

345.4 USE OF GENERATIVE AI

The use of department GenAI systems by department members shall be limited to official work-related purposes, and members shall only access and use GenAI systems for which they have been authorized and received proper training.

Members shall use AI-generated content as an informational tool and not as a substitution for human judgment or decision-making. Members should not represent AI-generated content as their own original work.

AI-generated content should be considered draft material only and shall be thoroughly reviewed prior to use. Before relying on AI-generated content, members should:

- (a) Obtain independent sources for information provided by GenAI and take reasonable steps to verify that the facts and sources provided by GenAI are correct and reliable.
- (b) Review prompts and output for indications of bias and discrimination and take steps to mitigate its inclusion when reasonably practicable (see the Bias-Based Policing Policy).
- (c) Include a statement in the final document or work product that GenAI was used to aid in its production.

345.4.1 PRIVACY CONSIDERATIONS

Information not otherwise available to the public, including data reasonably likely to compromise an investigation, reveal confidential law enforcement techniques, training, or procedures, or risk the safety of any individual if it were to become publicly accessible, should not be input into a GenAI system unless contractual safeguards are in place to prevent such information from becoming publicly accessible. Members should instead use generic unidentifiable inputs, such as "suspect" or "victim," and hypothetical scenarios whenever possible.

Protected information should only be input into GenAI systems that have been approved for such use and comply with applicable privacy laws and standards (see the Protected Information Policy).

345.5 PROHIBITED USE

Members shall not use GenAI systems to rationalize a law enforcement decision, or as the sole basis of research, interpretation, or analysis of the law or facts related to a law enforcement contact or investigation.

Members shall not create user accounts in their official capacity or input work-related data (including information learned solely in the scope of their employment) into publicly available GenAI systems unless the system has been approved by the Chief of Police or the authorized designee for the intended use.

345.6 TRAINING

The AI coordinator should ensure that all members authorized to use GenAI have received appropriate initial training that is suitable for their role and responsibilities prior to their use of GenAI and receive periodic refresher training. Training should include but is not limited to the following:

- (a) A review of this policy
- (b) The need for human oversight of GenAI outputs
- (c) The interpretation, review, and verification of GenAI output
- (d) Checking GenAI output for bias or protected information
- (e) Ethical use of GenAI technology
- (f) Data security and privacy concerns

ADA Compliance

346.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for equal access to Danville Police Department services, programs, and activities for persons with disabilities, in accordance with Title II of the Americans with Disabilities Act (ADA).

This policy also includes guidelines to provide effective communication with persons with disabilities. See the Service Animals Policy for guidance on protecting the rights of individuals who use service animals in accordance with the ADA.

346.1.1 DEFINITIONS

Definitions related to this policy include (28 CFR 35.104):

ADA coordinator - The member designated by the Chief of Police to coordinate the department's efforts to comply with the ADA (28 CFR 35.107).

Assistive devices, auxiliary aids, and services - Tools used by persons with disabilities to facilitate their participation in services, programs, and activities offered by the Danville Police Department and to facilitate effective communication. They include but are not limited to the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; a qualified reader; or a qualified interpreter.

Disability - A physical or mental impairment that substantially limits a major life activity including hearing, seeing, or speaking, regardless of whether the person uses assistive devices, auxiliary aids, and services. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102; 28 CFR 35.108).

Facility - All aspects of department buildings, structures, sites, complexes, equipment, rolling stock or other conveyances, roads, walkways, parking areas, and other real or personal property (28 CFR 35.108).

Modification - Any change, adjustment, alteration, adaptation, or accommodation that renders a department service, program, or activity suitable for use, enjoyment, or participation by a person with a disability. This may include alteration of existing buildings and facilities.

A modification includes any change or exception to a policy, practice, or procedure that allows a person with a disability to have equal access to services, programs, and activities. It also includes the provision or use of assistive devices, auxiliary aids, and services.

Qualified interpreter - A person who is able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters, and intermediary interpreters.

346.2 POLICY

It is the policy of the Danville Police Department that persons with disabilities, including victims, witnesses, suspects, and arrestees, have equal access to services, programs, and activities of the Department.

The Department will not discriminate against or deny any individual access to services, programs, or activities based upon the presence or suspected presence of disabilities.

346.3 ADA COORDINATOR RESPONSIBILITIES

The responsibilities of the ADA coordinator include but are not limited to (28 CFR 35.130):

- (a) Collaborating with the Town ADA coordinator regarding the Danville Police Department's efforts to provide equal access to services, programs, and activities.
 - 1. Maintaining department compliance with accessibility standards for department web content and mobile applications as required by 28 CFR 35 Subpart H (28 CFR 35.200).
- (b) Collaborating with the Town ADA coordinator to facilitate a process of periodic self-evaluation. The process should include:
 - 1. Inspection of current department facilities to identify access issues.
 - 2. Review of current department services, activities, and programs for access issues.
 - 3. Assessment and update, if necessary, of current compliance measures.
 - 4. Identification of recurring areas of complaint for which new methods of modification should be considered.
 - 5. Review of the department's emergency programs, services, and activities as they apply to persons with disabilities.
 - 6. Recommendation of a schedule to implement needed improvements.
- (c) Acting as a liaison with local disability advocacy groups or other disability-focused groups regarding access to department services, programs, and activities.
- (d) Developing procedures that will enable members to access assistive devices, auxiliary aids, and services, and making the procedures available as appropriate.
 - 1. A list of qualified interpreter services with contact and availability information should be maintained and easily accessible to members.
- (e) Developing procedures for the review and processing of requests for modifications that will help members provide persons with disabilities access to department services, programs, and activities, as appropriate.
- (f) Establishing procedures for the booking process to assist members with managing commonly encountered disabilities such as sight or mobility impairments and intellectual or developmental disabilities.
- (g) Providing notice to the public regarding the rights and protections afforded by the ADA. This may include posters, published notices, handbooks, manuals, and pamphlets.

describing department services, programs, and activities and the availability of assistive devices, auxiliary aids, and services, as well as modifications (28 CFR 35.106).

- (h) Collaborating with other [city/county] departments during the planning process to provide that new construction and any alteration to an existing building or facility are undertaken in compliance with the ADA (28 CFR 35.151).
- (i) Developing, implementing, and publishing appropriate procedures to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to services, programs, and activities. The complaint procedures should include an appeal process (28 CFR 35.107).
- (j) Verifying that third parties providing department services, programs, or activities through contract, outsourcing, licensing, or other arrangement have established reasonable policies and procedures to prevent discrimination against and denial of access to persons with disabilities.
- (k) Recommending amendments to this policy as needed.

346.4 REQUESTS

The goal of any modification should be to allow a person with a disability to participate in a service, program, or activity the same as a person who does not have a disability.

Upon receiving a request for a modification, members should make reasonable efforts to accommodate the request based on the preference of the person with the disability. Members should not ask about the nature and extent of a person's disability but should limit questions to elicit information necessary to determine the need for a modification and the appropriate type of modification.

If the requested modification or an alternative modification can reasonably be made at the time of the request, the member should make the modification. A member who is unable to accommodate a request or unsure about whether a request should be accommodated should contact a supervisor.

The supervisor should review and approve the request, if practicable and appropriate. Otherwise, the supervisor should document the requesting person's contact information and the modification being requested and forward the request to the ADA coordinator for processing as soon as reasonably practicable.

346.4.1 DENIAL OF A REQUEST

The following should be considered before denying a request for modification:

- (a) Requests for modifications should be approved unless complying with the request would result in (28 CFR 35.150):
 - 1. A substantial alteration of the service, program, or activity.
 - 2. An undue financial or administrative burden on the Department. All resources available for use in the funding and operation of the service, program, or activity at issue should be considered in this determination.

Danville Police Department

Danville Police Department Policy Manual

ADA Compliance

3. A threat to or the destruction of the historic significance of a historic property.
 4. A direct threat to the health or safety of others (28 CFR 35.139).
- (b) If any of these circumstances are present, the ADA coordinator should work with department members and the person requesting the modification to determine if an alternative modification is available.
- (c) Where new construction or physical modification of an existing building or facility would be unfeasible or unduly burdensome, the ADA coordinator should work with department members to determine whether alternative modifications are available. Alternative methods that should be considered include (28 CFR 35.150):
1. Reassigning services, programs, or activities to accessible buildings or facilities.
 2. Utilizing technology, equipment, rolling stock, or other conveyances.
 3. Delivering the services, programs, or activities directly to a person with a disability by way of home visits or meeting the person at an accessible location.
 4. Any other means or methods that would make services, programs, or activities readily accessible.
- (d) If no alternative modification is appropriate, the ADA coordinator shall issue a written statement explaining why a modification of the service, program, or activity will not be made (28 CFR 35.150).

346.4.2 PERSONAL DEVICES AND ASSISTANCE

Although members should make every effort to comply with requests, the provision of personal devices or assistance (e.g., wheelchairs, eyeglasses, hearing aids, personal assistance in eating or using the restroom) to persons with disabilities is not required (28 CFR 35.135).

346.4.3 SURCHARGES

Surcharges shall not be imposed upon persons with disabilities to cover the costs of providing modifications (28 CFR 35.130(f)).

346.5 COMMUNICATIONS WITH PERSONS WITH DISABILITIES

Members should remain alert to the possibility of communication problems when engaging with persons with disabilities. When a member knows or suspects an individual requires assistance to effectively communicate, the member should identify the individual's choice of assistive devices, auxiliary aids, and services. The individual's preferred communication method should be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method may be effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the communication involved.
- (c) The context of the communication.

Danville Police Department

Danville Police Department Policy Manual

ADA Compliance

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever modification reasonably appears effective under the circumstances. This may include exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter. Once the emergency has ended, the method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

346.5.1 TYPES OF ASSISTANCE AVAILABLE

Department members shall not refuse an available type of assistive device, auxiliary aid, or service to a person with a disability who is requesting assistance. The Department will not require persons with disabilities to furnish their own assistive device, auxiliary aid, or service as a condition for receiving access to department services, programs, and activities. The Department will make every reasonable effort to provide equal access and timely assistance to persons with disabilities through a variety of assistive devices, auxiliary aids, and services (28 CFR 35.160).

The Department will not require that persons with disabilities use department-provided assistive devices, auxiliary aids, and services. Department-provided assistive devices, auxiliary aids, and services may include but are not limited to the means described in this policy.

346.5.2 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment. If such a recording is not available, members may read aloud from the appropriate form or provide forms with enlarged print.

346.5.3 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) with individuals who normally rely on sign language or speechreading (i.e., lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the matter. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a legal proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time.
- (b) Experienced in providing interpretation services related to law enforcement matters in the person's primary language.
- (c) Familiar with the use of text- and video-based communications products and systems.
- (d) Certified in either American Sign Language (ASL) or Signing Exact English (SEE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Danville Police Department

Danville Police Department Policy Manual

ADA Compliance

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity or when it is reasonably apparent that an interpreter is needed. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Persons with disabilities shall not be required to provide an interpreter (28 CFR 35.160).

346.5.4 TELECOMMUNICATION SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., during booking or attorney contacts), members must also provide those with communication-related disabilities the opportunity to place calls using an available TTY, TDD, or other voice, text, or video-based communications product or system. Members shall provide additional time, as needed, for effective communication due to the slower nature of assisted communications.

The Department will accept all TDD and computer modem calls placed by individuals with communications-related disabilities and received via a telecommunications relay service (28 CFR 35.162).

346.5.5 COMMUNITY VOLUNTEERS

Where qualified interpreters are unavailable to assist members, department-approved community volunteers who have demonstrated competence in communication services, such as ASL or SEE, may be called upon to provide interpreter services when appropriate. However, department members must carefully consider the nature of the interaction and the relationship between the individual with the disability and the volunteer to be reasonably satisfied that the volunteer can provide neutral and unbiased assistance.

346.5.6 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the interaction and relationship between the individual with the disability and the person offering services must be carefully considered to determine whether the family member or friend can provide neutral and unbiased assistance.

Except in an emergency involving an imminent threat to the safety or welfare of any person and no qualified interpreter is reasonably available, members shall not use a minor child as an interpreter (28 CFR 35.160).

346.5.7 FIELD ENFORCEMENT CONSIDERATIONS

Due to the unpredictable and varied nature of field enforcement, the Department recognizes that it is impracticable to provide immediate access to a comprehensive supply of assistive devices, auxiliary aids, and services to every member of this department. Members involved in interactions with persons with disabilities that occur in the field should assess each situation to determine if communication assistance is necessary. The length, complexity, and importance of the communication, as well as the individual's preferred method of communication, should be

Danville Police Department

Danville Police Department Policy Manual

ADA Compliance

considered when determining what, if any, resources should be used and whether a qualified interpreter or other service is needed.

346.6 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals with disabilities are protected during a custodial interrogation, this department will provide reasonable modifications before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without receiving a modification. *Miranda* warnings should be provided to a suspect via the individual's preferred method of communication.

Interrogations should be recorded whenever reasonably practicable. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

346.7 ARREST

If an individual with a communication-related disability is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter as soon as reasonably practicable, unless the individual indicates a preference for a different assistive device, auxiliary aid, or service, or the officer reasonably determines another effective method of communication exists under the circumstances.

Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

346.8 WEBSITE ACCESS

The ADA coordinator should work with the appropriate parties to develop online content that is readily accessible to persons with disabilities. Department web content should be developed in conformance with the most current guidelines issued by the U.S. Department of Justice and federal regulations (28 CFR 35 Subpart H; 28 CFR 35.200).

Department website content should also be made available to persons with disabilities in an alternative format upon request, if reasonably practicable.

346.9 DOCUMENTATION

Whenever any modification has been provided, the member involved should document:

- (a) The type of modification, assistive device, auxiliary aid, or service provided.
- (b) Whether the individual elected to use an assistive device, auxiliary aid, or service provided by the Department or another identified source, as applicable.
- (c) Whether the individual's express preference for the modification was not honored and the reason why an alternative method was used.

The documentation and any written communications exchanged should be maintained consistent with the Records Maintenance and Release Policy.

Danville Police Department

Danville Police Department Policy Manual

ADA Compliance

All written communications exchanged in a criminal case shall be attached to the member's report or placed into evidence.

346.10 COMPLAINTS

A member who receives a complaint or becomes aware of potential disability discrimination, an ADA violation, or a person's inability to access the department's programs, services, or activities should document the complaint and promptly refer the matter to the ADA coordinator (28 CFR 35.107). The Department shall assist persons with disabilities who require assistance to file a complaint regarding members of this department. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate.

346.11 TRAINING

Members should receive periodic training on ADA compliance, to include:

- (a) Awareness and understanding of this policy, related procedures, forms, and available resources.
- (b) Procedures for handling requests for modifications.
- (c) Accessing assistive devices, auxiliary aids, and services needed to accommodate requests for modifications.
- (d) General requirements of the ADA, including modifying policies and practices, communicating with individuals with disabilities, and identifying alternate ways to provide access to programs, services, and activities as appropriate to the member's job duties.

Management staff, even if they do not interact regularly with individuals with disabilities, should receive training as appropriate to understand and reinforce this policy.

The Training Sergeant should maintain records of all training provided and retain a copy in each member's training file in accordance with the established records retention schedule.

346.11.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of department assistive devices, auxiliary aids, and services for communicating with individuals with communication-related disabilities. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing calls using TTY, TDD, or other voice, text, and video-based communications products and systems.
- (d) Hands-on experience in using TTY, TDD, or other voice, text, and video-based communications products and systems.

Training should be provided for all the Dispatch Center members who may have contact with individuals from the public who have communication-related disabilities. Refresher training should be provided as appropriate.

Service Animals

347.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

347.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

347.2 POLICY

It is the policy of the Danville Police Department to provide equal access to services, programs, and activities of the Department to persons with service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law. This protection extends to any person who is training an assistance dog (ORC § 955.011; ORC § 955.43).

347.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Danville Police Department affords to all members of the public (28 CFR 35.136).

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.

Danville Police Department

Danville Police Department Policy Manual

Service Animals

- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

347.4 INQUIRIES REGARDING SERVICE ANIMALS

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about their disabilities nor should members ask any individual to provide any license, certification, or identification card for the service animal.

347.5 CONTACT WITH SERVICE ANIMALS

Service animals are not pets. Department members should not interfere with a service animal by talking to, petting, or otherwise initiating contact.

347.6 REMOVAL OF SERVICE ANIMALS

If a service animal is not housebroken, exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, a department supervisor may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136 (b); 28 CFR 35.139).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse access to services, programs, and activities to an individual with a disability. Members are expected to provide all services, programs, and activities that are reasonably available to an individual with a disability, with or without a service animal.

347.7 COMPLAINTS

When handling calls of a complaint regarding a service animal, members should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the

Danville Police Department

Danville Police Department Policy Manual

Service Animals

concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Vehicle Pursuits

348.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public, and fleeing suspects (ORC § 2935.031).

348.1.1 DEFINITIONS

Definitions related to this policy include:

Boxing-in - A low-speed tactic designed to stop a fleeing vehicle by surrounding it with emergency vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed tactic designed to apply lateral pressure to the rear quarter panel of a fleeing vehicle, causing it to spin out, stall, and come to a stop (also known as a Precision Immobilization Technique).

Ramming - The deliberate act of impacting a fleeing vehicle with another vehicle to functionally damage or otherwise force the fleeing vehicle to stop.

Roadblock - A tactic designed to stop a fleeing vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the fleeing vehicle.

Tire deflation device - A device designed to be placed on the roadway and puncture the tires of a fleeing vehicle, sometimes referred to as spike strips.

Vehicle pursuit - An attempt by one or more law enforcement officers to apprehend a suspect in a motor vehicle who, having been given a visual and audible signal to stop, fails to yield or uses high-speed driving or other evasive tactics (e.g., driving off a highway, turning suddenly) in an attempt to avoid arrest.

348.2 POLICY

It is the policy of this department to balance the need to apprehend a fleeing suspect with the risks associated with vehicle pursuits.

348.3 INITIATING A PURSUIT

Officers who have received appropriate training are authorized to initiate a vehicle pursuit when the need to apprehend a fleeing suspect clearly outweighs the risks a vehicle pursuit poses for officers and the public.

When balancing the risk of a pursuit with the need to apprehend the suspect, officers shall consider:

- (a) The seriousness of the known or reasonably suspected crime committed by the suspect and the threat to the safety of the public if the suspect remains at large.
- (b) Whether the identity of the suspect is known with enough certainty to enable apprehension at a later time.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

- (c) The speed of the vehicles relative to the conditions of the area, such as the population density, amount of vehicular and pedestrian traffic (e.g., school zones), time of day, and road and weather conditions.
- (d) The pursuing officer's driving capabilities, familiarity with the area, and quality of radio communications with the dispatcher/supervisor.
- (e) The nature of the pursuing unit (e.g., marked vs. unmarked) and its speed and performance capabilities in relation to the fleeing vehicle (e.g., performance motorcycle).
- (f) Whether there are other persons in or on the fleeing vehicle and their relationship to the situation (e.g., passengers, co-offenders, hostages).
- (g) Whether the pursuing unit is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with an arrestee in the pursuit vehicle unless exigent circumstances exist.
- (h) The availability of other resources such as air support or vehicle locator/deactivation technology.

348.4 PURSUIT UNITS

Vehicle pursuits should be limited to three police department emergency vehicles (two pursuit units and the supervisor vehicle). However, an officer or supervisor may request that additional units join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of officers involved may be insufficient to safely arrest the number of suspects.

348.4.1 EMERGENCY EQUIPMENT

Vehicle pursuits shall only be conducted using authorized police department vehicles that are equipped with emergency lighting and sirens as required by law. Each pursuit unit's emergency lights and sirens should remain activated throughout the unit's participation in the pursuit.

Officers operating vehicles not equipped with emergency lights and siren are prohibited from pursuing a fleeing vehicle or joining a pursuit. Officers in such vehicles may provide support to pursuing units when needed, but should operate the vehicle in compliance with all traffic laws and should discontinue such support immediately upon arrival of a sufficient number of authorized emergency vehicles or any air support.

348.4.2 MOTORCYCLES AND UNMARKED UNITS

When involved in a pursuit, police department motorcycles and unmarked vehicles should be replaced by marked four-wheel emergency vehicles as soon as practicable.

348.4.3 PRIMARY UNIT

The initial pursuing officer should be designated as the primary unit and will be responsible for the conduct of the pursuit unless that unit is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to themselves or others.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

As soon as practicable, the primary unit should notify the Dispatch Center of the pursuit, request priority radio traffic, and provide appropriate information including:

- (a) The location, direction of travel, and estimated speed of the pursuit.
- (b) The description of the fleeing vehicle, including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) A description of the fleeing vehicle's evasive driving behavior (e.g., rapid lane changes, no headlights, driving on the wrong side of the road).
- (e) Known or suspected weapons, threat of force, violence, injuries, hostages, or other unusual hazards.
- (f) The suspected number of occupants and their identities or descriptions.
- (g) The weather, road, and traffic conditions.
- (h) The need for any additional resources or equipment.
- (i) The identities of other law enforcement agencies involved in the pursuit.

The primary unit is responsible for broadcasting the progress of the pursuit until a secondary or air unit joins the pursuit. Once an additional unit joins the pursuit, the primary unit should relinquish the responsibility of broadcasting the progress to the secondary or air unit unless circumstances reasonably indicate otherwise.

348.4.4 SECONDARY UNIT

The second officer in the pursuit should be designated as the secondary unit and is responsible for:

- (a) Notifying the Dispatch Center of their entry into the pursuit.
- (b) Broadcasting the progress of the pursuit, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (c) Identifying the need for and requesting additional resources or equipment as appropriate.
- (d) Serving as backup to the primary unit once the fleeing vehicle has been stopped.

348.4.5 AIR UNITS

When available, air unit assistance should be requested. The air unit should assume responsibility of broadcasting the pursuit once they have established visual contact with the fleeing vehicle. Ground units should maintain operational control and consider whether the continued close proximity and/or involvement in the pursuit is warranted.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit, and provide pursuing units with details of upcoming traffic congestion, road hazards, or other information pertinent to evaluating whether to continue the pursuit. If ground units are not within visual contact of the fleeing vehicle and the air unit determines that it is unsafe to continue the pursuit, the air unit should recommend termination.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

348.5 PURSUIT DRIVING

The decision to use specific driving tactics requires consideration of the same factors as initiating a pursuit. In addition, officers involved in the pursuit should adhere to the following:

- (a) Pursuing units should space themselves far enough from other involved vehicles to be able to see and avoid hazards and react safely to maneuvers by the fleeing vehicle.
- (b) Pursuing units should exercise caution and slow down as necessary when proceeding through intersections.
- (c) Pursuing units should not follow a fleeing vehicle driving against traffic (wrong way) and should instead:
 - 1. Request assistance from available air support.
 - 2. Maintain visual contact with the fleeing vehicle by paralleling it on the correct side of the roadway.
 - 3. Request other units to observe exits available to the fleeing vehicle.
- (d) Pursuing units should request that the Dispatch Center notify the Ohio State Highway Patrol (OSHP) and/or another law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Pursuing units should not attempt to pass other pursuit units unless the situation indicates otherwise or they are requested to do so. Passing another pursuit unit should only be attempted with a clear understanding of the maneuver.

348.5.1 RULES OF THE ROAD

Officers shall drive with due regard for the safety of all persons and property. However, when in pursuit, if there is no unreasonable risk to persons and property, officers may:

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation (ORC § 4511.03).
- (b) Exceed the speed limit (ORC § 4511.24).
- (c) Disregard regulations governing direction of movement or turning in specified directions.

348.5.2 OFFICERS NOT INVOLVED IN THE PURSUIT

Officers not directly involved in the pursuit should stay alert to its progress and location and may proceed safely to intersections ahead of the pursuit to warn cross traffic. When clearing intersections along the pursuit path, officers are authorized to use emergency equipment and should attempt to place their vehicles in locations that provide some safety or an escape route in the event of an unintended collision or a suspect intentionally trying to ram the police department vehicle.

Other than clearing intersections along the pursuit path, uninvolved officers should avoid operating under emergency conditions (emergency lights and siren) and should remain in their assigned areas unless directed otherwise by a supervisor.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

When needed, non-pursuing officers and officers who have dropped out of the pursuit should respond to the pursuit termination point in a non-emergency manner, observing the rules of the road. Officers should not parallel the pursuit route.

348.6 SUPERVISORY CONTROL AND RESPONSIBILITIES

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor, will be responsible for:

- (a) Immediately notifying the involved units and the dispatcher of supervisory presence and ascertaining all reasonably available information in order to continuously assess the situation and risk factors associated with the pursuit.
- (b) Exercising management and control of the pursuit and, when appropriate, engaging in the pursuit to provide on-scene supervision.
- (c) Confirming that no more pursuing units than required are involved in the pursuit.
- (d) Directing that the pursuit be terminated if, in the supervisor's judgment, continuing the pursuit is not justified under the guidelines of this policy.
- (e) Assessing the emotional state of the officers involved and directing an officer to disengage from the pursuit if it appears they are unable to control their emotions.
- (f) Requesting additional assistance from air support, canines, or other resources, if available and appropriate.
- (g) Verifying that the proper radio channel is being used.
- (h) Confirming the Shift Sergeant has been notified of the pursuit.
- (i) Overseeing the notification and/or coordination of outside agencies if the pursuit leaves or is likely to leave the jurisdiction of this department.
- (j) Continuing the management and control of Danville Police Department units when a pursuit enters another jurisdiction.
- (k) Preparing documentation of the pursuit and conducting a post-pursuit review, as required.

348.6.1 SHIFT SERGEANT RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Sergeant has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

348.7 THE DISPATCH CENTER

Radio communications during a pursuit should be conducted on the primary channel unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

348.7.1 THE DISPATCH CENTER RESPONSIBILITIES

Upon notification or becoming aware that a pursuit has been initiated, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved units and personnel.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

348.8 INTERJURISDICTIONAL CONSIDERATIONS

Unless entry into another jurisdiction is expected to be brief, the primary unit or supervisor should ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

348.8.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

When a pursuit enters another agency's jurisdiction, the primary unit or the supervisor should determine whether to request the other agency assume the pursuit, taking into consideration the distance traveled, familiarity with the area, and other pertinent facts.

Once another agency has agreed to assume the pursuit, pursuing units should relinquish control and discontinue participation unless the continued assistance of the Danville Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may, with supervisory approval, proceed to the termination point in order to provide information and assistance for the arrest of the suspect and reporting of the incident. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for department reports.

348.8.2 PURSUITS EXTENDING INTO THIS JURISDICTION

Officers from this department should not join a pursuit being conducted by another agency unless specifically requested to do so by that agency and with approval from a supervisor.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Danville Police Department, the Shift Sergeant or supervisor should review the request as soon as practicable, taking into consideration:

- (a) Whether the need to apprehend the fleeing suspect outweighs the risks of the pursuit to officers and the public.
- (b) Whether there is adequate staffing to continue the pursuit.
- (c) The available units' capabilities to maintain the pursuit.
- (d) The number of available units and other resources of the pursuing agency.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

Assistance to a pursuing agency by officers of this department should terminate at the Town limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department should continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers should provide appropriate assistance to the pursuing agency such as scene control, inter-agency coordination, completion of supplemental reports, and any other reasonable assistance requested or needed.

348.9 PURSUIT INTERVENTION

Pursuit interventions should only be used when it reasonably appears that using the intervention will contain or prevent the pursuit, and the need to immediately stop the fleeing vehicle outweighs the risks of injury or death to officers and others.

Pursuit interventions may be construed as a use of force, including deadly force, and are subject to the policies guiding such use. Officers should consider the guidelines for the use of force when deciding how, when, where, and if a pursuit intervention should be employed. Refer to the Use of Force Policy for additional guidance.

Whenever practicable, an officer should seek approval from a supervisor before employing any pursuit intervention to stop a fleeing vehicle. Officers should not attempt a pursuit intervention unless they have received the appropriate training for the intervention being used.

348.9.1 TIRE DEFLATION DEVICE

Before deploying a tire deflation device, officers should consider factors such as:

- (a) Speed of the fleeing vehicle - Traveling at high speeds increases the risk the suspect will lose control of the vehicle after driving over or swerving to avoid a tire deflation device.
- (b) Weather and visibility - Tire deflation devices should only be deployed when the location, weather, and other conditions allow the deploying officer to clearly see the fleeing vehicle, pursuit units, and other approaching traffic.
- (c) Cover - Deployment should occur in a location that provides the deploying officer adequate cover and escape from intentional or unintentional exposure to the approaching vehicles.
- (d) Road conditions - Soft or loose material such as dirt or gravel may prevent a tire deflation device from puncturing the vehicle's tire. Deploying the device on loose pavement or icy or wet roads increases the risk of the suspect losing control of the vehicle.
- (e) Characteristics of the deployment area - A tire deflation device should not be deployed in areas that are heavily populated with pedestrians, at times of heavy traffic, or at a location where there is a heightened chance of striking a fixed object.
- (f) Characteristics of the fleeing vehicle - Except in extraordinary circumstances, a tire deflation device should not be used when the fleeing vehicle is a motorcycle or

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

other vehicle with fewer than four wheels, an ATV, a vehicle transporting hazardous materials, or a school bus transporting children.

Because of the risks to deploying officers, the intent to deploy a tire deflation device and its location should be clearly communicated to the dispatcher and all involved units.

348.9.2 PIT

A PIT should only be attempted in a vehicle with a reinforced bumper.

Before conducting a PIT, officers should consider factors such as:

- (a) Speed of the fleeing vehicle - Conducting a PIT while traveling at high speeds increases the risk of the suspect or officer losing control of their vehicle. A PIT should not be conducted at speeds greater than the speed at which the officer has received training.
- (b) Road conditions - Because the intention of a PIT is to cause the fleeing vehicle to spin out by reducing the friction between the tires and the roadway, the material of the roadway (e.g., pavement, gravel, dirt) should be considered and a PIT should not be attempted when road conditions are wet or icy.
- (c) Characteristics of the deployment area - A PIT should not be attempted in areas that are heavily populated with pedestrians, at times of heavy traffic, or at a location where there is a heightened chance of striking a fixed object.
- (d) Characteristics of the fleeing vehicle - A PIT should not be used when the pursued vehicle is a motorcycle or other vehicle with fewer than four wheels, an ATV, a vehicle transporting hazardous materials, or a school bus transporting children. The increased risk of rolling over should be evaluated on vehicles with a high center of gravity.
- (e) Number of pursuit units - A PIT should not be used unless there is a sufficient number of pursuit units available to prevent further movement of the fleeing vehicle after spinning out.

348.9.3 BOXING-IN

Boxing-in should only be used when the fleeing vehicle is stopped or traveling at a low speed.

Boxing-in requires the participation of multiple units and therefore must be carefully coordinated with all involved.

348.9.4 RAMMING AND ROADBLOCKS

Ramming and roadblocks shall only be used when deadly force is warranted and all other reasonable alternatives have been exhausted or reasonably appear ineffective.

348.9.5 FIREARMS

Specific guidance on the use of a firearm during a vehicle pursuit is addressed in the Use of Force Policy.

Danville Police Department

348.10 TERMINATING A PURSUIT

The factors considered when initiating a pursuit should be continually re-evaluated by pursuing units during the pursuit, as the circumstances and conditions change, and as new information becomes available. If at any time the risk of continuing the pursuit outweighs the need to immediately apprehend the suspect, the pursuit should be terminated.

In addition, a pursuit should be terminated when:

- (a) A supervisor directs the pursuit to be terminated.
- (b) The location of the fleeing vehicle is no longer known.
- (c) The distance between the pursuing units and the fleeing vehicle is so great that further pursuit would be futile or would continue for an unreasonable time and/or distance.
- (d) The pursuing unit sustains damage or a mechanical failure that makes it unsafe to drive or renders the emergency lighting and sirens partially or completely inoperable and there are no additional units readily available to take over the pursuit.
- (e) The identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risk associated with continuing the pursuit.

When a pursuit terminates for any reason, all pursuit units should verbally acknowledge termination, turn off emergency lights and sirens, reduce their speed, and obey all traffic laws. The primary unit should communicate the location of pursuit termination to the dispatcher.

348.10.1 LOSS OF PURSUED VEHICLE

When a pursuit is terminated because the location of the fleeing vehicle is no longer known, the primary unit should broadcast pertinent information for other units to assist in locating the suspect. The primary unit or supervisor will be responsible for coordinating any further search for the pursued vehicle.

348.10.2 APPREHENSION OF SUSPECTS

Officers should exercise proper self-discipline and sound professional judgment at the conclusion of a pursuit and while apprehending the suspect.

Unless otherwise directed by a supervisor, an officer other than the primary unit should coordinate efforts to apprehend the suspect following the pursuit.

Any use of force necessary to apprehend the suspect shall be consistent with the Use of Force Policy.

348.11 DEBRIEFING

Participating officers should return to the Department as soon as practical following a pursuit to debrief with a supervisor.

348.12 REPORTING REQUIREMENTS

Appropriate reports should be completed as required by applicable laws, policies, and procedures.

- (a) Pursuing officers shall complete appropriate crime/arrest and pursuit reports.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Pursuits

- (b) The involved supervisor, or if unavailable, the on-duty field supervisor, shall obtain available information and promptly complete appropriate written notification to the Chief of Police or the authorized designee. The notification should briefly summarize the pursuit and include, at a minimum:
1. Date and time of the pursuit.
 2. Reason and circumstances surrounding the pursuit (e.g., seriousness of the crime, road and traffic conditions, speed and driving behavior of the fleeing vehicle) that warranted initiation and continuation of the pursuit.
 3. Length of pursuit in distance and time, including the starting and termination points.
 4. Involved vehicles and officers.
 5. Alleged offenses.
 6. Whether a suspect was apprehended, as well as the means and methods used.
 7. Arrestee information, if applicable.
 8. Any injuries and/or medical treatment.
 9. Any property or equipment damage.
 10. Name of supervisor at the scene or who handled the incident.

After receiving copies of the written notification, reports, and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign a post-pursuit review, as appropriate.

The Chief of Police shall direct an annual documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance, reporting procedures, and training or equipment needs. The review should not contain the names of officers, suspects, or case numbers.

348.13 PURSUIT TRAINING

The Training Sergeant should ensure that members of this department receive initial and annual training on this policy and vehicle pursuits relevant to their role (e.g., officers, supervisors, air units, dispatchers) (ORC § 2935.031).

Officer training should address decision-making involved in initiating, continuing, and terminating a pursuit by balancing the need to apprehend the suspect with the risk of a pursuit. Subject to available resources, training on pursuit driving and the deployment of pursuit intervention tactics should include scenario-based training and behind-the-wheel practice, in addition to classroom instruction.

348.14 POLICY ACKNOWLEDGEMENT

Officers of this department shall annually certify in writing that they have received, read, and understand this policy.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the functions of the patrol unit of the Danville Police Department to ensure intraorganizational cooperation and information sharing.

- (b) Crime prevention activities, such as residential inspections, business inspections and community presentations.
- (c) Calls for service, both routine and emergency.
- (d) Investigation of both criminal and non-criminal acts.
- (e) The apprehension of criminal offenders.
- (f) Community Oriented Policing and problem-solving activities, such as citizen assists and individual citizen contacts of a positive nature.
- (g) The sharing of information between the patrol and other sections within the Department, as well as other government agencies.
- (h) The application of resources to specific problems or situations within the community that may be improved or resolved by Community Oriented Policing and problem-solving strategies.

400.1.2 TERRORISM

It is the goal of the Danville Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a Call Record report and if applicable OHLEG report.

Danville Police Department

Danville Police Department Policy Manual

Patrol Function

The supervisor should ensure that all terrorism-related reports are forwarded to the Patrol supervisor in a timely fashion.

400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intraorganizational cooperation and information flow between the various sections of the Danville Police Department.

400.2.1 CRIME ANALYSIS UNIT

The Crime Analysis Unit will be the central unit for information exchange. Criminal information and reports can be submitted to the Chief's Office for distribution to all sections within the Department through daily and special bulletins.

400.2.2 CRIME REPORTS

A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

400.2.3 PATROL BRIEFINGS

All supervisors are encouraged to share information as much as reasonably possible. All supervisors and/or officers will be provided an opportunity to share information through daily patrol briefings, when applicable and as time permits.

400.2.4 INFORMATION CLIPBOARDS

Information clipboards will be maintained in the briefing room and will be available for review by officers from all sections within the Department. These include, but are not limited to, the patrol check clipboard, the wanted persons clipboard and the written directive clipboard.

400.2.5 BULLETIN BOARDS

A bulletin board will be kept in the briefing room for display of suspect information, investigative reports and photographs. New Special Orders will be made available for patrol supervisors and a copy of the Special Order will be placed on the briefing room clipboard.

400.3 CROWDS, EVENTS AND GATHERINGS

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Danville Police Department

Danville Police Department Policy Manual

Patrol Function

Officers should consider enforcement of applicable state and local laws when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Danville Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing or improper profiling - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement. This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups).

401.2 POLICY

The Danville Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited in all enforcement actions, including traffic contacts, field contacts, and asset seizure and forfeiture efforts.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

401.4 MEMBER RESPONSIBILITIES

Every member of the Danville Police Department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. 401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

Danville Police Department

Danville Police Department Policy Manual

Bias-Based Policing

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

Each time an officer makes a self-initiated traffic stop, the officer shall report the gender and race or ethnicity of the driver.

401.4.3 ATTORNEY GENERAL REPORTS

The Patrol Chief of Police should ensure that procedures are in place for the submission of bi-monthly reports relating to certain traffic citations (e.g., texting while driving, driving while distracted) to the Ohio Attorney General's Office consistent with the requirements of ORC § 4511.992.

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

Danville Police Department

Danville Police Department Policy Manual

Bias-Based Policing

complaint, citizen, or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

401.7 TRAINING

Training on fair and objective policing shall be conducted annually and include:

Shift Briefing

402.1 PURPOSE AND SCOPE

Shift briefings, when applicable is generally conducted at the beginning of the officer's assigned shift. Shift Briefing provides an opportunity for important exchange between employees and supervisors. Routine shift briefings may either be done by a supervisor in person or by supervisor making notification through paper memos or telecommunications such as a phone call, text message or email. A supervisor generally will conduct shift briefing. However, officers in the absence of the supervisor, may conduct shift briefing for short training purposes with supervisor approval.

Shift Briefing should accomplish, at a minimum, the following basic tasks:

- (a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles and major investigations.
- (b) Notifying officers of changes in schedules and assignments.
- (c) Notifying officers of new Special Orders or changes in Special Orders.
- (d) Reviewing recent incidents for training purposes.
- (e) Providing training on a variety of subjects.

402.2 BRIEFING AND TRAINING

Shift Briefings are generally conducted at the beginning or conclusion of the officer's assigned shift, yet it may occur at another period. Shift Briefings may at times incorporate short training segments on a variety of subjects and may include:

- (a) Review and discussion of new or updated policies.
- (b) Present and discuss proper application of existing policy to routine daily activities.
- (c) Present and discuss proper application of existing policy to unusual activities.
- (d) Reviewing recent incidents for training purposes.

402.3 PREPARATION OF MATERIALS

The supervisor conducting shift briefing and or short training or an appointed officer should the supervisor be unable to participate in a group briefing and or short training session, will be responsible for collection and preparation of the materials necessary for a constructive briefing and or the short training. A supervisor may delegate this responsibility to a subordinate officer in his/her absence for shift briefings and or short training purposes.

402.4 RETENTION OF BRIEFING AND ROLL CALL TRAINING RECORDS

Shift Briefing and short training materials and a curriculum or summary shall be forwarded to the Training Officer for inclusion in training records, as appropriate.

Crime and Disaster Scene Integrity

403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

403.2 POLICY

It is the policy of the Danville Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

403.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

403.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured

Danville Police Department

Danville Police Department Policy Manual

Crime and Disaster Scene Integrity

persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

403.5.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

Special Response Team

404.1 PURPOSE AND SCOPE

The Danville Police Department may establish a Special Response Team (SRT.) An established SRT will be comprised of two specialized teams: the Crisis Negotiation Team (CNT) and the Special Weapons and Tactics team (SWAT). These units will provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appears to be necessary.

404.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the Special Response Team are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a law enforcement response vary greatly from incident to incident, and because such events often demand on-scene evaluation, the Operational Policy outlined in this section serves as a guideline to Department personnel, allowing for appropriate on-scene decision-making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

404.1.2 SWAT TEAM DEFINED

SWAT Team - A designated unit of law enforcement officers, including a multijurisdictional team, that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex or unusual that they may exceed the capabilities of first responders or investigative units. This includes, but is not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

404.2 LEVELS OF CAPABILITY/TRAINING

404.2.1 LEVEL I

Level I SWAT team - Is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally, five percent of the basic team's on-duty time should be devoted to training.

404.2.2 LEVEL II

Level II SWAT team - Is an intermediate level team capable of providing containment and intervention. These teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At least five percent of their on-duty time should be devoted to training, with supplemental training for tactical capabilities above the Level I team.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

404.2.3 LEVEL III

Level III SWAT team - Is an advanced level team whose personnel function as a full-time unit. Generally, 25 percent of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

404.3 POLICY

It is the policy of the Danville Police Department should a SWAT team exist, to provide the equipment, manpower and training necessary to maintain the SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and control.
- (b) Containment.
- (c) Entry/apprehension/rescue.

It is understood that it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

404.3.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of SWAT missions and operations that are appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the SWAT commander or designee.

404.3.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures when a SWAT team is established that should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Command and control issues, including a clearly defined command structure.
- (g) Multi-agency response.
- (h) Extrajurisdictional response.
- (i) Specialized functions and supporting resources.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

404.3.3 OPERATIONAL PROCEDURES

This department shall develop, if a SWAT has been established, a separate written set of operational procedures, in accordance with its level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association's Suggested SWAT Best Practices. Because such procedures are specific to SRT members and will outline tactical and officer safety issues, they are classified as confidential security data and are not included within this policy. The operational procedures should include, at minimum, the following elements:

- (a) Designating personnel responsible for developing an operational or tactical plan prior to, and/or during SWAT operations (time permitting).
 - 1. All SWAT team members should have an understanding of operational planning.
 - 2. SWAT team training should consider planning for both spontaneous and planned events.
 - 3. SWAT teams should incorporate medical emergency contingency planning as part of the SWAT operational plan.
 - (b) Plans for mission briefings should be conducted prior to an operation, unless circumstances require immediate deployment.
 - 1. When reasonably possible, briefings should include the specialized units and supporting resources.
 - (c) Protocols for a sustained operation should be developed. These may include relief, rotation of personnel and augmentation of resources.
 - (d) A generic checklist to be worked through prior to initiating a tactical action should be developed to provide a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of SWAT.
 - (e) The appropriate role for a trained negotiator should be defined.
 - (f) A standard method of determining whether a warrant should be regarded as high risk.
 - (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
 - (h) Post-incident scene management, including:
 - 1. Documentation of the incident.
 - 2. Transition to investigations and/or other units.
 - 3. Debriefing after every deployment of the SWAT team.
- (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

It also helps to identify training needs and reinforces sound risk management practices.

- (b) Debriefing should not be conducted until involved officers have had the opportunity to individually complete the necessary reports or provide formal statements.
 - (c) To maintain candor and a meaningful exchange, debriefing will generally not be recorded.
 - (d) When appropriate, debriefing should include specialized units and resources.
- (i) Sound risk management analysis.
 - (j) Standardization of equipment.

404.4 TRAINING NEEDS ASSESSMENT

Once an SRT has been established, the SWAT/SRT commander shall conduct an annual SWAT training needs assessment to ensure that training is conducted within team capabilities and department policy.

404.4.1 INITIAL TRAINING

SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of an approved basic SWAT course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content or topics meet or exceed requirements determined by the Department.

404.4.2 UPDATED TRAINING

Appropriate team training for the specialized SWAT functions and other supporting resources should be completed prior to full deployment of the team.

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training every 24 months.

404.4.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level. This is to ensure that personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the team.

Command personnel who may assume incident command responsibilities should attend a SWAT or critical incident commander course or its equivalent. SWAT command personnel should attend a SWAT commander or tactical commander course or its equivalent that has been approved by the department.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

404.4.4 SWAT ONGOING TRAINING

Training shall be coordinated by the SRT commander. The SRT commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise, in addition to specialized training. Training shall consist of the following:

- (a) Each SWAT member shall perform a physical fitness test twice each year. A minimum qualifying score must be attained by each team member.
- (b) Any SWAT team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.
- (c) Those members who are on vacation, ill or are on limited duty status with a medical provider's note of approval on the test date shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member who fails to arrange for and perform the physical fitness test within the 30-day period shall be considered as having failed to attain a qualifying score for that test period.
- (d) Quarterly each SWAT team member shall perform the mandatory SWAT handgun qualification course. The qualification course shall consist of the SWAT basic drill for the handgun. Failure to qualify will require the officer to seek remedial training from a Rangemaster approved by the SRT commander. Team members who fail to qualify will not be used in SWAT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.
- (e) Quarterly each SWAT team member shall perform a mandatory SWAT qualification course for any specialty weapon issued to or used by the officer during SWAT operations. Failure to qualify will require the officer to seek remedial training from a Rangemaster approved by the SRT commander. Team members who fail to qualify on their specialty weapon may not utilize the specialty weapon on SWAT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify with specialty weapons within 30 days may result in the team member being removed from the team or permanently disqualified from use of that particular specialty weapon.

404.4.5 TRAINING SAFETY

Use of a designated safety officer should be considered for all tactical training.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

404.4.6 SCENARIO-BASED TRAINING

SWAT teams should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

404.4.7 TRAINING DOCUMENTATION

Individual and team training shall be documented and records maintained by the Chief's Office. Such documentation shall be maintained in each member's individual training file. A separate agency SWAT training file shall be maintained with documentation and records of all team training.

404.5 UNIFORMS, EQUIPMENT AND FIREARMS

404.5.1 UNIFORMS

SWAT teams from this department should wear uniforms that clearly identify team members as law enforcement officers. It is recognized that certain tactical conditions may require covert movement. Attire may be selected appropriate to the specific mission.

404.5.2 EQUIPMENT

SWAT teams from this department should be adequately equipped to meet the specific mission identified by the Department.

404.5.3 FIREARMS

Weapons and equipment used by SWAT, the specialized units and the supporting resources should be Department-issued or approved, including any modifications, additions or attachments.

404.5.4 OPERATIONAL READINESS INSPECTION

The commander of the SRT shall appoint a SRT supervisor to perform an operational readiness inspection of all unit equipment at least quarterly. The result of the inspection will be forwarded to the SRT commander. The inspection will include personal equipment issued to members of the unit as well as special use equipment maintained for periodic or occasional use in the SWAT vehicle.

404.6 MANAGEMENT/SUPERVISION OF SPECIAL RESPONSE TEAM

The commander of the SRT shall be selected by the Chief of Police upon recommendation of the staff.

404.6.1 PRIMARY UNIT MANAGER

Under the direction of the Chief of Police, the Special Response Team shall be managed by a lieutenant.

404.6.2 TEAM SUPERVISORS

The CNT and each SWAT team will be supervised by a team leader who has been appointed by the SRT Commander.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

The team supervisors shall be selected by the Chief of Police upon specific recommendation by staff and the SRT Commander.

The following represent supervisor responsibilities for the Special Response Team:

- (a) The CNT supervisor's primary responsibility is to supervise the operations of the team, to include deployment, training, first-line participation and other duties as directed by the SRT lieutenant.
- (b) The SWAT team supervisor's primary responsibility is to supervise the operations of the team, which will include deployment, training, first-line participation and other duties as directed by the SRT lieutenant.

404.7 CRISIS NEGOTIATION TEAM ADMINISTRATIVE PROCEDURES

If a CNT has been established, its purpose is to provide skilled verbal communicators, who may be utilized to attempt to de-escalate and effect surrender in critical situations where suspects have taken hostages, barricaded themselves or have suicidal tendencies.

The following procedures serve as directives for the administrative operation of the CNT.

404.7.1 SELECTION OF PERSONNEL

Interested sworn personnel, who are off probation, shall submit a request to the Chief of Police. A copy will be forwarded to the SRT lieutenant and the CNT sergeant. Qualified applicants will then be invited to an oral interview. The oral board will consist of the SRT lieutenant, the CNT sergeant and a third person to be selected by the two. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Demonstrated good judgment and an understanding of the critical role of a negotiator and the negotiation process.
- (c) Effective communication skills to ensure success as a negotiator.
- (d) Special skills, training or appropriate education as it pertains to the assignment.

The oral board shall submit a list of successful applicants to the staff for final selection.

404.7.2 TRAINING OF NEGOTIATORS

Those officers selected as members of the CNT should attend a department-approved basic negotiator's course prior to deployment in an actual crisis situation. Untrained officers may be used in a support or training capacity. Additional training will be coordinated by the team supervisor.

A minimum of one training day per quarter will be required to provide the opportunity for role playing and situational training that is necessary to maintain proper skills. This will be coordinated by the team supervisor.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

Continual evaluation of a team member's performance and efficiency as it relates to the positive operation of the unit shall be conducted by the team supervisor. Performance and efficiency levels established by the team supervisor will be met and maintained by all team members. Any member of the CNT who performs or functions at a level less than satisfactory shall be subject to dismissal from CNT.

404.8 SWAT TEAM ADMINISTRATIVE PROCEDURES

The SWAT team was established to provide a skilled and trained team that may be deployed during events requiring specialized tactics, in situations where suspects have taken hostages and/or barricaded themselves, as well as prolonged or predictable situations in which persons who are armed or suspected of being armed pose a danger to themselves or others.

The following procedures serve as directives for the administrative operation of the SWAT team.

404.8.1 SELECTION OF PERSONNEL

Interested sworn personnel who are off probation shall submit a request to the Chief of Police, a copy of which will be forwarded to the SRT lieutenant and other SWAT supervisors. Those qualifying applicants will then be invited to participate in the testing process. The order of the tests will be given at the discretion of the SRT lieutenant. The testing process will consist of an oral board, physical agility test and a SWAT basic handgun and team evaluation.

- (a) Oral board: The oral board will consist of personnel selected by the SRT lieutenant. Applicants will be evaluated by the following criteria:

- (b) Physical agility: The physical agility test is designed to determine the physical capabilities of the applicant as they relate to performance of SWAT-related duties. The test and scoring procedure will be established by the SRT lieutenant. A minimum qualifying score shall be attained by the applicant to be considered for the position.
- (c) SWAT basic handgun: Candidates will be invited to shoot the SWAT basic drill for the handgun. A minimum qualifying score of 400 out of a possible score of 500 must be attained to qualify.
- (d) Team evaluation: Current team members will evaluate each candidate on field tactical skills, teamwork, ability to work under stress, communication skills, judgment and any special skills that could benefit the team.

Danville Police Department

Danville Police Department Policy Manual

Special Response Team

- (e) A list of successful applicants shall be submitted to the staff by the SRT lieutenant for final selection.

404.8.2 TEAM EVALUATION

Continual evaluation of a team member's performance and efficiency as it relates to the positive operation of the unit shall be conducted by the SRT lieutenant. The performance and efficiency level, as established by the team supervisor, will be met and maintained by all SWAT team members. Any member of the SWAT team who performs or functions at a level less than satisfactory shall be subject to dismissal from the team.

404.9 OPERATIONAL GUIDELINES FOR SPECIAL RESPONSE TEAM

The following procedures serve as guidelines for the operational deployment of the Special Response Team. Generally, the SWAT team and the CNT will be activated together. It is recognized, however, that a tactical team may be used in a situation not requiring the physical presence of the CNT, such as warrant service operations. This shall be at the discretion of the SRT lieutenant.

404.9.1 ON-SCENE DETERMINATION

The supervisor in charge at the scene of a particular event will assess whether the Special Response Team should respond. Upon final determination by the Shift Supervisor, the SRT lieutenant will notify the Chief of Police.

Requests by field personnel for assistance from outside agency crisis units must be approved by the Shift Supervisor. Deployment of the Danville Police Department Special Response Team in response to requests by other agencies must be authorized by the Chief of Police.

404.9.4 MULTIJURISDICTIONAL SWAT OPERATIONS

- (f) Be prepared to brief the SRT lieutenant on the situation.
- (g) Plan for and stage anticipated resources.

404.9.7 ON-SCENE COMMAND RESPONSIBILITIES

Upon arrival of the Special Response Team, the Incident Commander shall brief the SRT lieutenant and team supervisors. Upon review, it will be the Incident Commander's decision, with input from the SRT lieutenant, whether to deploy the Special Response Team. Once the Incident Commander authorizes deployment, the SRT lieutenant will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and support for the Special Response Team. The Incident Commander and the SRT lieutenant or designee shall maintain communications at all times.

404.9.8 COMMUNICATION WITH SPECIAL RESPONSE TEAM PERSONNEL

All non-emergency communications shall be channeled through the CNT lieutenant or designee.

Ride-Alongs

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for a ride-along with members of the Danville Police Department. This policy provides the requirements, approval process, hours of operation, and member responsibilities for ride-alongs.

405.2 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the Shift Sergeant. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is under 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver license number, birthdate, address, and telephone number.

The Shift Sergeant will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to the appropriate section as soon as possible for scheduling considerations.

If the request is denied, a representative of the department will advise the applicant of the denial.

405.3 MEMBERS RESPONSIBILITIES

The department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about the conditions that necessarily limit the individual's participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims or suspects, reading an individual's criminal history or other protected information, or handling any police department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
 - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.

- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the dispatcher that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant

Danville Police Department

Danville Police Department Policy Manual

Ride-Alongs

should use sound discretion when encountering a potentially dangerous situation, such as a high-speed pursuit and, if feasible, let the participant out of the vehicle in a well-lighted public place. The dispatcher will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride-along, or is otherwise inappropriate, should be immediately reported to the Shift Sergeant. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the Shift Sergeant.

405.4 ELIGIBILITY

A ride-along is available to Danville residents and business owners, students currently attending class in Danville, and those employed within the Town of Danville. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified without cause from participating.

Factors that may be considered in disqualifying an applicant include, but are not limited to:

- Being under 15 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the [city/county].
- Denial by any supervisor.

405.5 AVAILABILITY

A ride-along or job observation is available most days of the week, from 10:00 a.m. to 11:00 p.m. Exceptions to this schedule may be made as approved by the Chief of Police or Shift Sergeant.

405.6 PROCEDURES

Once approved, ride-along applicants will be allowed to participate no more than once every six months. An exception may apply to the following law enforcement-involved participants:

- Explorers
- Volunteers
- Chaplains
- Reserves
- Danville Police Department applicants
- Any others with approval of the Shift Sergeant
- Students enrolled in any department-approved dispatcher training course

Danville Police Department

Danville Police Department Policy Manual

Ride-Alongs

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

Ride-along requirements for department Explorers are covered in the Police Cadets and Explorers Policy.

405.6.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the Town, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the Shift Sergeant.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel, or Town employee shall not:

- (a) Be considered on-duty.
- (b) Represent themselves as a member of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

405.6.2 CRIMINAL HISTORY CHECK

405.6.3 SUITABLE ATTIRE

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks, and shoes. Sandals, t-shirts, tank tops, shorts, and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the Shift Sergeant. The Shift Sergeant or a supervisor may refuse a ride-along to anyone who is not dressed appropriately.

405.7 POLICY

Ride-along opportunities will be provided to the members of the public, Town employees, and members of this department to observe and experience, first-hand, various functions of the Danville Police Department. The term "ride-along" includes riding as a passenger with an officer on patrol or observing the work day of members engaged in other functions within the Department, such as the Dispatch Center.

Hazardous Material Response

406.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees as a result of their exposure. To comply with Ohio law, the following represents the policy of this department.

406.1.1 HAZARDOUS MATERIAL DEFINED

Hazardous Material - A substance which, by its nature, containment, or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant, or strong sensitizer and thereby posing a threat to health when improperly managed.

406.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

A hazardous material response shall be in compliance with the County Chemical Emergency Response and Preparedness Plan (ORC § 3750.01 et seq.; OAC § 3750-1-01 et seq.).

The fire department, under the Ohio Fire Service Emergency Response Plan (OFCERP) for Hazardous Materials/WMD Incident Response, is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards. Fire department personnel have the primary role and authority in a HAZMAT incident. The OFCERP provides a central contact number for requests for assistance and operations support (888-822-4900).

Responders should not perform tasks or use equipment without proper training.

A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Make reasonable efforts to secure the scene to prevent access from unauthorized personnel.
- (b) Safely attempt to identify the type of hazardous material. Identification can be determined by placard, driver's manifest or statements from the person transporting the material.
- (c) Notify the appropriate fire department.
- (d) Provide first aid to injured parties if it can be done safely and without contamination.
- (e) Begin evacuation of the immediate and surrounding areas dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary.

Danville Police Department

Danville Police Department Policy Manual

Hazardous Material Response

- (f) Responders should remain uphill and upwind of the hazard until a zone of entry and a decontamination area is established.

406.3 REPORTING EXPOSURE

Danville Police Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum, which shall be forwarded via chain of command to the Chief of Police. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

406.3.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to treat the exposure. The supervisor shall notify the Chief of Police or designee as soon as possible of incident.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the appropriate fire department.

Hostage and Barricade Incidents

407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

407.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

407.2 POLICY

It is the policy of the Danville Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

407.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

407.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer

Danville Police Department

Hostage and Barricade Incidents

shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

407.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police.
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

407.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police (PIO).

If necessary and available, establish a tactical or exclusive radio frequency for the incident.

407.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command,

Danville Police Department

Hostage and Barricade Incidents

notify the Chief of Police or Chief's designee of incident and assume the role of Incident Commander until properly relieved. This includes requesting a SRT response if appropriate and apprising the SRT Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the Town during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Dispatch Center.
- (i) Identify a media staging area outside the outer perimeter and have the department PIO or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

407.6 SPECIAL RESPONSE TEAM RESPONSIBILITIES

It will be the Incident Commander's decision, with input from the SRT Commander and the Chief of Police, whether to deploy the SRT during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the SRT Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the SRT. The Incident Commander and the SRT Commander or the authorized designee shall maintain communications at all times.

407.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

408.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Danville Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

408.2 POLICY

It is the policy of the Danville Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

408.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Supervisor to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

408.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

408.4.1 DANVILLE POLICE DEPARTMENT FACILITY

If the bomb threat is against the Danville Police Department facility, the Shift Supervisor will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

408.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Danville Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Supervisor deems appropriate.

Danville Police Department

Danville Police Department Policy Manual

Response to Bomb Calls

408.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

408.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the Village of Danville, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

408.5.1 ASSISTANCE

The Shift Supervisor should be notified when police assistance is requested. The Shift Supervisor will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility. The Shift Supervisor shall notify the Chief of Police or Chief's designee as soon as possible of incident.

Should the Shift Supervisor determine that the Department will assist or control such an incident, he/she will determine:

Danville Police Department

Danville Police Department Policy Manual

Response to Bomb Calls

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

408.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Supervisor including:

Danville Police Department

Danville Police Department Policy Manual

Response to Bomb Calls

1. The time of discovery.
2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

408.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

408.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

408.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Shift Supervisor
- Lieutenant who shall inform the Chief of Police
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)

Danville Police Department

- Other government agencies, as appropriate

408.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

408.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Civil Commitments

409.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under protective custody for civil commitment (ORC § 5122.10).

409.2 POLICY

It is the policy of the Danville Police Department to protect the public and individuals through legal and appropriate use of the civil commitment process.

409.3 AUTHORITY

If an officer has probable cause to believe that a person is a person with a mental illness and subject to a court order because the person presents a substantial risk of physical harm to themselves or others, the officer may take, or cause the person to be taken, into custody and immediately transport the person to an appropriate hospital for evaluation (ORC § 5122.10).

409.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a civil commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a civil commitment.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the civil commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

409.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a civil commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Available community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Danville Police Department

Danville Police Department Policy Manual

Civil Commitments

Civil commitments should be preferred over arrest for individuals with mental health issues, who are suspected of committing minor crimes or creating other public safety issues.

409.4.1 ADDITIONAL REQUIREMENTS

Officers should make an effort to take individuals into custody in the least conspicuous manner possible. The officer shall inform the individual (ORC § 5122.10):

- (a) Of the officer's name, rank, title, and agency.
- (b) That the person is not being arrested.
- (c) That the person is being taken for examination by mental health professionals at a mental health facility identified by name.

409.5 TRANSPORTATION

Transport for any individual for a civil commitment shall be conducted in accordance with the Transporting Persons in Custody Policy.

Officers may transport individuals in a patrol vehicle and shall secure them in accordance with the Handcuffing and Restraints Policy.

409.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking voluntary treatment, the officer should provide the staff member with the written application for a civil commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

409.7 DOCUMENTATION

The officer should complete an application for emergency admission, provide it to the facility staff member assigned to the individual and retain a copy of the application for emergency admission for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

409.7.1 REQUIRED DOCUMENTATION

The application for emergency admission should include the circumstances under which the person's condition was called to the attention of the officer, the circumstances under which the person was taken into custody and a description of probable cause to believe that the person, because of mental illness, chemical dependency or intoxication, is likely to harm him/herself or

Danville Police Department

Civil Commitments

others if allowed his/her liberty. This statement shall be made available to the person or the person's attorney upon the request of either (ORC § 5122.10).

409.8 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken for a civil commitment should resolve the criminal matter by issuing a citation, as appropriate.

When an individual who may qualify for a civil commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the civil commitment.
- (c) Facilitate the individual's transfer to the jail facility.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a civil commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

409.9 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a civil commitment, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g. safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officers should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

409.9.1 RETURN OF FIREARM

The officer taking custody of any firearm or other deadly weapon should issue the individual possessing such weapon a receipt that fully describes the weapon (including any serial number) and indicates the location where the weapon may be recovered, along with any applicable time limit for recovery (ORC § 2923.163).

409.10 TRAINING

This department will endeavor to provide department-approved training on interaction with persons with a mental disability, civil commitments, and crisis intervention.

Citation Releases

410.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Danville Police Department with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Violence Policy.

410.2 POLICY

The Danville Police Department will consider its resources and protecting the community when exercising any discretion to release suspected offenders on a citation when authorized to do so.

410.3 RELEASE

A suspected offender may be released on issuance of a citation as follows:

- (a) In cases of minor misdemeanors, officers shall not arrest the offender but shall issue a citation for all offenses in which the potential penalty does not exceed \$150 (ORC § 2935.26; Ohio R. Crim. P. 4.1(B)).
- (b) In all other misdemeanors, unless otherwise prohibited by law, officers having probable cause to arrest a person may, in lieu of making the arrest, issue the person a summons to appear if the officer reasonably believes that the summons will ensure the person's appearance. The officer shall also file a complaint describing the alleged offense (Ohio R. Crim. P. 4(3)).

410.4 PROHIBITIONS

The release of a suspected offender on a citation is not permitted when:

- (a) The offense is a minor misdemeanor (ORC § 2935.26(A)) and one of the following applies:
 - 1. The offender requires medical care or is unable to provide for his/her own safety.
 - 2. The offender cannot or will not offer satisfactory evidence of his/her identity.
 - 3. The offender refuses to sign the citation.
 - 4. The offender has previously been issued a citation for the commission of that misdemeanor and has failed to either:
 - (a) Appear at the time and place stated in the citation.
 - (b) Within seven days after receiving the citation, sign a plea of guilty and pay the total fine and costs by appearing in person or mailing the citation to the court.

See the Domestic Violence Policy for release restrictions related to those investigations.

Danville Police Department
Danville Police Department Policy Manual

Citation Releases

410.5 CONSIDERATIONS

In determining whether to cite and release a person when discretion is permitted, officers should consider:

- (a) The type of offense committed.
- (b) The known criminal history of the alleged offender.
- (c) The ability to identify the offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is a reasonable likelihood that criminal conduct by the individual will continue.
- (g) Officer should contact a supervisor when unclear if an arrest is warranted or not.

Foreign Diplomatic and Consular Representatives

411.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Danville Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

411.2 POLICY

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

411.4 ENFORCEMENT ACTION

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

Rapid Response and Deployment

412.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

412.2 POLICY

The Danville Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

412.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

412.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

412.5 PLANNING

The Chief of Police or authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

Immigration Violations

413.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Danville Police Department relating to immigration and interacting with federal immigration officials.

413.2 POLICY

It is the policy of the Danville Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

413.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Ohio constitutions.

413.4 DETENTIONS

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

Danville Police Department

Danville Police Department Policy Manual

Immigration Violations

413.4.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

413.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, an officer should not notify federal immigration officials when booking arrestees at a jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

413.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

413.7 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

413.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

413.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Danville Police Department

Danville Police Department Policy Manual

Immigration Violations

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Patrol supervisor assigned to oversee the handling of any related case. The Patrol supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

413.9 TRAINING

The Training Sergeant should ensure officers receive training on this policy.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

Emergency Utility Service

414.1 PURPOSE AND SCOPE

The Village's Public Works Department has personnel available to handle emergency calls 24 hours per day, seven days a week. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

414.1.1 BROKEN WATER LINES

The Town's responsibility ends at the water meter. Any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the Town side of the meter, emergency personnel should be called as soon as practicable by the Dispatch Center.

414.1.2 ELECTRICAL LINES

The Village's Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The electric company or Public Works should be promptly notified, as appropriate.

414.1.3 RESERVOIRS, PUMPS AND WELLS

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

414.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies will be maintained by the Dispatch Center.

414.2 TRAFFIC SIGNAL MAINTENANCE

The Village of Danville may or may not furnish maintenance for all traffic signals within the Village, other than those maintained by the Ohio Department of Transportation (ODOT).

414.2.1 OFFICER'S RESPONSIBILITIES

Upon observing a damaged or malfunctioning signal, the officer will advise the Dispatch Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Aircraft Accidents

416.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

416.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

416.2 POLICY

It is the policy of the Danville Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

416.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

416.4 INJURIES AND CASUALTIES

Department members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

Danville Police Department

Danville Police Department Policy Manual

Aircraft Accidents

416.5 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

416.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

416.7 DANGEROUS MATERIALS

Department members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.

Danville Police Department

Danville Police Department Policy Manual

Aircraft Accidents

- (d) Evacuation chutes, ballistic parachute systems and composite materials.

416.8 DOCUMENTATION

All aircraft accidents occurring within the Village of Danville shall be documented. At a minimum, the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of DPD members deployed to assist; other Village resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

416.8.1 WRECKAGE

When reasonably safe, Department members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 - 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

416.8.2 WITNESSES

Department members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

416.9 MEDIA RELATIONS

The Chief of Police or authorized designee should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Danville Police Department

Danville Police Department Policy Manual

Aircraft Accidents

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The Chief of Police or authorized designee should coordinate with other involved entities before the release of information.

Obtaining Air Support Assistance

417.1 PURPOSE AND SCOPE

The use of air support can be invaluable in certain situations. This policy specifies potential situations where the use of air support may be requested and the responsibilities for making a request.

417.2 REQUEST FOR AIR SUPPORT ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial and upon the notification to the Chief of Police or authorized designee, a request to obtain air support assistance may be made.

417.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for air support, the Shift Supervisor or designee will call the closest agency having air support available. The Shift Supervisor will apprise that agency of the specific details of the incident prompting the request.

417.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law enforcement air support may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements.
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard.
- (c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
- (d) When an aircraft is needed to locate a person who is lost and whose continued absence constitutes a serious health or safety hazard.
- (e) Vehicle pursuits.
- (f) Pre-planned events or actions that require air support.
- (g) When the Shift Supervisor or equivalent authority determines a reasonable need exists.

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

418.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

418.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio/Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

418.2 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Danville Police Department to strengthen community involvement, community awareness, and problem identification.

Danville Police Department

Danville Police Department Policy Manual

Contacts and Temporary Detentions

418.2.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggests he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

418.3 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

418.4 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

Danville Police Department

Danville Police Department Policy Manual

Contacts and Temporary Detentions

418.4.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

418.4.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

418.4.3 FIELD PHOTOGRAPHS OF CHILDREN

Field photographs may only be taken of a child with the consent of a juvenile court judge, except when the child has been (ORC § 2151.313):

- (a) Arrested or otherwise taken into custody for committing, or has been adjudicated as a delinquent child for committing, an act that would be a felony if committed by an adult.
- (b) Convicted of or pleaded guilty to committing a felony.
- (c) Arrested or otherwise taken into custody or has been adjudicated as a delinquent child for committing an act where all of the following apply:
 - 1. The offense is not a traffic offense or minor misdemeanor if committed by an adult.
 - 2. There is probable cause to believe the child may have been involved in the act.

The officer who photographs a juvenile shall immediately inform the juvenile court that the photographs were taken and shall provide the court with the identity of the juvenile, the number of photographs taken and the name and address of each person who has custody and control of the photographs or copies of the photographs (ORC § 2151.313(A)(2)).

418.4.4 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

Danville Police Department

Danville Police Department Policy Manual

Contacts and Temporary Detentions

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Chief's Office.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

Photographs of children shall be retained in a file separate and apart from all photographs taken of adults until released to the juvenile court or as otherwise ordered by a juvenile judge (ORC § 2151.313(B)).

When a photograph of a child is taken in association with a particular case, before filing a complaint regarding the offense, the photograph may only be used in the investigation of the original offense and may only be released to the court.

After filing the complaint, the photograph may be used to investigate the original offense or to investigate any other juvenile delinquency offense involving the juvenile as a suspect. Photographs may also be used in a photo lineup when the child in the photograph has been adjudicated as a delinquent child for the commission of an act that would be a felony if committed by an adult, or convicted or pleaded guilty to a criminal offense that is a felony as a result of the arrest or custody that was the basis of the taking of the photographs (ORC § 2151.313(C)).

418.4.5 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

418.5 POLICY

The Danville Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

418.6 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the

seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Criminal Organizations

419.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Danville Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

419.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

419.2 POLICY

The Danville Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

419.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

419.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Chief's Office. Any supporting documentation for an entry shall be retained by the Chief's Office in accordance with

Danville Police Department

Danville Police Department Policy Manual

Criminal Organizations

the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Chief's Office are appropriately marked as intelligence information. The Chief of Police may not purge such documents without the approval of the designated supervisor.

419.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

419.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Police Chief's office, but should be copies of, or references to, retained documents, such as copies of reports, field interview (FI) forms, the Dispatch Center records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

419.4.2 STREET GANG PREMISES

Any building, premises or real estate, including vacant land, which is used or occupied by a criminal gang on more than two occasions within a one-year period to engage in a pattern of criminal gang activity is a public nuisance. The Patrol supervisor may authorize members to collect information on such property for purposes of abatement, pursuant to ORC § 3767.01 through 3767.11 (ORC § 2923.43).

419.4.3 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

Danville Police Department

Danville Police Department Policy Manual

Criminal Organizations

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

419.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Officer to train members to identify information that may be particularly relevant for inclusion.

419.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

419.7 CRIMINAL STREET GANGS

The Training Officer should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

Danville Police Department

Danville Police Department Policy Manual

Criminal Organizations

419.8 TRAINING

The Training Officer should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises.

Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Shift Supervisors

420.1 PURPOSE AND SCOPE

Each patrol shift must be directed by Shift Supervisors who are capable of making decisions and communicating in a manner consistent with Department policies, procedures, practices, functions and objectives. To accomplish this goal, this Department will attempt to have a Sergeant or higher ranking officer available on all shifts.

420.2 DESIGNATION AS ACTING SHIFT SERGEANT

When a Sergeant or a higher ranking officer is unavailable for duty as Shift Supervisor, in most instances a qualified officer shall be designated as acting Shift Supervisor. This policy does not preclude designating a less senior officer as an acting Shift Supervisor when operational needs require or training permits.

Mobile Video Recorder

421.1 PURPOSE AND SCOPE

The Danville Police Department has equipped marked patrol cars with Mobile Video Recording (MVR) systems. The MVR is designed to provide records of events and to assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

421.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - Any process that causes the MVR system to transmit or store video or audio data in an active mode.

In-Car Camera System and Mobile Video Recorder (MVR) system - Synonymous terms that refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder, and monitor.

MVR Technician - Personnel certified or trained in the operational use and repair of MVRs, duplicating methods, storage and retrieval methods, and who have working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

421.2 POLICY

It is the policy of the Danville Police Department to use mobile video recording technology to more effectively fulfill the mission of the Department and to ensure these systems are used securely and efficiently.

421.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip themselves to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Danville Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MVR system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording their name, serial number, badge or personal identification number (PIN), and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

Danville Police Department

Mobile Video Recorder

421.4 ACTIVATION OF THE MVR

The MVR system is designed to turn on whenever the vehicle's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

421.4.1 REQUIRED ACTIVATION OF THE MVR

This policy is not intended to describe every possible situation in which the MVR system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes its use would be appropriate and/or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MVR. The MVR system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
 - 1. Traffic stops (to include but not limited to traffic violations, stranded motorist assistance, and all crime interdiction stops)
 - 2. Priority responses
 - 3. Vehicle pursuits
 - 4. Suspicious vehicles
 - 5. Arrests
 - 6. Vehicle searches
 - 7. Physical or verbal confrontations or use of force
 - 8. Pedestrian checks
 - 9. Operating a vehicle while under the influence of drugs or alcohol (OVI) investigations including field sobriety tests
 - 10. Consensual encounters
 - 11. Crimes in progress
 - 12. Responding to an in-progress call
- (b) All self-initiated activity in which an officer would normally notify the Dispatch Center
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
 - 1. Domestic violence calls
 - 2. Disturbance of the peace calls
 - 3. Offenses involving violence or weapons

Danville Police Department

Danville Police Department Policy Manual

Mobile Video Recorder

- (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
- (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

Activation of the MVR system is not required when exchanging information with other officers, during breaks or lunch periods, or when not in service or not actively on patrol.

421.4.2 CESSATION OF RECORDING

Once activated, the MVR system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

421.4.3 SURREPTITIOUS RECORDING

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

421.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MVR systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of the Dispatch Center.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
 - 1. The tracking number of the MVR system media.
 - 2. The date the media was issued.
 - 3. The name of the department member or the vehicle to which the media was issued.
 - 4. The date the media was submitted for retention.
 - 5. The name of the department member submitting the media.
 - 6. Holds for evidence indication and tagging as required.
- (c) The operation of MVR systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved traffic collisions), a supervisor shall respond to the scene and ensure that the appropriate person properly retrieves the recorded

Danville Police Department

media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MVR system remotely to monitor a developing situation, such as a chase, riot, or an event that may threaten public safety, officer safety, or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MVR system for the purpose of surveillance regarding the conversations or actions of an officer.

421.5 REVIEW OF MVR RECORDINGS

All recording media, recorded images, and audio recordings are the property of the Department. Dissemination outside of the Department is strictly prohibited except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed, or otherwise inserted into any device not approved by the department MVR technician, or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) By officers for use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to conduct documented reviews of their subordinate's MVR media at least annually to evaluate the member's performance, verify compliance with department procedures, and determine the need for additional training. The review should include a variety of event types when possible. Supervisors should review MVR media with the recording member when it would be beneficial to provide guidance or to conduct one-on-one informal training for the member.
- (d) To assess proper functioning of MVR systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry, or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to their employment
- (h) By court personnel through proper process or with the permission of the Chief of Police or the authorized designee
- (i) By the media through proper process
- (j) To assess possible training value
- (k) For training purposes. If an involved officer objects to showing a recording, their objection will be submitted to the command staff to determine if the training value outweighs the officer's objection.

Danville Police Department

Danville Police Department Policy Manual

Mobile Video Recorder

- (l) As may be directed by the Chief of Police or the authorized designee

Members desiring to view any previously uploaded or archived MVR recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MVR technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any member.

421.6 DOCUMENTING MVR USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation indicating that the incident was recorded.

421.7 RECORDING MEDIA STORAGE AND INTEGRITY

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained as required by the established records retention schedule.

421.7.1 COPIES OF ORIGINAL RECORDING MEDIA

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy (ORC § 9.01).

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

421.7.2 MVR RECORDINGS AS EVIDENCE

Officers who reasonably believe that an MVR recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Danville Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

421.8 SYSTEM OPERATIONAL STANDARDS

- (a) MVR system vehicle installations should be based on officer safety requirements and vehicle and device manufacturer recommendations.
- (b) The MVR system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MVR system may not be configured to record audio data occurring prior to activation.
- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MVR transmitters.

Danville Police Department

Danville Police Department Policy Manual

Mobile Video Recorder

- (e) Officers using digital transmitters that are individually synchronized to their individual MVR shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MVR-equipped vehicles to minimize the possibility of causing electronic or noise interference with the MVR system.
- (g) Officers shall not erase, alter, reuse, modify, or tamper with MVR recordings. Only a supervisor, MVR technician, or other approved designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MVR technician or forensic media staff.

421.9 MVR TECHNICIAN RESPONSIBILITIES

The MVR technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing, and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MVR technician:
 - 1. Ensures it is stored in a secured location with authorized controlled access.
 - 2. Makes the appropriate entries in the chain of custody log.
- (c) Erasing of media:
 - 1. Pursuant to a court order.
 - 2. In accordance with established records retention schedule, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field.
 - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the established records retention schedule.

421.10 TRAINING

All members who are authorized to use the MVR system shall successfully complete an approved course of instruction prior to its use.

421.11 ANNUAL PROGRAM REVIEW

The MVR technician should complete an annual administrative review of the MVR program and provide it to the Chief of Police for review.

Mobile Digital Computer Use

422.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use, and application of the Mobile Digital Computer (MDC) system in order to ensure proper access to confidential records from local, state, and national law enforcement databases, and to ensure effective electronic communications between department members and the Dispatch Center. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

422.2 POLICY

Danville Police Department members using a MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

422.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

422.4 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use, Protected Information, and CJIS Access, Maintenance, and Security policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Sergeants.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks, or communications that are directly related to the business, administration, or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from their supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

Danville Police Department

Danville Police Department Policy Manual

Mobile Digital Computer Use

422.4.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

422.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

422.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

422.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

422.6 EQUIPMENT CONSIDERATIONS

422.6.1 MALFUNCTIONING MDC

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Dispatch

Danville Police Department

Danville Police Department Policy Manual

Mobile Digital Computer Use

Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

422.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

Portable Audio/Video Recorders

423.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Danville Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

423.2 POLICY

The Danville Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

423.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

423.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, DPD identification number (unit number) and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Danville Police Department

Danville Police Department Policy Manual

Portable Audio/Video Recorders

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

423.5 ACTIVATION OF THE AUDIO/VIDEO RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which an officer would normally notify the Dispatch Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

423.5.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

423.5.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Ohio law permits an individual to surreptitiously record any conversation in which one party to the conversation has given his/her permission (ORC § 2933.52).

Members may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation.

Danville Police Department

Danville Police Department Policy Manual

Portable Audio/Video Recorders

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

423.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

423.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Supervisor. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

423.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Danville Police Department

Danville Police Department Policy Manual

Portable Audio/Video Recorders

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

423.7.1 RETENTION REQUIREMENTS

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

423.8 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

423.9 COORDINATOR

The Chief of Police or the authorized designee should designate a coordinator responsible for:

- (a) Establishing procedures for the security, storage and maintenance of data and recordings.
- (b) Establishing procedures for accessing data and recordings.
- (c) Establishing procedures for logging or auditing access.
- (d) Establishing procedures for transferring, downloading, tagging or marking events.
- (e) Establishing procedures for a documented review of recordings.

Portable Audio/Video Recorders

423.10 RETENTION OF RECORDINGS

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

423.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

423.11 TRAINING

Initially, at least annually, or more frequently upon any updates, sworn members of this department shall certify in writing, or acknowledge electronically, that they have received, read, and understand this policy.

Public Recording of Law Enforcement Activity

424.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

424.2 POLICY

The Danville Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

424.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

424.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Danville Police Department

Danville Police Department Policy Manual

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

424.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

424.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Bicycle Patrol Unit

425.1 PURPOSE AND SCOPE

The Danville Police Department has established the Bicycle Patrol Unit for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas. A bicycle's quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

425.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control or special events. Its mobility and visibility in the community are hallmarks of its usefulness.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Shift Supervisor or designee.

425.3 SELECTION OF PERSONNEL

Interested sworn personnel, who are off probation, shall submit a request to become a bicycle patrol officer to the Chief of Police. Qualified applicants will then be invited to an oral interview. The oral board will consist of the Bicycle Patrol Unit supervisor and a second person to be selected by the Bicycle Patrol Unit supervisor. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Special skills or training as they pertain to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

425.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Patrol Unit supervisor will be selected by the Chief of Police or designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
- (c) Scheduling maintenance and repairs.
- (d) Evaluating the performance of bicycle officers.
- (e) Coordinating activities with the Patrol Section.
- (f) Inspecting and documenting, no less than every three months, that bicycles not in active service are in a serviceable condition.

Danville Police Department

Danville Police Department Policy Manual

Bicycle Patrol Unit

- (g) Other activities as required to maintain the efficient operation of the unit.

425.4 TRAINING

Participants in the program must complete an initial Department-approved bicycle-training course after acceptance into the program. Thereafter, bicycle patrol officers should receive yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

Bicycle patrol officers may be required by the Department's Firearms Instructor to qualify with their duty firearm while wearing bicycle safety equipment, including the helmet and riding gloves.

425.5 UNIFORMS AND EQUIPMENT

Officers shall wear the Department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio headset and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

425.6 CARE AND USE OF PATROL BICYCLES

Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white with a "Police" decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors, front and rear lamps and a siren/horn. Lamps and reflectors must meet legal requirements.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bags sufficient to carry the necessary equipment for handling routine patrol calls, including report writing, vehicle storage and citations.

Danville Police Department

Danville Police Department Policy Manual

Bicycle Patrol Unit

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides or rear of the bicycle.

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly, to be performed by a repair shop/technician that is approved by the Department.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective chargers to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the express approval of the bicycle supervisor or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

425.7 OFFICER RESPONSIBILITIES

Officers should operate the bicycle in compliance with Ohio law unless their duties require otherwise. Officers may operate the bicycle without lighting equipment during hours of darkness only when it reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment or in violation of routine rules of the road.

Foot Pursuits

426.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

426.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

426.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously reevaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place Department personnel and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances reasonably permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to pursuit based upon the circumstances and resources available, such as the following:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.

Danville Police Department

Danville Police Department Policy Manual

Foot Pursuits

- (f) Apprehension at another time, when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the pursuit.

426.4 GENERAL GUIDELINES

Unless the officer reasonably believes that exigent circumstances exist (e.g. a serious threat to the safety of personnel or members of the public), officers should consider alternatives to engaging in or continuing a foot pursuit under the following conditions:

- (a) Directed by a supervisor to terminate the foot pursuit, such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officers renders them incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the Dispatch Center or with backup officers.
- (h) The suspect enters a building, structure, confined space or a wooded or otherwise isolated area and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the pursuit and coordinating containment pending the arrival of sufficient officers.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to Department personnel or the public if the suspect is not immediately apprehended.

Danville Police Department

Danville Police Department Policy Manual

Foot Pursuits

- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other conditions.

426.5 RESPONSIBILITIES IN FOOT PURSUITS

The responsibilities in foot pursuits are as follows:

1. Initiating Officer Responsibilities
2. Assisting Officer Responsibilities
3. Supervisor Responsibilities
4. Dispatch Center Responsibilities

426.5.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be implemented and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the Dispatch Center of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary.

426.5.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

Danville Police Department

Danville Police Department Policy Manual

Foot Pursuits

426.5.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever reasonably possible. The supervisor does not, however, need to be physically present to exercise control over the pursuit. The supervisor should continuously assess the situation in order to ensure the foot pursuit is conducted within established Department guidelines.

The supervisor should terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

426.5.4 THE DISPATCH CENTER RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

426.6 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Danville Police Department

Danville Police Department Policy Manual

Foot Pursuits

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

Automated License Plate Readers (ALPR)

427.1 PURPOSE AND SCOPE

Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPRs, when used by the Danville Police Department, would be used to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. The ALPR may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

427.2 ADMINISTRATION OF ALPR DATA

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Chief of Police or authorized designee. The Chief of Police or authorized designee will assign personnel under his/her command to administer the day-to-day operation of the ALPR equipment and data.

427.3 ALPR OPERATION

Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) An ALPR shall only be used for official and legitimate law enforcement business.
- (b) An ALPR may be used in conjunction with any patrol operation or official Department investigation. Reasonable suspicion or probable cause is not necessary before using ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (e) If practicable, the officer should verify an ALPR response through LEADS before taking enforcement action that is based solely upon an ALPR alert.
- (f) No ALPR operator may access Ohio Law Enforcement Automated Data System (LEADS) data unless otherwise authorized to do so.

427.4 ALPR DATA COLLECTION AND RETENTION

All data and images gathered by an ALPR are for the official use of the Danville Police Department. Because such data may contain confidential information LEADS data is not open to public review. ALPR information gathered and retained by this department may be used and shared with prosecutors or others only as permitted by law.

Danville Police Department

Danville Police Department Policy Manual

Automated License Plate Readers (ALPR)

The Chief of Police or designee is responsible to ensure proper collection and retention of ALPR data and for transferring ALPR data stored in department vehicles to the department server on a regular basis, not to exceed 30 days between transfers.

All ALPR data downloaded to the server should be stored for the minimum period established in the Department Records Retention Schedule identified in the Records Maintenance and Release Policy. Thereafter, ALPR data may be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

427.5 ACCOUNTABILITY AND SAFEGUARDS

All saved data will be closely safeguarded and protected by both procedural and technological means. The Danville Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Chief of Police and processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.
- (c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies at any time for legitimate law enforcement purposes.
- (e) ALPR system audits should be conducted on a regular basis.

Homeless Persons

428.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Danville Police Department recognizes that members of the homeless community are often in need of special protection and services. The Danville Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following policy when serving the homeless community.

428.1.1 POLICY

It is the policy of the Danville Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

428.2 HOMELESS COMMUNITY LIAISON

The Chief of Police will designate a member of this department to act as the homeless liaison officer(s). The responsibilities of a homeless liaison officer include:

- (a) Maintaining and making available to all Department employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meeting with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintaining a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remaining abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
 - 1. Proper posting of notices of trespass and clean-up operations.
 - 2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property Procedures Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure the rights of the homeless are not violated.
- (f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

Danville Police Department

Danville Police Department Policy Manual

Homeless Persons

428.3 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a nonviolent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

428.3.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with the Vulnerable Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

428.4 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the

Danville Police Department

Danville Police Department Policy Manual

Homeless Persons

officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or a Department homeless liaison Officer. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the homeless liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform a Department homeless liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of a homeless liaison Officer to address the matter in a timely fashion.

428.5 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person for an emergency admission to a mental health facility unless facts and circumstances warrant such a detention.

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

428.6 ECOLOGICAL ISSUES

Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

First Amendment Assemblies

429.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

429.2 POLICY

The Danville Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

429.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Danville Police Department

First Amendment Assemblies

429.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

429.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Dispatch Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

429.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

429.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Danville Police Department

Danville Police Department Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

429.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event, including implementation of the National Incident Management System.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with Town government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.

Danville Police Department

First Amendment Assemblies

- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

429.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

429.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

429.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Danville Police Department

Danville Police Department Policy Manual

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

429.8 ARRESTS

The Danville Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

429.9 MEDIA RELATIONS

The Chief of Police or designee should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

429.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

Danville Police Department

Danville Police Department Policy Manual

First Amendment Assemblies

429.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Dispatch Center records/tapes
- (g) Media accounts (print and broadcast media)

429.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with Town legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

429.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

Civil Disputes

430.1 PURPOSE AND SCOPE

This policy provides members of the Danville Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Ohio law.

430.2 POLICY

The Danville Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

430.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

430.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Danville Police Department

Danville Police Department Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

430.4.1 STANDBY REQUESTS

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

430.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

430.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

431.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

431.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

431.2 POLICY

The Danville Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

431.3 RESPONSIBILITIES

The Investigation Chief of Police and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigation Section include but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

Danville Police Department

Danville Police Department Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative, or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

431.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR on the Department's Call Records reporting system and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented in a SAR. The report number of the original incident should be included in the SAR Call Record report as a cross reference. A SAR should be processed as any other incident report by doing a Call Record report.

431.5 HANDLING INFORMATION

The Chief's Office will forward copies of SARs, in a timely manner, to the following:

- Patrol supervisor
- Crime Analysis Unit
- Other authorized designees

Medical Aid and Response

432.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

432.2 POLICY

It is the policy of the Danville Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

432.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Dispatch Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Dispatch Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex and age, if known.
 - 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Danville Police Department

Danville Police Department Policy Manual

Medical Aid and Response

432.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are not in custody and who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

For guidelines regarding transporting ill or injured persons who are in custody, see the Transporting Persons in Custody Policy.

Members should not provide emergency escort for medical transport or civilian vehicles.

432.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a civil commitment in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

432.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

432.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Chief of Police should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

Danville Police Department

Danville Police Department Policy Manual

Medical Aid and Response

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

432.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member should use an AED only after the member has received the required training (ORC § 3701.85).

432.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly shall be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED shall contact the Dispatch Center as soon as possible and request response by EMS (ORC § 3701.85).

Danville Police Department

Danville Police Department Policy Manual

Medical Aid and Response

432.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

432.8.3 AED TRAINING AND MAINTENANCE

The Training Officer should ensure appropriate training, that includes training in CPR and AED use, is provided to members authorized to use an AED (ORC § 3701.85).

The Training Officer is responsible for ensuring AED devices are appropriately maintained and tested consistent with the manufacturer's guidelines, and will retain records of all maintenance and testing in accordance with the established records retention schedule (ORC § 3701.85).

432.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

The Patrol Chief of Police may authorize the acquisition of opioid overdose medication as provided in ORC § 3715.50 for use by members. The Training Sergeant is responsible for the storage, maintenance, control, and general oversight of the opioid overdose medication acquired by the Department (ORC § 3715.50; ORC § 3715.504).

432.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact the Dispatch Center as soon as possible and request response by EMS.

432.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

432.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Officer should ensure training is provided to members authorized to administer opioid overdose medication.

432.10 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Danville Police Department

Danville Police Department Policy Manual

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance to an appropriate medical facility.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

432.10.1 HOSPITAL SECURITY AND CONTROL

Officers who transport persons in custody to medical facilities for treatment should provide security and control during examination and treatment consistent with department protocols. Any such transport should be conducted in accordance with the Transporting Persons in Custody Policy.

The Patrol Chief of Police should develop protocols related to the following:

- (a) Providing security and control during an examination or treatment, including:
 - 1. Monitoring the person in custody (e.g., guarding against escape, suicide, and assault of others)
 - 2. Removal of restraints, if necessary and appropriate (see the Handcuffing and Restraints Policy)
- (b) Responsibility for continuing security and control if the person in custody is admitted to the hospital
 - 1. This should include transferring custody of the person to an appropriate agency.

432.11 ADMINISTRATION OF EPINEPHRINE

Members who have completed epinephrine administration training may administer epinephrine in accordance with protocol specified by the physician or other medical professional as allowed by law who prescribed the medication for use by the member (ORC § 2925.64; ORC § 3728.01; ORC § 4729.47).

432.11.1 EPINEPHRINE USER RESPONSIBILITIES

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers epinephrine should contact the Dispatch Center as soon as possible and request response by EMS.

432.11.2 EPINEPHRINE REPORTING

Any member administering epinephrine should detail its use in an appropriate report.

Danville Police Department

Danville Police Department Policy Manual

Medical Aid and Response

432.11.3 EPINEPHRINE TRAINING

The Training Sergeant should ensure that training is provided to members authorized to administer epinephrine.

432.12 FIRST-AID TRAINING

The Training Sergeant should ensure officers receive periodic first-aid training appropriate for their position.

Crisis Intervention Incidents

433.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

433.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A situation whereby a person has become unable to self-regulate thinking, mood, or behavior. A person could be experiencing intense feelings of distress and/or displaying obvious changes in functioning in their daily living activities. This disturbance with a person's understanding and comprehension, ability to regulate emotions, and/or ability to regulate behavior may occur due to mental illness, intellectual or developmental disability, an injury/trauma to the brain, deterioration of the brain, other medical conditions, or a medical emergency.

Service provider – Behavioral health service providers are licensed agencies or professionals who can diagnose various conditions, including mental health, and then provide treatment. These agencies and professionals may provide a range of diagnostic and treatment services and methods.

433.2 POLICY

The Danville Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

433.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control

Danville Police Department

Danville Police Department Policy Manual

Crisis Intervention Incidents

- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

433.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate department liaison to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

433.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

Crisis Intervention Incidents

433.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

433.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

433.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.

Danville Police Department

Danville Police Department Policy Manual

Crisis Intervention Incidents

- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Chief of Police.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

433.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

433.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

433.9.2 DOCUMENTING CONTACTS WITH PERSONS IN CRISIS

Members should document encounters with persons in crisis on department reports or Crisis Intervention Contact sheets, to include but not limited to:

- (a) The person's name, demographics, and location.
- (b) The type of crisis and behaviors exhibited.
- (c) If a crime is involved.
- (d) The response by the officer and if force was used.
- (e) The disposition of encounter.
- (f) Whether the member is requesting service provider follow-up.

Documentation should be in a format that information on persons in crisis can be provided to other mental health service providers and easily transferred into data reports for analysis to determine the effectiveness of response.

Danville Police Department

Danville Police Department Policy Manual

Crisis Intervention Incidents

433.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

433.11 EVALUATION

The department liaison designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

433.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis (ORC § 109.742).

Members should receive documented initial training to include recognizing and effectively communicating with a person in crisis, assessing a person's mental state, and determining how best to care for the person in crisis. All sworn personnel should have annual documented training to build on their initial training. Training should be reviewed annually and updated accordingly.

Medical Marijuana

434.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production, or use of marijuana under Ohio's medical marijuana laws.

434.1.1 DEFINITIONS

Definitions related to this policy include:

Medical marijuana - Can include any of the following marijuana products obtained from a licensed dispensary (ORC § 3796.06; OAC § 3796:8-2-01):

- (a) Oil, tincture, capsule, or edible forms
- (b) Metered oil or solid preparation for vaporization
- (c) Patches for transdermal administration or lotions, creams, or ointments for topical administration
- (d) Plant material

Registry identification card - A card issued by the state's medical marijuana regulatory authority as evidence that an individual is registered as a patient or caregiver (OAC § 3796:7-1-01).

434.2 POLICY

It is the policy of the Danville Police Department to prioritize resources to avoid making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Ohio's medical marijuana laws are intended to provide protection from prosecution to those who use, possess, administer, or cultivate marijuana to mitigate the symptoms of certain chronic or debilitating medical conditions. However, Ohio medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Danville Police Department will exercise discretion to insure laws are appropriately enforced without unreasonably burdening both those individuals protected under Ohio law and the resources of the department.

434.3 INVESTIGATION

Investigations involving the possession, delivery, production, or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim
- (b) Investigations involving a registered patient
- (c) Investigations involving a caretaker

Danville Police Department

Danville Police Department Policy Manual

Medical Marijuana

434.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM

In any investigation involving the possession, delivery, production, or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under state law (ORC § 3780.36). A medicinal claim may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

434.3.2 INVESTIGATIONS INVOLVING A REGISTERED PATIENT

Officers should not arrest or take enforcement action against registered patients who (ORC § 3796.22):

- (a) Obtain, use, or possess a quantity of medical marijuana allowed under OAC § 3796:8-2-04.
- (b) Possess any permissible paraphernalia or accessories associated with medical marijuana.

Patients who do not have a registry identification card in their possession should not be arrested when investigation supports a reasonable belief that the person is a registered patient.

434.3.3 INVESTIGATIONS INVOLVING A CAREGIVER

Officers should not arrest or take enforcement action against registered caregivers who (ORC § 3796.23):

- (a) Obtain or possess a quantity of medical marijuana allowed under OAC § 3796:8-2-04.
- (b) Possess any permissible paraphernalia or accessories associated with medical marijuana.

Caregivers who do not have a registry identification card in their possession should not be arrested when investigation supports a reasonable belief that the person is a registered caregiver.

434.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) The State of Ohio Division of Marijuana Control may enter into reciprocity agreements with other states to allow their medical marijuana patient registration to be recognized in Ohio (ORC § 3796.16).
- (b) Because enforcement of medical marijuana laws can be complex, time-consuming, and can call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at another time.
 - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.

Danville Police Department

Danville Police Department Policy Manual

Medical Marijuana

3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
 4. Any other relevant factors exist, such as limited available department resources and time constraints.
- (c) A person's status as a registered patient or caregiver is not a sufficient basis for conducting a field sobriety test. To conduct any field sobriety test, a law enforcement officer must have an independent, factual basis giving reasonable suspicion that the person was operating a vehicle under the influence of marijuana or with a prohibited concentration of marijuana in the person's whole blood, blood serum, plasma, breath, or urine (ORC § 3796.24).
- (d) Before proceeding with enforcement related to medical marijuana cultivators, processors, laboratories that test medical marijuana, and retail dispensaries, officers should consider conferring with appropriate legal counsel, the Ohio Department of Commerce, and/or the state's medical marijuana regulatory authority.
- (e) Patients and caregivers shall not cultivate medical marijuana or manufacture medical marijuana extract unless specifically licensed to do so (OAC § 3796:7-2-05).

434.3.5 EXCEPTIONS

This policy does not apply to the following offenses. Officers may take enforcement action if the person:

- (a) Operates a vehicle, streetcar, trackless trolley, watercraft, or aircraft while under the influence of medical marijuana (ORC § 3796.22; OAC § 3796:7-2-05).
- (b) Uses, possesses, or administers medical marijuana on federal land or in other prohibited areas (ORC § 3796.24; OAC § 3796:7-2-05).

434.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

434.5 EVIDENCE

434.5.1 MEMBER RESPONSIBILITIES

The investigating member should notify the receiving property room member in writing when marijuana may be the subject of a medical claim.

434.5.2 [PROPERTY ROOM SUPERVISOR RESPONSIBILITIES

The property room supervisor should insure that marijuana, drug paraphernalia, or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed. The property room supervisor is not responsible for caring for live marijuana plants.

Danville Police Department

Danville Police Department Policy Manual

Medical Marijuana

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the property room supervisor should, as soon as practicable, return to the person from whom it was seized any usable marijuana, plants, drug paraphernalia, or other related property.

The property room supervisor should not destroy marijuana that was alleged to be for medical purposes except upon receipt of a court order.

The property room supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Chief of Police or designee.

Body-Worn Cameras

435.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of a body-worn camera (BWC) by members of this department and for the access, use, and retention of department BWC media.

The provisions of this policy, including notice, documentation, access, and retention, also apply to other portable audio/video recording devices used by members, where applicable.

This policy does not apply to undercover operations, wiretaps, or eavesdropping (concealed listening devices).

435.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - To place a BWC in active mode (also called event mode). In active mode, the BWC records both video and audio.

BWC media - The video, audio, and images captured by department BWCs and the associated metadata.

BWC media systems - Any software, including web-based programs and mobile applications, used by the Department to upload/download, store, view, transfer, and otherwise maintain BWC media.

Deactivate - To place a BWC in buffering mode (also called ready or pre-event mode). In buffering mode, the BWC records video (without audio) in short, predetermined intervals that are retained only temporarily. However, when a BWC is activated, the interval recorded immediately prior to activation is then stored as part of the BWC media. Deactivate does not mean powering off the BWC.

Event - A general term referring to a set of circumstances that may, but does not necessarily, correlate directly to a single public safety incident.

435.2 POLICY

It is the policy of the Department to use BWCs and BWC media for evidence collection and to accurately document events in a way that promotes member safety and department accountability and transparency while also protecting the privacy of members of the public.

435.3 RESPONSIBILITIES

435.3.1 BWC COORDINATOR RESPONSIBILITIES

The Chief of Police or the authorized designee should delegate certain responsibilities to a BWC coordinator.

The responsibilities of the coordinator include:

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

- (a) Serving as a liaison between the Department and the BWC manufacturer/distributor and any third-party media storage vendor.
- (b) Developing inventory procedures for issuing and tracking BWC equipment, including properly marking BWCs as property of the Department and recording the date each BWC is placed into or taken out of service.
- (c) Assisting with troubleshooting and maintenance of BWC equipment and media systems and, when necessary, coordinating the repair or replacement of BWCs.
 - 1. All equipment and system malfunctions and their resolutions should be documented, and maintenance and repair records should be maintained for all BWCs.
- (d) Managing BWC media systems so that:
 - 1. Access is limited to the minimum necessary authorized users and user privileges are restricted to those necessary for the member to conduct assigned department duties.
 - 2. Security requirements, such as two-factor authentication and appropriate password parameters, are in place for user credentials.
- (e) Configuring BWC media systems, or developing manual procedures, so that media is appropriately categorized and retained according to the event type tagged by members.
- (f) Retaining audit logs or records of all access, alteration, and deletion of BWC media and media systems, and conducting periodic audits to ensure compliance with applicable laws, regulations, and department policy.
- (g) Developing and updating BWC training for members who are assigned a BWC or given access to BWC media systems.
- (h) Coordinating with the community relations coordinator to (see the Community Relations Policy):
 - 1. Provide the public with notice of the department's use of BWCs (e.g., posting on the department website or social media pages).
 - 2. Gain insight into community expectations regarding BWC use.
- (i) Coordinating with the Chief of Police to (see the Chief's Office and Records Maintenance and Release policies):
 - 1. Determine and apply proper retention periods to BWC media.
 - 2. Develop procedures for the appropriate release of BWC media.
- (j) Coordinating with the XXXXXX to develop procedures for the transfer, storage, and backup of evidentiary BWC media (see the XXXXXX Policy).
- (k) Completing an annual administrative review of the BWC program and providing it to the Chief of Police for review.

Danville Police Department

Body-Worn Cameras

435.3.2 MEMBER RESPONSIBILITIES

Every member issued a BWC is responsible for its proper use, safekeeping, and maintenance.

At the beginning of each shift or period of BWC use, the member should inspect their assigned BWC to confirm it is charged and in good working order. As part of the inspection, the member should perform a function test by activating the BWC and recording a brief video stating their name, identification number, assignment, and the date and time.

Members should wear their assigned BWC on their outermost garment positioned at or near chest level and as close to the center of their body as practicable. Members are responsible for ensuring there are no obstructions and that the BWC remains in a position suitable for recording.

When a BWC is not in the physical possession of the member to which it is assigned, it should be placed on the charging dock and stored in a secure location.

Members shall report any malfunction or damage to the BWC coordinator or on-duty supervisor as soon as practicable and, if possible, obtain a functioning BWC to use either temporarily while repairs are being made to the member's BWC or as a permanent replacement.

435.4 BWC USE

The following guidelines apply to the use of BWCs:

- (a) Only department-issued BWCs should be used. Members are prohibited from using any other BWC without the express consent of the Chief of Police or the authorized designee.
- (b) BWCs should only be used by the member or members to whom it was issued unless otherwise authorized by a supervisor.
- (c) The use of department-issued BWCs shall be strictly limited to department-related activities.
- (d) Members shall not use BWCs or BWC media systems for which they have not received prior authorization and appropriate training.
- (e) Members shall immediately report unauthorized access or use of BWCs or BWC media systems by another member to their supervisor or the Chief of Police.

435.4.1 PROHIBITIONS

BWCs should not be used to record:

- (a) Routine administrative activities of the Department that do not involve interactions with the public. Care should be taken to avoid incidentally recording confidential documents that the Department has a duty to keep secure (i.e., criminal justice information).
- (b) Areas within the department facilities where members have a reasonable expectation of privacy (e.g., locker rooms or dressing areas, breakrooms) unless responding to a call for service or conducting an investigation.
- (c) Conversations of other members without their knowledge.

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

- (d) When a member is taking an authorized break or otherwise engaged in personal activities.
- (e) In a courtroom unless responding to a call for service or emergency situation.
- (f) Interactions with undercover officers or confidential informants.
- (g) Strip searches.

BWCs shall not be used for the purpose of embarrassment, harassment, or ridicule of any individual or group.

435.5 ACTIVATION OF BWC

Members should activate their BWC during all calls for service and the performance of law enforcement-related functions. Members are not required to activate their BWC during casual or informal contacts with members of the public that are not part of or related to law enforcement functions. However, members should activate their BWC any time a contact with an individual becomes hostile or adversarial.

Unless otherwise authorized by this policy or approved by a supervisor, BWCs should remain activated until the call for service or law enforcement-related function has concluded. A member may cease recording if they are simply waiting for a tow truck or a family member to arrive, or in other similar situations.

At no time is a member expected to jeopardize their safety to activate their BWC. However, the BWC should be activated as soon as reasonably practicable in required situations.

If a member attempts to activate their BWC but the BWC fails to record an event, the member should notify their supervisor as soon as practicable.

435.5.1 NOTICE OF RECORDING

Unless otherwise approved based on unique circumstances, a member should wear the BWC in a manner that is conspicuous and shall answer truthfully if asked whether they are equipped with a BWC or if their BWC is activated.

435.5.2 PRIVACY CONSIDERATIONS

Members should remain sensitive to the dignity of individuals being recorded and should exercise sound discretion with respect to privacy concerns.

When responding to a place where individuals have an expectation of privacy (e.g., private residences, medical or mental health facilities, restrooms) or to a sensitive situation (e.g., individuals partially or fully unclothed), members are permitted to mute or deactivate their BWC if it reasonably appears that the privacy concern outweighs any legitimate department interest in recording the event. Members may also mute or deactivate their BWC:

- (a) To protect the privacy of a victim or witness.
- (b) When an individual wishes to provide information anonymously.
- (c) To avoid recording a confidential informant or undercover officer.

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

- (d) When discussing case tactics or strategy.
- (e) During private conversations with other members or emergency responders.

Members should choose to mute rather than deactivate BWCs when practicable. Deactivation should only be used when muting the BWC will not accomplish the level of privacy necessary for the situation.

Before muting or deactivating their BWC, the member should verbally narrate the reason on the recording. As soon as possible once the privacy concern is no longer an issue, or when circumstances change so that the privacy concern no longer outweighs the department's interest in recording the event (e.g., the individual becomes combative, the conversation ends), the member should unmute or reactivate their BWC and verbally note that recording has resumed.

435.5.3 DEACTIVATION OF BWC IN RELATION TO UNCLOTHED MINORS AND IMPAIRED PERSONS

Members should deactivate their BWC when they encounter a minor or impaired person in a state of nudity (ORC § 2907.323).

435.5.4 LIVESTREAMING

Livestreaming enables authorized individuals to remotely view the audio and video captured by a member's BWC in real time. Only supervisors and dispatchers approved by the Chief of Police or the authorized designee shall have access to livestreaming capabilities.

Livestreaming should only be activated:

- (a) For purposes of member safety when the member is not responding to their radio or there is some other indication of distress.
- (b) To assist with situational awareness or tactical decisions during a significant incident.
- (c) When requested by the member.

435.5.5 DOCUMENTATION

Members are encouraged to provide narration while using a BWC when it would be useful to provide context or clarification of the events being recorded. However, the use of a BWC is not a replacement for written reports and should not be referred to in a written report in place of detailing the event.

Every report prepared by a member who is issued a BWC should state "BWC available" or "BWC unavailable," as applicable, and should document:

- (a) To the extent practicable and relevant, the identity of individuals appearing in the BWC media.
- (b) An explanation of why BWC media is unavailable including any malfunction, damage, or battery issue that resulted in the failure of the BWC to capture all or part of the event.
- (c) Any exigency or other circumstances that prevented the member from immediately activating the recording at the beginning of the event.

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

- (d) Any period of the event in which the member deactivated or muted their BWC and the reason for such action.
- (e) If livestreaming was activated during the event, the reason for livestreaming and the members who communicated or participated in the event through BWC livestreaming.

435.6 UPLOADING BWC MEDIA

Unless otherwise authorized by a supervisor, all media from a member's BWC should be properly uploaded and tagged before the end of their shift. BWC media related to a serious or high-profile event (e.g., search for a missing child, active shooter situation) should be uploaded and tagged as soon as practicable upon returning to the Department.

Following an officer involved shooting or death or other event deemed necessary, a supervisor should take possession of the BWC for each member present and upload and tag the BWC media.

435.6.1 TAGGING BWC MEDIA

Members should tag all media captured by their BWC with their name and/or identification number, the case or incident number, and the event type. BWC media should be tagged upon uploading or, if capabilities permit tagging in the field, as close to the time of the event as possible. If more than one event type applies to BWC media, it should be tagged with each event type. If BWC media can only be tagged with a single event type, the media should be tagged using the event type with the longest retention period.

BWC media depicting sensitive circumstances or events should be tagged as restricted. BWC media should be flagged for supervisor review when it pertains to a significant event such as:

- (a) An incident that is the basis of a formal or informal complaint or is likely to result in a complaint.
- (b) When a member has sustained a serious injury or a line-of-duty death has occurred.
- (c) When a firearm discharge or use of force incident has occurred.
- (d) An event that has attracted or is likely to attract significant media attention.

Supervisors should conduct audits at regular intervals to confirm BWC media is being properly uploaded and tagged by their subordinates.

435.7 BWC MEDIA

All BWC media is the sole property of the Department. Members shall have no expectation of privacy or ownership interest in the content of BWC media.

All BWC media shall be stored and transferred in a manner that is physically and digitally secure with appropriate safeguards to prevent unauthorized modification, use, release, or transfer. Contracts with any third-party vendors for the storage of BWC media should include provisions specifying that all BWC media remains the property of the Department and shall not be used by the vendor for any purpose without explicit approval of the Chief of Police or the authorized designee.

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

Members shall not alter, copy, delete, release, or permit access to BWC media other than as permitted in this policy without the express consent of the Chief of Police or the authorized designee.

BWC media systems should not be accessed using personal devices unless authorized by the Chief of Police or the authorized designee.

435.7.1 ACCESS AND USE OF BWC MEDIA

BWC media systems shall only be accessed by authorized members using the member's own login credentials and in accordance with the Information Technology Use Policy.

BWC media shall only be accessed and viewed for legitimate department-related purposes in accordance with the following guidelines:

- (a) BWC media tagged as restricted should only be accessible by those designated by the Chief of Police or the authorized designee.
- (b) Members may review their own BWC media for department-related purposes. Members should document in their report if they reviewed BWC media before completing the report.
- (c) Investigators may review BWC media pertaining to their assigned cases.
- (d) A member testifying regarding a department-related event may review the pertinent BWC media before testifying.
- (e) Supervisors are permitted to access and view BWC media of their subordinates.
 - 1. Supervisors should review BWC media that is tagged as a significant event or that the supervisor is aware pertains to a significant event.
 - 2. Supervisors should conduct documented reviews of their subordinate's BWC media at least annually to evaluate the member's performance, verify compliance with department procedures, and determine the need for additional training. The review should include a variety of event types when possible. Supervisors should review BWC media with the recording member when it would be beneficial to provide guidance or to conduct one-on-one informal training for the member.
 - 3. Supervisors should conduct periodic reviews of a sample of each subordinate's BWC media to evaluate BWC use and ensure compliance with this policy.
- (f) The Training Sergeant is permitted to access and view BWC media for training purposes.
 - 1. The Training Sergeant should conduct a quarterly review of a random sampling of BWC media to evaluate department performance and effectiveness and to identify specific areas where additional training or changes to protocols would be beneficial. Training Committee members may review BWC media as part of their review to identify training needs.
 - 2. The Training Sergeant may use BWC media for training purposes with the approval of the Chief of Police or the authorized designee. The Training

Danville Police Department Policy Manual

Body-Worn Cameras

Sergeant should use caution to avoid embarrassing or singling out a member and, to the extent practicable, should seek consent from the members appearing in the BWC media before its use for training. When practicable, sensitive issues depicted in BWC media should be redacted before being used for training.

- (g) The Chief of Police may access BWC media when necessary to conduct department-related duties.
- (h) The BWC coordinator may access BWC media and the BWC media system as needed to ensure the system is functioning properly, provide troubleshooting assistance, conduct audits, and fulfill other responsibilities related to their role.

435.7.2 PUBLIC ACCESS

Unless disclosure is required by law or a court order, BWC media should not be released to the public if it unreasonably violates a person's privacy or sense of dignity or depicts the interior of:

- (a) A private residence.
- (b) A facility that offers health care, mental health or substance abuse treatment, or social services.
- (c) A school building.
- (d) Any other building in which public access is restricted or which implicates heightened security concerns.

Requests for the release of BWC media shall be processed in accordance with the Records Maintenance and Release Policy. The Chief of Police should review BWC media before public release.

435.8 RETENTION OF BWC MEDIA

Non-evidentiary BWC media should be retained in accordance with state records retention laws.

Unless circumstances justify continued retention, BWC media should be permanently deleted upon the expiration of the retention period in a way that it cannot be retrieved. BWC media shall not otherwise be deleted by any person without the authorization of the Chief of Police or the authorized designee.

435.8.1 EVIDENTIARY BWC MEDIA

BWC media relevant to a criminal prosecution should be exported from the BWC media system and securely transferred to digital evidence storage according to established department procedures. Evidentiary BWC media is subject to the same laws, policies, and procedures as all other evidence, including chain of custody, accessibility, and retention periods (see the XXXXXX Policy).

435.9 TRAINING

The BWC coordinator should ensure that each member issued a BWC receives initial training before use, and periodic refresher training thereafter. Training should include:

- (a) Proper use of the BWC device and accessories.

Danville Police Department

Danville Police Department Policy Manual

Body-Worn Cameras

- (b) When BWC activation is required, permitted, and prohibited.
- (c) How to respond to an individual's request to stop recording.
- (d) Proper use of the BWC media systems, including uploading and tagging procedures.
- (e) Security procedures for BWC media, including appropriate access and use.

Members who are not issued a BWC but who have access to BWC media systems shall receive training on the BWC media system, including appropriate access, use, and security procedures.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The goal of traffic law enforcement is to reduce traffic collisions and improve the safety and quality of life for the community through traffic law compliance. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on collision data, enforcement activity records, traffic volume and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in collision situations but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Danville Police Department. Information provided by the Ohio Traffic Safety Office (OTSO) is a valuable resource for traffic collision occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of traffic laws and address collision-causing violations during those periods and at those locations where the incidence of collisions is increased. As a matter of routine, all officers will take directed enforcement action on request, and random enforcement action when appropriate, against violators. All officers shall maintain high visibility while working general enforcement, especially at high-collision incidence locations.

Other factors to be considered for deployment are citizen requests, construction zones, school zones or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance. The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

Danville Police Department

Danville Police Department Policy Manual

Traffic Function and Responsibility

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and may be substituted for arrests or citations when circumstances warrant.

500.3.2 TRAFFIC CITATIONS

Traffic citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation (ORC § 2935.27). Officers should provide the following information at minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure, including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
- (d) The court contact information.
- (e) The person's driver license will be suspended for failure to comply with the directions on the citation.
- (f) For drivers issued a citation related to use of a cellphone or other device while driving in violation of ORC § 4511.204, notice that the driver may decline a search of the cellphone or device.

500.3.3 TRAFFIC CITATION COURT JURISDICTION

An officer who issues a traffic citation shall ensure that the citation is properly directed to the court having jurisdiction over the violation within the county in which the offense charged is alleged to have been committed (Ohio Traf. R. Rule 3(E)(1)).

500.3.4 REFUSAL TO SIGN TRAFFIC CITATION OR PROVIDE SATISFACTORY IDENTIFICATION

A person who refuses to sign a traffic citation or provide satisfactory identification, and thereby declines to make a written promise to appear in court, may immediately be taken before a magistrate (ORC § 2935.26(A)(2); ORC § 2935.26(A)(3)). When reasonable under the circumstances, a supervisor may be requested to assist with resolution of the incident prior to resorting to an arrest.

500.4 SUSPENDED OR REVOKED DRIVER LICENSE

If an officer contacts a traffic violator for driving on a suspended, revoked, or restricted license and the violation is not an unclassified misdemeanor, the officer shall, without a warrant, arrest the violator (ORC § 2935.03; ORC § 4510.11; ORC § 4510.14).

In addition, if the violator is arrested for driving under an operating a vehicle under the influence (OVI) suspension, the officer shall seize the vehicle and its license plates if the vehicle is registered in the arrested person's name (ORC § 4510.41(B)(1)). At the time of the seizure, the arresting officer shall notify the arrestee, in writing, of the following:

- (a) The vehicle and its license plates are being seized.

Danville Police Department

Danville Police Department Policy Manual

Traffic Function and Responsibility

- (b) The vehicle will either be kept by the Department or will be immobilized at least until the person's initial court appearance.
- (c) The court may order that the vehicle and license plates be released to the arrested person until the disposition of the charge.
- (d) If the arrestee is convicted, the court generally must order the immobilization of the vehicle and the impoundment of its license plates or the forfeiture of the vehicle.
- (e) The arrestee may be charged expenses or charges.

The arresting officer shall ensure that the Bureau of Motor Vehicles (BMV) Form 2255 is completed as required and that written notice of the seizure is forwarded to the court of initial jurisdiction (ORC § 4510.41(B)(2)).

500.5 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.5.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, collision investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used anytime a plainclothes officer might benefit from being readily identified as an officer.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained in the designated storage area of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored in such a manner as to protect and maintain the vest in a serviceable condition. Before going into service, each employee shall ensure a serviceable high-visibility vest is properly stored.

Additional high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

Traffic Collision Response and Reporting

501.1 PURPOSE AND SCOPE

The public safety responsibilities of law enforcement include responding to traffic collisions, providing aid and assistance, documentation of the incident and identification of criminal activity. The Danville Police Department prepares traffic collision reports in compliance with ORC § 5502.11 and OAC § 4501-31-01(A). As a public service the Danville Police Department shall make traffic collision reports available to the public (ORC § 5502.12).

501.2 CALL RESPONSE

Officers should respond without delay when dispatched to a traffic collision. A traffic collision with injuries reported may include an emergency response if the officer reasonably believes such a response is appropriate.

501.2.1 RESPONSE CONSIDERATIONS

An officer responding to and upon arrival at a collision, should consider the following:

- (a) The most appropriate route to the incident.
- (b) Proper placement of the emergency vehicle to provide protection for officers and the scene.
- (c) Potential for involvement of hazardous materials.
- (d) Additional support that may be necessary (e.g., traffic control, medical aid, HAZMAT, ambulance, tow vehicles and airship landing).
- (e) Provide first aid to any injured parties if it can be done safely, and obtain medical assistance as necessary.
- (f) Provision of traffic control and protection of the scene.
- (g) Clearance of the roadway.

501.3 COLLISION INVESTIGATION

Investigation of traffic collisions should include, at minimum, the following:

- (a) Identification and interview of all involved parties.
- (b) Identification and interview of any witnesses.
- (c) Determination if any crime has occurred and taking appropriate enforcement action.
- (d) Identification and protection of items of apparent evidentiary value.
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on appropriate report forms.

Danville Police Department

Danville Police Department Policy Manual

Traffic Collision Response and Reporting

501.4 TAKING ENFORCEMENT ACTION

Officers typically cannot make an arrest for a misdemeanor that did not occur in their presence. After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of Ohio law led to the collision, officers should issue a traffic citation or a misdemeanor citation to the offending driver.

Incidents involving more serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter or other felonies, shall be enforced immediately. If a driver subject to enforcement is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

501.5 TRAFFIC COLLISION REPORTING

ORC 4501-31-01

Pursuant to section 5502.11 of the Ohio Revised Code, every law enforcement agency representing a township, county, municipal corporation, or other political subdivision investigating a motor vehicle accident shall within five days forward a report of such accident to the director of public safety on the "Ohio traffic crash report" form number "OH-1"

501.5.1 OFFICER RESPONSIBILITIES

Department members shall utilize the Ohio traffic crash report prepared by the Ohio Department of Public Safety as required for the reporting of traffic collisions (OAC § 4501-31-01(A)). All traffic collision reports taken by members of this department shall be forwarded to the Chief of Police for approval and data entry into the records management system.

501.5.2 THE CHIEF OF POLICE OR AUTHORIZED DESIGNEE'S RESPONSIBILITIES

The Chief of Police or authorized designee will be responsible for:

- (a) Monthly and quarterly reports on traffic collision statistics, to be compiled.
- (b) Forwarding all traffic accident reports involving a fatality, personal injury or property damage greater than \$1,000 to the Department of Public Safety within five days of the investigation (ORC § 5502.11 and OAC § 4501-31-01).
- (c) Upon the request of an owner whose real property received damage caused by the operation of a motor vehicle, providing the names of persons charged with any offense related to the damage as soon as possible after the persons are charged with the offense (ORC § 2935.28).

501.6 REPORTING SITUATIONS

All traffic crash reports involving a fatality, personal injury or property damage greater than \$1,000 are to be reported to the Ohio Department of Public Safety within 5 days of the investigation.

501.6.1 TRAFFIC COLLISIONS INVOLVING VILLAGE VEHICLES

Traffic collision investigation reports shall be taken when a Village-owned vehicle is involved in a traffic collision on a roadway or highway wherein any damage or injury results. A general

Danville Police Department

Danville Police Department Policy Manual

Traffic Collision Response and Reporting

information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a Village vehicle, a vehicle damage report shall be completed and forwarded to the Chief of Police.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

501.6.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this department, either on-or off-duty, is involved in a traffic collision within the jurisdiction of the Danville Police Department and it results in a serious injury or fatality, the Shift Supervisor should request the Ohio State Highway Patrol or other outside agency respond to complete an investigation and report. The Shift Supervisor is to then notify the Chief of Police or authorized designee as soon as possible of the incident.

The term serious injury is defined as any injury that may result in a fatality.

501.6.3 TRAFFIC COLLISIONS WITH OTHER VILLAGE EMPLOYEES OR OFFICIALS

The Shift Supervisor may request assistance from the Ohio State Highway Patrol or other outside agency for the investigation of any traffic collision involving any Village official or employee where a serious injury or fatality has occurred.

501.6.4 TRAFFIC COLLISIONS INVOLVING DEER KILLED BY MOTOR VEHICLE

A traffic collision involving the death of a deer entitles the driver of the motor vehicle to take possession of the deer provided that (ORC § 1533.121):

- (a) Within 24 hours of the collision, the driver reports the accident to law enforcement.
- (b) Law enforcement inspects the carcass to determine the injuries are consistent with a motor vehicle accident.
- (c) Upon confirmation that the death has been caused as alleged, a certificate for legal ownership of the deer shall be issued to the driver by the law enforcement agency receiving the report.
- (d) If the deer is unclaimed, the certificate for legal ownership may be given to a private or public institution, charity or to another person.

501.6.5 TRAFFIC COLLISIONS INVOLVING INJURED ANIMALS

Department members shall refer to the Animal Control Procedures Policy when a traffic collision involves disposition of an injured animal.

501.7 NOTIFICATION OF SHIFT SUPERVISOR

In the event of a serious injury or death-related traffic collision, the Shift Supervisor shall be notified who must notify the Lieutenant to relate the circumstances of the traffic collision and seek assistance from the Lieutenant. In the absence of a Lieutenant, the Shift Supervisor is to contact the Chief of Police or authorized designee.

Vehicle Towing and Release Policy

502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Danville Police Department and under the authority of ORC § 4510.41, ORC § 4511.67, ORC § 4513.60 and ORC § 4513.61 or other applicable municipal ordinance.

502.2 RESPONSIBILITIES

The responsibilities of department members storing or impounding a vehicle are as follows:

[See attachment: List of reasons a vehicle can legally be Towed.pdf](#)

502.2.1 COMPLETION OF VEHICLE IMPOUND AND INVENTORY REPORT

Department members requesting storage of a vehicle shall complete a Vehicle Impound/Storage Report including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Chief's Office as soon as practicable after the vehicle is stored.

Chief's Office personnel shall search Ohio Bureau of Motor Vehicles records within five business days of the tow to identify the owner and any lien holder of a motor vehicle ordered into storage. Chief's Office personnel shall send a notice to the owner and any lien holder that the motor vehicle will be declared a nuisance and disposed of if not claimed within 10 days of the date of mailing of the notice (ORC § 4513.61).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or for information should inquiries be made. The Chief of Police shall ensure that records are maintained of motor vehicles towed and/or disposed of by this department, as required by Ohio law (ORC § 4513.60; ORC § 4513.61).

502.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if reasonably possible, and shall relay the request for the specified towing company to the Dispatch Center. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Dispatch Center.

If the owner is incapacitated or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call a company selected from the rotational list of towing companies. The officer will then conduct an inventory and store the vehicle using a Vehicle Impound/Storage Report.

502.2.3 DRIVING A NON-TOWN VEHICLE

Vehicles that have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant, or to comply with posted signs.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Towing and Release Policy

502.2.4 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the officer shall request dispatcher promptly telephone the specified towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the next firm is called.

502.3 TOWING SERVICES

The Village of Danville may periodically select one or more firms to act as official tow services and award contracts to those firms. If this has been done, those firms will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is seized pursuant to a violation of ORC § 4511.195 or ORC § 4511.203.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

If more than one firm has been awarded contracts, they shall be placed on a rotation list. Nothing in this policy shall require the Department to tow a vehicle.

502.4 TOWING AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by towing the arrestee's vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, a vehicle shall be towed if it would present a traffic hazard or if it would be in jeopardy of theft or damage if left at the scene in a high-crime area.

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest
- Situations where the vehicle was not used to further the offense for which the occupant was arrested or is not subject to forfeiture proceedings
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene

Danville Police Department

Danville Police Department Policy Manual

Vehicle Towing and Release Policy

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.

502.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in police custody, to provide for the safety of officers and the public, and to protect the Department against fraudulent claims of lost, stolen or damaged property.

If the apparent potential for damage to a locked container reasonably appears to outweigh the protection of the items inside other options to consider regarding locked containers include, but are not limited to, obtaining access to the locked container from the owner, placing the locked container into safe keeping or obtaining a written waiver of responsibility for the contents of the locked container.

502.6 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, an officer should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property.

Vehicle Impound Hearings

503.1 PURPOSE AND SCOPE

This policy establishes a procedure to provide vehicle storage or impound hearings when authorized by the Village to impound vehicles (ORC § 4521.02(B)).

503.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Department a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent to determine if probable cause existed for the removal and placement of the vehicle.

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle.

503.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone, within 10 days of the date appearing on the notice. The Chief of Police or authorized designee will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing.

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a mediation or reduction of the period the vehicle is impounded.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer may make reasonable adjustments to the impound period, storage or assessment fees as warranted.

Danville Police Department

Danville Police Department Policy Manual

Vehicle Impound Hearings

- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be at the Department's expense.
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid by vehicle owner or his/her agent, the receipt for such fees may be forwarded to the Chief of Police. Either the Chief of Police or authorized designee then shall recommend that the fees paid by the registered or legal owner of the vehicle in question or the owner's agent be reimbursed by the Village.

Impaired Driving

504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of operating a vehicle under the influence of alcohol or drugs (OVI).

504.2 POLICY

The Danville Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Ohio's impaired driving laws.

504.3 INVESTIGATIONS

Officers should not enforce OVI laws to the exclusion of their other duties unless specifically assigned to OVI enforcement. All officers are expected to enforce these laws with due diligence.

The Lieutenant or authorized designee will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any OVI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Ohio or another jurisdiction.

504.4 FIELD TESTS

The Lieutenant or authorized designee should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of OVI laws.

504.5 CHEMICAL TESTS

A person implies consent under Ohio law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (ORC § 4511.191):

- (a) The arresting officer has reasonable grounds to believe the person was operating or in physical control of a motor vehicle while under the influence of alcohol, a drug or a combination of the two.

Danville Police Department

Danville Police Department Policy Manual

Impaired Driving

- (b) An officer has arrested a person under the age of 21 and has reasonable grounds to believe the person was OVI (ORC § 4511.19(B)).
- (c) The person has been arrested for a substantially equivalent municipal OVI ordinance.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious) the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

504.5.1 BREATH SAMPLES

The Lieutenant or authorized designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Lieutenant or authorized designee.

504.5.2 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (ORC § 4511.19(D) (1)(b)). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

504.5.3 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

Danville Police Department

Danville Police Department Policy Manual

Impaired Driving

504.5.4 STATUTORY NOTIFICATIONS

An officer arresting a person for OVI shall, prior to requesting that the person submit to a chemical test, read from a written form the mandatory statutory advice provided by ORC § 4511.192(B). The reading of the advice shall be witnessed by one or more persons and the witness shall certify to this fact by signing the form (ORC § 4511.192(A)).

If the arrestee has a previous conviction for OVI as described in ORC § 4511.191, the officer (ORC § 4511.191(A)(5)):

- (a) Shall request the person to submit to a chemical test.
- (b) Is not required to advise the person of the consequences of submitting or refusing to submit to a chemical test.
- (c) Is not required to provide the person with the written form described in this policy.
- (d) Shall advise the person that the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test.
- (e) At the time of arrest, shall advise the person that he/she may have an independent chemical test taken at his/her own expense and permit such testing (ORC § 4511.19(D)(3)).

If an officer does not ask the arrestee to submit to a chemical test, the officer shall seize the person's driver license and forward it to the court in which the person is to appear, pursuant to ORC § 4511.192(C). If the person is not in possession of his/her license, the officer shall order the person to submit it to this department within 24 hours of the arrest.

504.6 REFUSALS

When an arrestee refuses to provide a chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (ORC § 4511.191).
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

504.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of license suspension upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person. If a person was arrested only for having physical control of a vehicle while under the influence pursuant to ORC § 4511.194, the officer shall not seize the person's driver license if the person submits to the chemical tests, regardless of the amount of alcohol or controlled substances indicated by the test (ORC § 4511.192(D)).

504.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses to submit to a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained.

Danville Police Department

Danville Police Department Policy Manual

Impaired Driving

- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

504.6.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the person to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances.
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

504.7 ARREST AND INVESTIGATION

See ORC 4511.19

Danville Police Department

Danville Police Department Policy Manual

Impaired Driving

504.7.1 DESIGNATION OF CHEMICAL TESTS

The type of chemical test to be administered to persons in violation of OVI laws shall be the type designated by the Department and administered at the direction of the arresting officer (ORC § 4511.191(A)(3)).

504.7.2 TIME TO CONSENT TO TEST

If an officer requests that a person consent to providing a chemical sample pursuant to Ohio law, failure to consent to the test within two hours of the alleged violation automatically constitutes a refusal (ORC § 4511.192(A)).

504.7.3 OFFICER RESPONSIBILITIES

If a person refuses to submit to a chemical test, or submits to the test and the results indicate a prohibited concentration of alcohol, controlled substance or metabolite of a controlled substance, the officer shall (ORC § 4511.192(D)):

- (a) Confirm the arrested person's residence and notify the Bureau of Motor Vehicles (BMV) of any change.
- (b) Within 48 hours, forward a sworn report to the BMV and the court in which the arrested person will appear that contains the statements required by ORC § 4511.192(D)(1)(d).
- (c) Provide a copy of the officer's sworn report to the arrested person, if available. A copy of an unsworn report may be provided to the arrested person provided that the report is complete when given to the person and that it is subsequently sworn to by the arresting officer (ORC § 4511.192(E)).

504.7.4 VEHICLE SEIZURE

An officer arresting a person for OVI shall seize the vehicle the person was operating at the time of the offense if the person is the registered owner of the vehicle and either of the following conditions apply (ORC § 4511.195(B)):

Mandatory notifications requirements are addressed in the Child Abuse and Adult or Vulnerable Person Abuse policies.

601.1.1 DEFINITIONS

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

601.2 POLICY

It is the policy of the Danville Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations (ORC § 2907.30).

601.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The shift supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

601.6 TRAINING

Subject to available resources, periodic training will be provided to:

- (a) Members who are first responders. This includes but is not limited to:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.

 - 6. Techniques for communicating with victims to minimize trauma (ORC § 2907.30).

601.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to the Dispatch Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the

Danville Police Department

Sexual Assault Investigations

circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator (ORC § 2907.30).

No opinions of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; ORC § 2907.10).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

601.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault. If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

Members investigating sexual assaults or handling related evidence are required to do the following:

Danville Police Department Policy Manual

Sexual Assault Investigations

Additional guidance regarding evidence retention and destruction is found in the XXXXXX Policy.

601.8.2 DNA TEST RESULTS

Members investigating sexual assault cases should notify victims of any DNA test results as soon as reasonably practicable.

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

601.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Chief of Police or authorized designee.

Classification of a sexual assault case as unfounded requires the Chief of Police or authorized designee to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

601.10 CASE REVIEW

The Lieutenant or authorized designee should ensure cases are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- (a) Case dispositions.
- (b) Decisions to collect biological evidence.
- (c) Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

601.11 STATE REPORTING REQUIREMENTS

The Investigation Chief of Police or the authorized designee shall develop procedures to provide for collecting and reporting data related to sexual assault evidence kits to the attorney general as required by ORC § 2933.821.

Asset Forfeiture

602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Danville Police Department seizes property for forfeiture or when the Danville Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and acting as the liaison between the Department and the assigned attorney.

Property subject to forfeiture - Includes the following (ORC § 2981.02; ORC § 2981.04; ORC § 2981.05):

- (a) Contraband involved in an offense.
- (b) Proceeds derived from or acquired through the commission of an offense.
- (c) An instrumentality that is used in, or intended to be used in, the commission or facilitation of any of the following offenses:
 - 1. A felony.
 - 2. A misdemeanor, when forfeiture is specifically authorized by a section of the Ohio Revised Code, or by a municipal ordinance that creates the offense or sets forth its penalties.
 - 3. An attempt to commit, complicity in committing or a conspiracy to commit either of the above.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

602.2 POLICY

The Danville Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

Danville Police Department

Danville Police Department Policy Manual

Asset Forfeiture

It is the policy of the Danville Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

602.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

602.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property subject to forfeiture identified in a search warrant or court order.
- (b) Property subject to forfeiture that is not the subject of a court order but for which an officer has probable cause to believe qualifies as property subject to forfeiture (ORC § 2981.03).

Whenever practicable, obtaining a search warrant or court order for seizure prior to making a seizure is the preferred method. Real property shall only be seized by court order unless an immediate need to protect the public exists (ORC § 2981.03).

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

602.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Property that reasonably appears to the officer to have a value disproportionate to the severity of the crime considering the impact of the offense on the community, the extent to which the owners participated in the offense and whether the offense was completed or attempted (ORC § 2981.09).

When deciding to seize property as an alleged instrumentality of a crime under ORC Chapter 2981.02, officers should consider:

- Whether the offense could not have been committed or attempted but for the presence of the property.
- Whether the primary purpose in using the property was to commit or attempt to commit the offense, and
- The extent to which the property furthered the offense.

602.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

Danville Police Department

Danville Police Department Policy Manual

Asset Forfeiture

- (a) Complete the applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

602.5 MAINTAINING SEIZED PROPERTY

The Lieutenant or authorized designee is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine if the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used by the Department unless the forfeiture action has been completed.

602.6 FORFEITURE REVIEWER

The Chief of Police will appoint a forfeiture reviewer. Prior to assuming duties or as soon as practicable thereafter, the forfeiture reviewer should attend a course approved by the Department on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly ORC § 2981.01 et seq., ORC § 2923.32 and ORC § 2925.42, and the forfeiture policies of the forfeiture counsel.

Danville Police Department

Danville Police Department Policy Manual

Asset Forfeiture

- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.
- (d) Reviewing each seizure-related case and deciding whether the seizure is more appropriately made under state or federal seizure laws. The forfeiture reviewer should contact federal authorities when appropriate.
 - 1. Restrictions on transfers or referrals exist unless property exceeds \$100,000 or relates to a federal criminal forfeiture proceedings (ORC § 2981.14).
- (e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.
- (f) Ensuring that seizure forms are available and appropriate for department use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to officers. The forms should be available in languages appropriate for the region and should contain spaces for:
 - 1. Names and contact information for all relevant persons and law enforcement officers involved.
 - 2. Information as to how ownership or other property interests may have been determined (e.g., verbal claims of ownership, titles, public records).
 - 3. A space for the signature of the person from whom cash or property is being seized.
 - 4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized.
- (g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Special Orders. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
 - 1. Written documentation of the seizure and the items seized is in the case file.
 - 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.

Asset Forfeiture

3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (ORC § 2981.03; ORC § 2981.11).
 4. Property is promptly released to those entitled to its return.
 5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
 6. Any cash received is deposited with the fiscal agent.
 7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.
 8. Current minimum forfeiture thresholds are communicated appropriately to officers.
 9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.
- (i) Ensuring that a written plan is available that enables the Chief of Police to address any extended absence of the forfeiture reviewer, thereby ensuring that contact information for other law enforcement officers and attorneys who may assist in these matters is available.
 - (j) Ensuring that the Department disposes of property as provided by law following any forfeiture.
 - (k) Ensuring that the process of selling or adding forfeited property to the department's regular inventory is in accordance with all applicable laws and consistent with the department's use and disposition of similar property.
 - (l) Upon completion of any forfeiture process, ensuring that no property is retained by the Danville Police Department unless the Chief of Police authorizes in writing the retention of the property for official use.

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and Town financial directives (ORC § 2981.11).

602.7 DISPOSITION OF FORFEITED PROPERTY

Assets forfeited shall be disposed of as set forth in ORC § 2981.12 and ORC § 2981.13.

No member of this department may use property that has been seized for forfeiture until the forfeiture action has been completed and the Chief of Police has given written authorization to retain the property for official use. No department member involved in the decision to seize property should be involved in any decision regarding the disposition of the property.

602.8 RECORDS REQUIREMENTS

Detailed records related to the amount of forfeited property acquired by the Department under ORC Chapter 2981 and the date the property was acquired shall be kept and open to public inspection (ORC § 2981.11).

Informants

603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Danville Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Danville Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

603.2 POLICY

The Danville Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

603.3 USE OF INFORMANTS

Use of informants must be done in such a discreet manner as to protect the integrity of the investigation and help assure the safety and identity of the informant.

603.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

603.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

Danville Police Department

Informants

603.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

603.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police and the Lieutenant or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Danville Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
 - 1. Members shall not become intimately involved with an informant.
 - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Chief of Police or Lieutenant or their authorized designees.
 - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Chief of Police or Lieutenant or their authorized designees.
 - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the Lieutenant or authorized designee, who will initiate a review to determine

Danville Police Department

Danville Police Department Policy Manual

Informants

suitability. Until a determination has been made by the Lieutenant or authorized designee, the informant should not be used by any member. The Lieutenant or authorized designee shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The Lieutenant or authorized designee shall document the decision and conditions in file notes and mark the file “unsuitable” when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

603.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the police department. The Lieutenant or authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police and Lieutenant.

The Chief of Police should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Lieutenant is replaced, the files will be audited before the new Lieutenant takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

603.5.1 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

Danville Police Department

Danville Police Department Policy Manual

Informants

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
 - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

603.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Lieutenant or authorized designee will discuss the above factors with the Chief of Police and recommend the type and level of payment subject to approval by the Chief of Police.

603.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Patrol buy/expense fund.
 - 1. The Chief of Police or Lieutenant shall sign the voucher for cash payouts from the buy/expense fund.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.

Danville Police Department

Danville Police Department Policy Manual

Informants

1. The check shall list the case numbers related to and supporting the payment.
 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.

 - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
 2. The cash transfer form shall be signed by the informant.
 3. The cash transfer form will be kept in the informant's file.

603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

603.6.3 AUDIT OF PAYMENTS

The Chief of Police or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (ORC § 2933.83).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect. OHLEG is a source available to be used in generating photographic lineups.

604.2 POLICY

The Danville Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Department members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Patrol supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (ORC § 2933.83):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Danville Police Department
Danville Police Department Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
 - 1. If applicable, the member shall advise the witness that the member does not know who the suspect is.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures, instructions and any results.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any witness identification of one or more fillers in the lineup.
- (l) Other process direction adopted by the Ohio Attorney General under ORC § 2933.831.

The process and related forms should be reviewed at least annually and modified when necessary.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures (ORC § 2933.83).

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

Danville Police Department

Danville Police Department Policy Manual

Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.7 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

When practicable, the department member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup (ORC § 2933.83)

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

604.8 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.

Danville Police Department

Danville Police Department Policy Manual

Eyewitness Identification

- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show up, rather than bring the subject of the show up to the witness.
- (e) A subject of the show up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show up one at a time.
- (g) The person who is the subject of the show up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of a show up as the perpetrator, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information - Information known or possessed by the Danville Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Danville Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Danville Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

605.4 DISCLOSURE OF PERSONNEL INFORMATION

If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and/or internal affairs file of the

Danville Police Department

Danville Police Department Policy Manual

Brady Material Disclosure

officer to determine whether they contain *Brady* information. If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in-camera review by the court.
 - 1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection and address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 - 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in a member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Chief of Police should periodically examine the personnel files and/or internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain *Brady* information. The obligation to provide *Brady* information is ongoing. If any new *Brady* information is identified, the prosecuting attorney should be notified.

605.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Department personnel should receive periodic training on the requirements of this policy.

Unmanned Aerial System

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned aerial system (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means.

606.2 POLICY

Unmanned aerial systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

606.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocols for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

Danville Police Department

Danville Police Department Policy Manual

Unmanned Aerial System

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocols for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing operational protocols governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.

606.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

606.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

Danville Police Department

Danville Police Department Policy Manual

Unmanned Aerial System

- To target a person based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

606.7 RETENTION OF UAS DATA

Data collected by the UAS shall be retained as provided in the established records retention schedule.

Warrant Service

607.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

607.2 POLICY

It is the policy of the Danville Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

607.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

607.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

607.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

Danville Police Department

Danville Police Department Policy Manual

Warrant Service

607.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the *Brady* Material Disclosure Policy).

607.7 HIGH-RISK WARRANT SERVICE

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.

Danville Police Department

Danville Police Department Policy Manual

Warrant Service

- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

607.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

607.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

607.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including

Danville Police Department

Danville Police Department Policy Manual

Warrant Service

the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Danville Police Department are utilized appropriately. Any concerns regarding the requested use of Danville Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the operations director designee or shift supervisor should assume this role.

If officers intend to serve a warrant outside Danville Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Danville Police Department when assisting outside agencies or serving a warrant outside Danville Police Department jurisdiction.

607.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

607.12 TRAINING

The Training Officer should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Operations Planning and Deconfliction

608.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

608.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

608.2 POLICY

It is the policy of the Danville Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

608.3 OPERATIONS DIRECTOR

The Chief of Police will designate the Lieutenant of this department to be the operations director. The Lieutenant may designate any member of lesser rank as assistant to the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

608.4 RISK ASSESSMENT

Risk assessment is the responsibility of the operations director.

608.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

Danville Police Department

Danville Police Department Policy Manual

Operations Planning and Deconfliction

The officer should gather available information that includes, but is not limited to:

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

608.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

608.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. Special Response Team (SRT)
 - 2. Additional personnel
 - 3. Outside agency assistance
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation

Danville Police Department

Operations Planning and Deconfliction

7. Additional surveillance
 8. Canines
 9. Supervisors or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
 - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
 - (d) Coordinate the actual operation.

608.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

608.6 OPERATIONS PLAN

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

Danville Police Department

- availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams and other visual aids
- 3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
- 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
 - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
 - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
 - 2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals and other people who might be at the location in accordance with the Child Abuse, Adult or Vulnerable Person Abuse, Child and Dependent Adult Safety and Animal Control Procedures policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

608.6.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

608.7 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

Danville Police Department

Danville Police Department Policy Manual

Operations Planning and Deconfliction

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
 - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the operations director to ensure that the Dispatch Center is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by the Dispatch Center, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

608.8 SRT PARTICIPATION

If the operations director determines that SRT participation is appropriate, the director and the SRT supervisor shall work together to develop a written plan. The SRT supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SRT supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

608.9 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

608.10 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SRT debriefing.

Danville Police Department

Danville Police Department Policy Manual

Operations Planning and Deconfliction

608.11 TRAINING

The Training Officer should ensure officers and SRT team members who participate in operations subject to this policy should receive periodic training including, but not limited to, topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

Forensic Genetic Genealogy

610.1 PURPOSE AND SCOPE

This policy provides guidance for the use of forensic genetic genealogy (FGG) to generate investigative leads.

610.1.1 DEFINITIONS

Definitions related to this policy include:

Combined DNA Index System (CODIS) - An FBI computer software program that operates deoxyribonucleic acid (DNA) profile databases for law enforcement use.

DNA typing laboratory - A laboratory that analyzes biological samples, including extracted DNA, in order to provide various DNA profile types. State or local crime labs are generally not equipped to provide single nucleotide polymorphism (SNP) DNA profiles; therefore, the use of private DNA typing laboratories is often necessary for FGG.

Extracted DNA - The DNA isolated from a biological sample remaining after previous DNA testing has been completed.

Forensic genetic genealogy (FGG) - The process of obtaining a SNP DNA profile from a biological sample collected during an investigation; uploading the profile to a genetic genealogy site for comparison to the consumer profiles in the site's database to identify genetic relatives; and using the identified genetic relationships, as well as traditional genealogy research, to generate investigative leads.

Genetic genealogist - A genealogist who uses DNA testing with traditional genealogical research methods to assist law enforcement or private clients in identifying biological relatives of an individual.

Genetic genealogy site - A database of DNA profiles voluntarily submitted by public consumers for the purpose of identifying genetic relatives. The availability of genetic genealogy sites for law enforcement use varies depending on their terms of service.

Short tandem repeat (STR) DNA profile - The results of DNA typing in a format that can be processed through CODIS and state DNA databases. This is the type of DNA used in conventional non-FGG law enforcement investigations.

Single nucleotide polymorphism (SNP) DNA profile - The results of DNA typing in a format that enables an unknown DNA sample to be compared to the DNA profiles maintained by a genetic genealogy site. This is the DNA type used in FGG.

610.2 POLICY

The Danville Police Department's use of FGG will be in coordination with prosecutors, the Coroner, and other appropriate resources only in qualifying cases after reasonable conventional investigative methods have been pursued. Members will take reasonable steps to maintain the

Danville Police Department

Danville Police Department Policy Manual

Forensic Genetic Genealogy

integrity of the FGG process and safeguard the privacy rights of individuals whose DNA profiles are analyzed.

610.3 CRITERIA FOR FGG USE

Before using FGG, the lead investigator should coordinate with the supervisor to determine whether the case meets the following requirements:

- (a) Biological evidence collected as part of the underlying investigation (or extracted DNA from the biological evidence) is available for additional testing and is reasonably believed to be attributable to:
 - 1. The perpetrator of an unsolved violent felony.
 - 2. The unidentified human remains of a suspected homicide victim.
- (b) All reasonable conventional investigative methods have been utilized and all reasonable investigative leads have been pursued (e.g., relevant case information entered in the National Missing and Unidentified Persons System (NamUs) and the Violent Criminal Apprehension Program (ViCAP) national database).
- (c) An STR DNA profile has been developed from the biological evidence collected in the case and, absent unusual circumstances, has been uploaded to CODIS and any applicable state DNA database for comparison with negative results.

610.4 COORDINATION

Once a preliminary determination has been made that a case may qualify for the use of FGG, the lead investigating member should consult with the appropriate prosecutor to address current and prospective legal issues and determine if a search warrant is required.

In the case of unidentified human remains, the lead investigator should also consult with the Coroner.

610.5 SUBMISSION OF SAMPLE

The biological evidence or extracted DNA should be submitted to a DNA typing laboratory approved by the Department in order to obtain a SNP DNA profile.

Once a SNP DNA profile has been obtained from the biological evidence or extracted DNA, the lead investigating member should arrange for it to be compared to the SNP DNA profiles contained in one or more genetic genealogy sites to identify possible genetic relatives. The lead investigator should work with a qualified genetic genealogist as needed during this process.

When submitting a SNP DNA profile for comparison, the lead investigator or the authorized designee (e.g., assigned genetic genealogist) shall notify the genetic genealogy site that the request for comparison is from a law enforcement agency and confirm that the site's terms of service permit FGG for the type of case being investigated. The use of the SNP DNA profile and any subsequent comparison shall be limited to the original underlying investigation.

If at any time during the FGG process the case no longer meets the criteria for FGG use, the lead investigator should promptly notify the DNA typing laboratory, genetic genealogy site, and/or

Danville Police Department

Danville Police Department Policy Manual

Forensic Genetic Genealogy

genetic genealogist to cease any further analysis and to return all evidence, data, and materials to the Department.

610.6 ANALYSIS OF FGG DATA

Once results of a comparison are received from a genetic genealogy site, the information should be evaluated by a genetic genealogist, who will assist the lead investigator in identifying potential investigative leads.

The lead investigator should promptly and diligently pursue each viable lead identified through the FGG process using traditional investigative methods, as appropriate, to:

- (a) Eliminate an individual as a potential suspect in the case.
- (b) Link an individual to the case as a potential suspect.
- (c) Identify human remains.

610.7 COLLECTION OF THIRD-PARTY DNA SAMPLE

If it is determined that a third-party DNA sample (i.e., from a person not likely to be a suspect in the investigation) should be collected and analyzed for FGG, consent from the third party should be obtained prior to collection.

If there is a reasonable belief that the integrity of the investigation would be compromised by seeking consent from the third party prior to collection, the lead investigator should consult with the prosecutor regarding applicable laws and procedures in both the jurisdiction of the investigation and the jurisdiction where the collection will occur, if different.

The use of a third-party DNA sample shall be limited to the original underlying investigation.

610.8 POST-IDENTIFICATION

Members shall not rely solely on FGG identification of a potential suspect for probable cause to make an arrest or obtain an arrest warrant. Unless there is sufficient evidence independent of the FGG data to support an arrest, a potential suspect identified through FGG should not be arrested until the suspect's identity is confirmed.

Members shall not rely solely on FGG to identify human remains unless there is sufficient evidence independent of the FGG data to declare the identification or confirmation testing has been completed.

Confirmatory DNA testing should be conducted by collecting a known DNA sample from the potential suspect or, in the case of unidentified human remains, from a close biological relative. This known DNA sample should be submitted for comparison to the original unknown STR DNA profile through conventional methods (e.g., in CODIS).

The lead investigator should consult with the prosecutor to determine the appropriate method of obtaining a known DNA sample.

Once the identity of a suspect or the identity of unidentified human remains has been confirmed through conventional DNA testing, the lead investigator should:

Danville Police Department

Danville Police Department Policy Manual

Forensic Genetic Genealogy

- (a) Consult with the prosecutor to evaluate the entire investigative file for consideration of criminal charges or further investigation.
- (b) If applicable, consult with the Coroner for an amendment to a certificate of death.

610.9 PRIVACY CONSIDERATIONS

Members should make reasonable efforts to respect and protect the privacy of non-suspect genetic relatives identified through the FGG process. The names and identifying information of any non-suspect genetic relatives should not be included in official reports, probable cause declarations, or affidavits for search warrants and should not be disclosed unless otherwise required by law or court order.

The lead investigator should formally request that the SNP DNA profile be removed from all genetic genealogy sites upon identity confirmation and should retain a copy of the request for department records. The lead investigator should request that all case-related records and data provided to, or generated by, a genetic genealogist during the FGG process be returned to the Department.

610.10 RETENTION OF DNA SAMPLES AND RELATED RECORDS

700.1 PURPOSE AND SCOPE

This policy addresses the care of department-owned property and the role of the Department when personal property, the property of another, or department-owned property is damaged or lost.

700.2 DEPARTMENT-ISSUED PROPERTY

The Administration supervisor should document all property and equipment issued by the Department in the appropriate file at the time of issuance. Receipt of issued items shall be acknowledged by the receiving member's signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of a supervisor.

- (c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without prior approval.
- (e) Members should obtain a supervisor's approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

700.3 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief of Police or the appropriate Chief of Police. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

Department-Owned and Personal Property

700.3.1 FILING CLAIMS FOR PERSONAL PROPERTY

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by command staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, who will then forward the claim to the Town department responsible for issuing payments.

700.4 DAMAGE OF PROPERTY OF ANOTHER PERSON OR ENTITY

Members who intentionally or unintentionally damage or cause to be damaged the real or personal property of another person or entity while performing any law enforcement function shall promptly report the damage through the member's chain of command.

700.4.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY

The department member present or the member responsible for the property is responsible to report the damage as follows:

- (a) A verbal report shall be made to the member's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.

700.5 POLICY

The Danville Police Department will ensure that members are issued appropriate property and equipment necessary for the member's job function. The department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member's duties.

700.6 SUPERVISOR RESPONSIBILITIES

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Chief of Police. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage, or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the internet.

701.2 POLICY

The Danville Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or -funded PCDs may not be used for personal business either on- or off-

duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

701.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by department procedures.
 - 1. Use of a personally owned PCD for work-related business constitutes consent for the Department to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
 - 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
 - 3. Searches of a personally owned PCD by the Department should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the Danville Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Danville Police Department

Danville Police Department Policy Manual

Personal Communication Devices

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate recordkeeping.

701.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

701.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

Danville Police Department

Danville Police Department Policy Manual

Personal Communication Devices

- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

701.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD (ORC § 4511.204).

Except in an emergency, members who are operating vehicles that are not equipped with lights and siren shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (ORC § 4511.204). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

701.9 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

Vehicle Use

703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the Town of Danville to provide assigned take-home vehicles.

Additional guidelines for member responsibilities when transporting persons in custody may be found in the Transporting Persons in Custody Policy.

703.2 POLICY

This is to ensure that unauthorized or personal items have not been left in the vehicle.

Danville Police Department

Members shall ensure all weapons are secured while the vehicle is unattended.

Members assigned to vehicles equipped with a Mobile Digital Computer (MDC) shall log onto the MDC with the required information when going on-duty. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Chief of Police approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

703.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status. Residence in the Town of Danville is a prime consideration for assignment of a take-home vehicle. Members who reside outside the Town of Danville may be required to secure the vehicle at a designated location or the Department at the discretion of the Chief of Police.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a Town vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Chief of Police gives authorization.

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (OAC § 4167-3-03; 29 CFR 1910.134):

- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

705.7.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes, or mists are present. Members must identify and use the correct cartridge based on the circumstances (OAC § 4167-3-03; 29 CFR 1910.134).

A scene commander may order the use of gas masks in situations where the use of a SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Dispatch Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the dispatcher is unable to identify the caller's language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

807.5 INJURED ANIMALS

807.6 POLICY

Information that is confidential or information that the member reasonably believes would jeopardize a pending criminal investigation may be excluded from the report (ORC § 959.09).

807.8 ANIMAL BITE REPORTS

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

807.9 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate shelter/holding pen.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. The Shift Supervisor or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees or members who have reported sexual abuse and of detainees who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy

- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Danville Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Transporting Persons in Custody

903.1 PURPOSE AND SCOPE

This policy provides guidelines for transporting persons who are in the custody of the Danville Police Department.

See the Handcuffing and Restraints Policy for additional guidance.

903.2 POLICY

It is the policy of the Danville Police Department to provide safe, secure, and humane transportation for all persons in custody.

903.3 PATROL CHIEF OF POLICE RESPONSIBILITIES

The Patrol Chief of Police should establish related procedures for:

- Safely transporting persons who have their legs restrained.
- Seating placement of persons being transported in vehicles with and without safety barriers.

903.4 OFFICER RESPONSIBILITIES

Persons in custody should be transported in a vehicle properly equipped to transport passengers. They should be appropriately restrained and positioned during transport.

Officers transporting a person in custody should:

- (a) Search all areas of the vehicle accessible to a person in custody before and after each transport.
- (b) Immediately search persons in custody after arrest, when receiving the person from the custody of another officer, and before transferring the person. Refer to the Custodial Searches Policy before conducting any search other than a field search.
 1. Whenever practicable, a search should be conducted by an officer of the same gender as the person being searched. If an officer of the same gender is not reasonably available, a witnessing officer should be present during the search.
- (c) Provide the Dispatch Center with any required notifications (e.g., start time, mileage, end time).
- (d) Properly secure all property.
- (e) Use audio/video equipment (when properly equipped) to observe and record any person in custody during transport (see the Mobile Audio/Video and Body-Worn Cameras policies for additional guidance).
- (f) Make a reasonable effort to prevent inappropriate conversations between persons being transported (e.g., demeaning or insulting language) or conversations between a person being transported and someone outside the vehicle.

Transporting Persons in Custody

- (g) Plan travel times and routes to avoid situations that might impede transportation (e.g., heavy traffic, unfavorable road conditions, extreme weather) when reasonably practicable.
- (h) Make a verbal welfare check with a person in custody at least every 10 minutes. Provide sufficient visual observation and audio communication during the transport of:
 - 1. Individuals in auxiliary restraints.
 - 2. Individuals in leg restraints.
 - 3. Individuals wearing a spit hood.
 - 4. Individuals who are a suspected suicide risk.
- (i) Verify that the vehicle's security devices (e.g., window and rear-door child-safety locks) are activated.
- (j) Assess uncooperative persons who cannot or will not sit upright for a medical condition (see the Medical Aid and Response Policy for additional guidance):
 - 1. If no medical condition exists, alternative transportation should be arranged (e.g., a special transport van).

903.5 TRANSPORT RESTRICTIONS

When transporting multiple persons, officers:

- (a) Should not transport persons in custody together. Persons in custody should be transported individually when practicable, or within their own compartment of a multiple-compartment vehicle, unless supervisor approval is received based on unusual circumstances.
 - 1. Juveniles and adults shall not be transported together.
 - 2. Persons with known hostilities toward each other, such as mutual combatants or rival gang members, shall not be transported together.
 - 3. Persons of different genders should not be transported together.
- (b) If segregating individuals is not possible, transporting officers should be alert to inappropriate physical or verbal contact and take appropriate action.

903.6 TRANSPORT VANS

An officer trained on the safety and restraint systems of a transport van should be present during the transport van's use for transporting a person in custody.

An officer should assist persons getting into and out of the transport van to avoid falls.

903.7 TRANSPORTING PERSONS IN CUSTODY WHO HAVE A DISABILITY

When transporting a person in custody who has a disability, a transporting officer should request assistance as necessary to transport the person in a reasonable and safe manner. The transporting officer should ensure that any special equipment (e.g., canes, wheelchairs, prosthetics) is transported to the person's destination in a way that does not threaten the safety or security of the person in custody or the officer.

Danville Police Department

Danville Police Department Policy Manual

Transporting Persons in Custody

Officers transporting a person who has a disability should consult with the person in custody and use good judgment in determining what, if any, restraining devices may be appropriate based on the person's disability to ensure the security, safety, and dignity of all persons.

903.8 TRANSPORTING ILL OR INJURED PERSONS IN CUSTODY

Except in exceptional cases where alternatives are not reasonably available, officers should not transport persons in custody who are unconscious, have serious injuries, or who may be seriously ill. EMS personnel should be called to handle such transportation.

Officers shall notify a supervisor as soon as practicable when transporting a person in custody to a hospital.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a Shift Sergeant.

Any person in custody suspected of having a communicable disease should be transported in compliance with the exposure control plan in the Communicable Diseases Policy.

See the Medical Aid and Response Policy for additional guidance on ill or injured persons in custody.

903.9 TRANSPORTING PREGNANT PERSONS IN CUSTODY

Persons in custody who are known to be pregnant or postpartum (up to six weeks) should only be restrained during transport as provided in the Handcuffing and Restraints Policy (ORC § 2152.75; ORC § 2901.10).

Absent exceptional circumstances, persons in labor or delivery should not be transported by officers. EMS personnel should be called to handle transportation.

903.10 CIVIL COMMITMENT TRANSPORTS

When transporting any individual for a civil commitment, the transporting officer should request that the Dispatch Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual, and whether any special medical care is needed.

Should the person require transport in a medical transport vehicle, and the safety of any person, including the person in custody, requires the presence of an officer during the transport, Shift Sergeant approval is required before transport commences.

See the Civil Commitments Policy for additional guidance.

903.11 INTERRUPTION OF TRANSPORT

Absent extraordinary circumstances, officers should not interrupt a transport to provide emergency assistance without supervisory approval. Officers encountering an emergency should notify the Dispatch Center and request an appropriate response.

Danville Police Department

Transporting Persons in Custody

903.12 EXTENDED TRANSPORTS

During transports for extended durations, transporting officers may be required to make necessary stops. With supervisory approval and due consideration for security risks and the in-custody person's health and well-being, these stops should be limited to fuel, meals, bathroom breaks, and other purposes reasonably necessary for the continuation of the transport.

903.13 PROHIBITIONS

When transporting a person in custody, officers should not:

- (a) Use transport as a form of punishment or retaliation (e.g., intentionally rough rides, excessive heat or cold, obnoxiously loud music).
- (b) Handcuff a person to any part of a vehicle.
- (c) Leave the vehicle unattended with the person in custody in the vehicle.

In the event that a person in custody escapes while being transported, the transporting officer should immediately advise the Dispatch Center and other units of the escape, provide a description of the escapee, notify the Shift Sergeant, and submit a written report as soon as practicable describing the circumstances of the escape and any recapture.

The Shift Sergeant should notify the Chief of Police or the authorized designee upon learning of an escape.

If the escape occurs outside the jurisdiction of the Danville Police Department, the Shift Sergeant should notify the appropriate agency or agencies within the jurisdiction where the escape occurred.

903.15 DOCUMENTATION

If a person is injured during transportation, officers should document the injury in the appropriate report. Documentation should include the condition of the person prior to transportation and the known or suspected causes of the injury during transportation (e.g., hitting head, struggling with restraints, fighting with other persons in custody). Any visible or reported injuries should be photographed and included with the report.

903.16 NOTIFICATIONS

Officers should notify a supervisor and any receiving facility of information regarding any circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., uncooperative or violent, prolonged struggle, extreme agitation, medical conditions) that may have occurred prior to, or during, transportation.

Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Department's evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Danville Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for his/her input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the annual evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

Danville Police Department

Danville Police Department Policy Manual

Evaluation of Employees

1001.4 EVALUATION FREQUENCY

Evaluations shall be conducted and documented at least annually.

Employees are evaluated based on the following chart:

Position	Evaluated Every Month	Evaluated Yearly	Length of Probation
Probationary Sworn Employees	X		1 Year
Non-Probationary Sworn Employees		X	
Probationary Civilian Employees	X		1 Year
Non-Probationary, Civilian Employees		X	

1001.4.1 AUXILIARY AND RESERVE OFFICERS EVALUATIONS

Auxiliary and reserve officer evaluations are covered in the Reserve and Auxiliary Officers Policy.

1001.4.2 VOLUNTEER EVALUATIONS

Volunteer evaluations are covered in the Volunteers Policy.

1001.5 FULL-TIME PROBATIONARY PERSONNEL

Personnel must successfully complete the probationary period before being eligible for certification as regular employees. An evaluation will be completed monthly for all full-time civilian personnel during the probationary period. Probationary sworn personnel are evaluated daily, weekly and monthly during the probationary period.

1001.6 FULL-TIME REGULAR STATUS PERSONNEL

Regular employees are subject to three types of performance evaluations:

Regular - An employee performance evaluation shall be completed once each year by the employee's immediate supervisor on or near the anniversary of the employee's date of hire, except for employees who have been promoted, in which case an employee performance evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed anytime the rater or the rater's supervisor determines one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (e.g., action plan, remedial training, retraining). The evaluation form and the attached documentation shall be submitted as one package.

Danville Police Department

Danville Police Department Policy Manual

Evaluation of Employees

1001.6.1 RATINGS

The definition of each rating category is as follows:

Outstanding - Actual performance that is well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected but is not of such rare nature to warrant outstanding.

Meets standards - Performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs improvement - A level of performance less than that expected of a fully competent employee and less than the standards required of the position. A needs-improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

1001.7 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the recently completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Employees may also write comments in the employee comments section of the performance evaluation report.

1001.8 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the Chief of Police. The Chief of Police shall review the evaluation for fairness, impartiality, uniformity and consistency. The Chief of Police shall use the quality of performance ratings prepared as a factor to evaluate the supervisor.

1001.9 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the employee's tenure. A copy will be given to the employee and a copy will be forwarded to Town Chief's Office.

Anti-Retaliation

1004.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member or the Chief of Police.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1004.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

1004.6 COMMAND STAFF RESPONSIBILITIES

The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1004.7 WHISTLE-BLOWING

Ohio law protects employees who report violations of a state or federal statute, an ordinance or regulation of the Town, or department policy when there is a reasonable belief that the violation is one of the following (ORC § 4113.52):

- (a) A criminal offense that is likely to create an imminent risk of physical harm to persons or a hazard to public health or safety
- (b) A felony
- (c) An improper solicitation for contribution
- (d) Fraud or misuse of public resources (ORC § 124.341)

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Chief's Office for investigation pursuant to the Personnel Complaints Policy.

1004.8 RECORDS RETENTION AND RELEASE

The Chief of Police shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1004.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Employee Convictions

1005.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1005.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Ohio and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1005.3 CRIMINAL ARRESTS

Any sworn employee shall promptly notify his/her immediate supervisor in writing if a firearm used by the employee as part of his/her assigned duties has been confiscated as a result of involvement in a crime and/or domestic violence incident (see Domestic Violence Policy Firearms section).

1005.4 CRIMINAL CONVICTIONS

Any person convicted of a felony is prohibited from being a peace officer in the State of Ohio (see generally ORC § 737.052 and ORC § 737.162).

Even when legal restrictions are not imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by a member of this department may prohibit him/her from carrying out law enforcement duties.

- (a) State law prohibits any person convicted of a felony, a fugitive from justice, an unlawful user or addict of any controlled substance, a person who is mentally ill or illegally in the United States from possessing a firearm.
- (b) If a person is convicted of a crime involving family violence or stalking or is currently subject to a restraining order, injunction or other order for protection against domestic violence, it may be unlawful for the person to carry a concealed weapon.

1005.4.1 COURT ORDERS

All employees shall promptly notify the department if they are part of any court order. Court orders or failure to comply with certain subpoenas or warrants may require suspension of their peace officer certification.

Reporting of Employee Convictions

1005.5 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest or conviction regardless of whether the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on paid or unpaid administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

Drug- and Alcohol-Free Workplace

1006.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

1006.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1006.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Sergeant or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1006.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

1006.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

1006.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing, or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member is impaired due to drug or alcohol use.

Danville Police Department

Danville Police Department Policy Manual

Drug- and Alcohol-Free Workplace

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1006.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Chief's Office, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1006.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1006.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening test under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of the employee's duties (excluding training or authorized euthanizing of an animal).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.
- (d) The employee drives a motor vehicle in the performance of the employee's duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

1006.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

Danville Police Department
Danville Police Department Policy Manual

Drug- and Alcohol-Free Workplace

- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1006.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

- (a) Fails or refuses to submit to a screening test.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that the employee took the controlled substance as directed, pursuant to a current and lawful prescription issued in the employee's name.

1006.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1006.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees may be obtained from the Village Clerk's Office or if applicable, collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and state law (29 USC § 2601 et seq.; ORC § 124.38 et seq.).

1007.2 POLICY

It is the policy of the Danville Police Department to provide eligible employees with a sick leave benefit.

1007.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity, or other activity that may impede recovery from the injury or illness (see the Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1007.3.1 NOTIFICATION

All members should notify their Shift Supervisor or an appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor.

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence.

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and may be required to complete and submit the required documentation describing the type of time off used and the specific amount of time taken.

1007.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Danville Police Department

Danville Police Department Policy Manual

Sick Leave

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days. The supervisor must present the just cause to the Chief of Police or authorized designee for approval before asking the member for a health care provider's statement for an absence of three or fewer days.

1007.5 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Chief's Office as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

Communicable Diseases

1008.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

1008.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include but are not limited to hepatitis B virus (HBV), HIV, and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (i.e., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Danville Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred).

1008.2 POLICY

The Danville Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1008.3 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) that is appropriate for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 - 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff 136).
 - 2. Employment risk standards (OAC § 4167-3-03 et seq.).

Danville Police Department

Danville Police Department Policy Manual

Communicable Diseases

3. Emergency temporary employment risk standards (OAC § 4167-3-02).
4. Bloodborne pathogen precautions (OAC § 4167-3-05).
5. Storing and handling of infectious waste, as defined in ORC § 3734.01, as required by state law and regulations (OAC § 3745-570-01; OAC § 3745-570-31; OAC § 3745-570-110; OAC § 3745-570-120).

The ECO should also act as the liaison with the Ohio Public Employment Risk Reduction Program (PERRP) and may request voluntary compliance inspections. The ECO should periodically review and update the exposure control plan and review implementation of the plan.

1008.4 EXPOSURE PREVENTION AND MITIGATION

Exposure Prevention and Mitigation is as follows in sections 1008.4.1 - 1008.4.2

1008.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes but is not limited to:

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area of department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, portable radio) as soon as possible if the equipment is a potential source of exposure.
 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, or smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

Danville Police Department

Danville Police Department Policy Manual

Communicable Diseases

1008.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost.

1008.5 POST EXPOSURE

Post Exposure Steps as follows in sections 1008.5.1 - 1008.5.5

1008.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

1008.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented:

- (a) Name of the member exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) The potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., cleanup and notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Illness and Injury Reporting and the Illness and Injury Prevention policies).

1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.

Danville Police Department

Danville Police Department Policy Manual

Communicable Diseases

- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1008.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure.

1008.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Submitting a complaint to compel testing under ORC § 3701.247.
- (c) Requesting notification from a medical facility under ORC § 3701.248.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the Town Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1008.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1008.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training:

- (a) Should be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Should be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

1009.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Danville Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1009.2 POLICY

The Danville Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (ORC § 3794.02).

1009.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Danville Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside Town facilities and vehicles.

1009.4 ADDITIONAL PROHIBITIONS

Members shall not be allowed to smoke in areas of ingress or egress to any department facility (ORC § 3794.02).

1009.4.1 NOTICE

The Chief of Police or the authorized designee shall ensure that proper signage is in place to provide notice of restricted tobacco use areas (ORC § 3794.06).

Personnel Complaints

1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Danville Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1010.2 POLICY

The Danville Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Lieutenant is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which the Lieutenant determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Chief's Office, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor, Lieutenant or the Chief's Office, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Danville Police Department

1010.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

Sections 1010.4.1 - 1010.4.2

1010.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and may be accessible through the department website. Forms may also be available at other Village facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1010.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

1010.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

Danville Police Department

Personnel Complaints

1010.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Shift Sergeant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Chief of Police or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Sergeant.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Sergeant and Chief of Police are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Chief's Office and the Shift Sergeant for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Shift Sergeant, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.

1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.

1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.

Seat Belts

1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

Guidance for transporting persons in custody may be found in the Transporting Persons in Custody and Handcuffing and Restraints policies.

1011.1.1 DEFINITIONS

Definitions related to this policy include:

Child Restraint System - An infant or child passenger restraint system that meets federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1011.2 POLICY

It is the policy of the Danville Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

1011.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained (ORC § 4513.263).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

1011.4 TRANSPORTING CHILDREN

A child restraint system should be used for all children of an age, height or weight for which such restraints are required by law (ORC § 4511.81).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

1011.5 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1011.6 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operating requirements for safe use.

1011.7 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. 1016.5 WORK-RELATED CONDITIONS

Any employee suffering from a work-related condition that warrants a temporary relief from duty shall be required to comply with personnel rules and guidelines for processing such claims.

Upon the recommendation of the Shift Supervisor and/or Lieutenant and concurrence of the Chief of Police, any employee whose actions or use of force in an official capacity result in death or serious injury to another may be temporarily removed from regularly assigned duties by the Chief of Police and/or placed on paid administrative leave for the well-being of the employee and until such time as the following may be completed:

- (a) A preliminary determination that the employee's conduct appears to be in compliance with policy and law.
- (b) If appropriate, the employee has had the opportunity to receive necessary counseling and/or psychological clearance to return to full duty.

1016.6 PHYSICAL AND PSYCHOLOGICAL EXAMINATIONS

- (a) Whenever circumstances reasonably indicate that an employee is unfit for duty, the Chief of Police may serve that employee with a written order to undergo a physical and/or psychological examination in cooperation with the Chief's Office to determine the level of the employee's fitness for duty. The order shall indicate the date, time and place for the examination.
- (b) The examining physician or therapist will provide the Department with a report indicating that the employee is either fit for duty or, if not, list any functional limitations that limit the employee's ability to perform job duties. 1016.7 LIMITATION ON HOURS WORKED

Absent emergency operations, members should not work more than:

- 16 hours in one day (24-hour period)
- 30 hours in any two day (48-hour period)
- 84 hours in any seven day (168-hour period)

Except in very limited circumstances members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, special events, contract work, general overtime and any other work assignments.

1016.8 APPEALS

An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness-for-duty examination shall be entitled to an administrative appeal as outlined in the Personnel Complaints Policy.

Meal Periods and Breaks

1017.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as reasonably possible, shall conform to the policy governing all department members.

1017.1.1 MEAL PERIODS

Sworn members shall remain on-duty subject to call during routine breaks and meal periods. All other members are not on-call during routine breaks and meal periods unless directed otherwise by a supervisor.

Uniformed officers shall advise the Dispatch Center prior to taking a meal period. Uniformed officers shall take their meal period within the Village limits unless on assignment outside the Village. Uniformed officers who live within one mile of the Village are permitted to take their meal period at home.

The time spent for the meal period should not exceed one hour.

Uniformed officers shall take their routine breaks within the Village limits unless on assignment outside of the Village.

1017.1.2 15-MINUTE BREAKS

Each employee is entitled to a 15-minute break, near the midpoint, for each four-hour work period. Only one 15-minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This does not prohibit them from taking a break if they are outside the facility on official business.

Field officers will take their breaks in their assigned areas, subject to call, and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the Dispatch Center.

Lactation Breaks

1018.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members.

1018.2 POLICY

It is the policy of the Danville Police Department to provide, in compliance with federal law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child for up to one year after the child's birth (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3).

1018.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Members desiring to take a lactation break shall notify the dispatcher or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1018.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

1018.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the member's shift ends.

Payroll Record Procedures

1019.1 PURPOSE AND SCOPE

Payroll records are submitted to Administration on a biweekly basis for the payment of wages.

1019.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS

Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

1019.1.2 TIME REQUIREMENTS

All employees are paid on a biweekly basis usually on Friday with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administration no later than 8:00 a.m. on the Wednesday morning before the end of the pay period, unless specified otherwise.

Overtime Compensation Requests

1020.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate nonexempt employees who work authorized overtime either by payment of wages as agreed, or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practicable after overtime is worked.

1020.1.1 DEPARTMENT POLICY

Because of the nature of law enforcement work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Nonexempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked, rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee may not exceed the number of hours approved by management.

1020.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to the Lieutenant or authorized designees as soon as practicable for verification. Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1020.2.1 EMPLOYEE RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to the Lieutenant. Employees submitting overtime forms for on-call pay when off-duty shall submit forms to the Lieutenant the first day after returning to work.

1020.2.2 SUPERVISOR RESPONSIBILITIES

The Lieutenant who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time sheet, the overtime payment request will be forwarded to the Chief of Police for final approval.

1020.2.3 CHIEF OF POLICE RESPONSIBILITIES

The Chief of Police, after approving payment, will then forward the form to payroll.

Overtime Compensation Requests

1020.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. The Lieutenant will enter the actual time worked.

1020.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON SHEET</u>
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1.0 hour

1020.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case or court trial, and the amount of time for which payment is requested varies between the two, the Lieutenant and/or the Chief of Police may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1021.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall initially obtain approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1021.1.1 DEFINITIONS

Definitions related to this policy include:

Outside Employment - The employment of any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, products or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, products or benefits rendered.

Outside Overtime - Overtime involving any member of this department who performs duties or services on behalf of an outside organization, company or individual within this jurisdiction on behalf of the Department. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1021.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior approval of the Chief of Police. Failure to obtain prior approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must complete a written request that shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the appropriate chain of command to the Chief of Police for consideration.

If approved, the employee will be provided with approval. Unless otherwise indicated in writing the approval will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new written request in a timely manner.

Any employee seeking approval of outside employment whose request has been denied shall be provided with a written reason for the denial of the application at the time of the denial and within 30 days of the request.

1021.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's request is denied or rescinded by the Department, the employee may file a written notice of appeal to the Chief of Police within 10 days of the date of denial.

Outside Employment

1021.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT AUTHORIZATION

Any outside employment authorization may be revoked or suspended after the employee has received written notification of the reasons for revocation or suspension. Additionally, revocation or suspension will only be implemented after the employee has exhausted the appeal process.

The outside employment may be revoked:

- (a) If an employee's performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency, and the outside employment may be related to the employee's performance. The Chief of Police may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment authorization. After the appeal process has concluded, the revocation will remain in force until the employee's performance directly related to the outside employment has been reestablished to the minimum level of acceptable competency.
- (b) If, at any time during the term of a valid outside employment authorization, an employee's conduct or outside employment conflicts with the provisions of Department policy, or any law.
- (c) The outside employment creates an actual or apparent conflict of interest with the Danville Police Department or Village of Danville.

1021.3 PROHIBITED OUTSIDE EMPLOYMENT

The Department expressly reserves the right to deny any request submitted by an employee seeking to engage in any activity that:

- (a) Involves the employee's use of Department time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.
- (d) Involves time demands that would render performance of the employee's duties for this department below minimum standards or would render the employee unavailable for reasonably anticipated overtime assignments and other job-related demands that occur outside regular working hours.

Outside Employment

1021.3.1 OUTSIDE SECURITY EMPLOYMENT

Due to the potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside overtime will be monitored by the patrol supervisor.

- (a) The applicant will be required to enter into a written indemnification agreement prior to approval.
- (b) The applicant will be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) If such a request is approved, any employee working outside overtime shall be subject to the following conditions:
 - 1. The officer shall wear the Department uniform/identification.
 - 2. The officer shall be subject to all the rules and regulations of this department.
 - 3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket or other physical demonstration of a labor dispute.
 - 4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
 - 5. Outside security services, outside employment or outside overtime shall not be subject to the collective bargaining process.
 - 6. No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1021.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official law enforcement action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to Department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1021.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Chief of Police, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity that might reasonably disclose the officer's law enforcement status.

1021.4 DEPARTMENT RESOURCES

Employees are prohibited from using any Department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official

records or databases of this department or other agencies through the use of the employee's position with this department.

1021.4.1 REVIEW OF FINANCIAL RECORDS

Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists.

Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to this policy.

1021.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his/her outside employment during the period of a valid authorization, the employee shall promptly submit written notification of such termination to the Chief of Police through the appropriate chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material shall report the change.

1021.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY OR ADMINISTRATIVE LEAVE

Department members engaged in outside employment who are placed on disability or administrative leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether they intend to continue to engage in outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any work-related doctor's orders and make a recommendation to the Chief of Police whether such outside employment should continue or the authorization be suspended or revoked.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding the work authorization, a notice of intent to revoke the employee's authorization will be forwarded to the involved employee and a copy attached to the original work authorization. The revocation process outlined in this policy shall be followed.

Criteria for revoking or suspending the outside employment authorization while on disability status or administrative leave include, but are not limited to, the following:

Danville Police Department

Danville Police Department Policy Manual

- (c) The employee's failure to make timely notice of his/her intentions to his/her supervisor.
- (d) The outside employment is not compatible with the reason the employee is on administrative leave.

Illness and Injury Reporting

1022.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding timely reporting of occupational illnesses and work-related injuries.

1022.1.1 DEFINITIONS

Definitions related to this policy include:

Work-related illness or injury - Any occupational illness or work-related injury received or contracted in the course of the employee's employment. This may include a psychiatric condition arising from an occupational illness or work-related injury, or from being the victim of sexual abuse/misconduct while at work (ORC § 4123.01).

1022.2 POLICY

The Danville Police Department will address occupational illnesses and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (ORC § 4123.01 et seq.; OAC § 4123-3-01 et seq.).

1022.3 RESPONSIBILITIES

Responsibilities are listed in following sections 1022.3.1 - 1022.3.4

1022.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational illness or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate.

1022.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational illness or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Village-wide illness-or injury-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

Supervisors shall inform the Lieutenant upon learning of any occupational illness or work-related injury.

1022.3.3 LIEUTENANT'S RESPONSIBILITIES

The Lieutenant who receives a report of an occupational illness or work-related injury should review the reports for accuracy and determine what additional action should be taken. The reports shall then be forwarded to the Chief of Police to ensure any required Public Employer Risk

1022.3.4 CHIEF OF POLICE RESPONSIBILITIES

The Chief of Police shall review and forward copies of the report to the Village Clerk's Office. The Chief of Police should ensure that incidents involving seven days or more of total disability or death are immediately forwarded to the Village Clerk's Office so that timely reporting to the Ohio Bureau of Workers' Compensation may be accomplished (ORC § 4123.28; OAC § 4123-3-03).

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1022.5 SETTLEMENT OFFERS

When a member sustains an occupational illness or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

1022.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational illness or work-related injury, the member shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the Village to determine whether the offered settlement will affect any claim the Village may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the illness or injury, and to protect the Village's right of subrogation, while ensuring that the member's right to receive compensation for the illness or injury is not affected.

Temporary Modified-Duty Assignments

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, Town rules, or current collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

1028.2 POLICY

Subject to operational considerations, the Danville Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

1028.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Ohio Civil Rights Act shall be treated equally, without regard to any preference for a work-related injury (ORC § 4112.01 et. seq.).

No position in the Danville Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

If notified by an employee or the employee's representative regarding limitations related to pregnancy, childbirth, or related medical conditions, the Department should make reasonable efforts to provide an accommodation for the employee in accordance with federal law. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.

Performance History Audits

1029.1 PURPOSE AND SCOPE

Performance History Audits are collections of data designed to assist supervisors in evaluating the performance of their employees. Performance History Audits can help identify commendable performance as well as early recognition of training needs and other potential issues. While it is understood that the statistical compilation of data may be helpful to supervisors, it cannot account for and must be carefully balanced with the many variables in law enforcement, such as:

- An officer's ability to detect crime
- An officer's work ethic
- An officer's work assignment and shift
- An officer's physical abilities, stature, etc.
- Randomness of events

1029.2 RESPONSIBILITIES

Under the authority of the Chief of Police, the Chief's Office is responsible for collecting performance indicators and other relevant data to generate and provide a Performance History Audit Report for each officer as needed. Each Performance History Audit may contain data from a one-year time period.

The Chief of Police if requested, will also forward a copy of each Performance History Audit Report to the Village Attorney for review and retention as attorney work product and confidential personnel information.

1029.3 COMPONENTS OF PERFORMANCE HISTORY AUDITS

Performance History Audit will include the following components:

1029.6 EMPLOYEE NOTIFICATION AND RESPONSE

The Chief's Office will notify each officer prior to retaining any performance indicator for entry into a Performance History Audit Report. The affected officer may submit a written comment regarding each performance indicator. Any such written comment will be attached to the related performance indicator in such a way as to be readily noticed by supervisors reviewing a Performance History Audit Report.

1029.7 DATA ANALYSIS AND ACTION

Upon receipt, the Chief of Police will review each Performance History Audit Report and determine whether it should be provided to an officer's immediate supervisor for further consideration. The officer's immediate supervisor will carefully review the Performance History Audit Report with the officer to assess any potential trends or other issues that may warrant informal counseling, additional training or a recommendation for other action, including discipline. The officer shall date and sign the Performance History Audit Report and may be provided a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Chief of Police of such recommendation. If the Chief of Police concurs with the recommendation of the supervisor, he/she shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a Performance History Audit, the officer shall be entitled to all rights and process set forth in the Personnel Complaints Policy.

1029.8 CONFIDENTIALITY OF DATA

Information, data and copies of material compiled to develop Performance History Audits Reports shall be considered part of the employee's personnel file and will not be subject to discovery or release except as provided by law. Access to the data in the system will be governed under the same process as access to an officer's personnel file as outlined in the Personnel Files Policy.

1029.9 RETENTION AND PURGING

Except as incorporated in separate training or disciplinary records, all performance indicators and Performance History Audit Reports shall be purged from the Chief's Office and all other locations within the Department one year from the date generated. 1030.2 POLICY

Because public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and negatively impact the performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public the Danville Police Department will carefully balance the individual employee's rights against the organization's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1030.3 SAFETY

Employees should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of Danville Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, employee's family or associates or persons that this department has had professional contact with, such as crime victims or the staff

of other organizations. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow officer.
- Otherwise disclosing where another officer can be located off-duty.

1030.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Danville Police Department or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Danville Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the Danville Police Department or its employees. Examples may include:
 - 1. Statements that indicate disregard for the law of the state or U.S. Constitution.
 - 2. Expression that demonstrates support for criminal activity.
 - 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Danville Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, data classified as confidential by state or federal law

or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Danville Police Department on any personal or social networking or other website or web page without the express authorization of the Chief of Police.
- (h) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:
 - 1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).
 - 2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1030.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Danville Police Department or identify themselves in any way that could be reasonably perceived as representing the Danville Police Department in order to do any of the following, unless specifically authorized by the Chief of Police:

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support, or oppose any product, service, company or other commercial entity.

Additionally, when it can reasonably be construed that an employee acting in his/her individual capacity or through an outside group or organization (e.g. bargaining group), is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Danville Police Department.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

- (a) Classified employees are prohibited from engaging in political activity, directly or indirectly, orally or by letter, soliciting or receiving any assessment, subscription or contribution for any political party or for any candidate for public office. In addition, they may not solicit or receive any assessment, subscription, or contribution for any political party or for any candidate for public office.
- (b) Unclassified service employees are prohibited from participating in any political activity during duty time and from soliciting political contributions from any state employee.

1030.6 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

1030.7 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.

Line-of-Duty Deaths

1033.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Danville Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

1033.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of an officer during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing assigned duties.

For an officer, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1033.2 POLICY

It is the policy of the Danville Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1033.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Sergeant and the Dispatch Center.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Chief of Police section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

Danville Police Department

Danville Police Department Policy Manual

Line-of-Duty Deaths

- (c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1033.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Sergeant or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

Danville Police Department

Line-of-Duty Deaths

- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.

- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Danville Police Department members may be apprised that survivor notifications are complete.

1033.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

1033.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Danville Police Department

Danville Police Department Policy Manual

Line-of-Duty Deaths

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

1033.6 LIAISONS AND COORDINATORS

The Department should consider seeking assistance from surrounding law enforcement agencies to fill liaison and coordinator positions, as appropriate.

1033.6.1 DEPARTMENT LIAISON

The Department Liaison reports directly to the Chief of Police. The Department Liaison's responsibilities include but are not limited to:

KCDC policies and operational guidelines will be adopted by its Control Board. The Control Board shall consist of the Knox County Sheriff, the Chief of the City of Mount Vernon Police Department, the Chief of Fredericktown Police Department, the Chief of Danville Police Department, and the Knox County Prosecuting Attorney, or their respective designees.

- III. PURPOSE:** The purpose of this agreement is to establish and maintain the existence of a joint coalition to combat the violation of controlled substance laws within the city of Mount Vernon, the Village of Danville, the Village of Fredericktown, and Knox County, Ohio, and in such other jurisdictions as may affect the contracting jurisdictions in a continuing course of criminal conduct.

KCDC shall establish policies for the distribution of seized and forfeited assets, to establish a framework for mutual aid, cooperation, collaboration, and intelligence gathering and sharing, including the development of confidential informants, in drug enforcement efforts for the mutual benefit of the member agencies.

IV. DEFINITIONS

- A. “Agency” and “Agencies” mean the member law enforcement agencies and political subdivisions of the Knox County Drug Coalition (KCDC). The member agencies commit to agreement by adopting an ordinance or resolution authorizing participation in KCDC with the other member agencies for rendering and receiving assistance in the event of a request for KCDC services in accordance with KCDC assignments.
- B. “Cooperating Agency” means any law enforcement agency that is not a member of KCDC, but assists in the investigation, apprehension or prosecution of suspected drug offenders.
- C. “Jurisdiction” means the City of Mount Vernon, the Village of Fredericktown, the Village of Danville, and Knox County, Ohio and the territorial jurisdiction of any agency that may later join KCDC.

- V. **MUTUAL AID AGREEMENT:** This agreement shall be construed as a “mutual aid contract for law enforcement purposes,” within the meaning of Ohio Revised Code §737.04, and all officers engaged in KCDC operations shall have full police powers within the geographical areas of all of the member agencies, including authority to arrest pursuant to Ohio Revised Code §2935.03.

This agreement shall be effective upon adoption by the legislative authority of the municipalities and the commissioners of the counties of the participating agencies.

Pursuant to R.C. 737.04, the Political Subdivision Tort Liability Act (Chapter 2744. of the Revised Code) insofar as it applies to the operation of police departments, shall apply to the contracting political subdivisions and to the police department members when they are rendering service outside their own subdivisions pursuant to the KCDC Agreement.

Police department members acting outside the subdivision in which they are employed, pursuant to the KCDC Agreement, shall be entitled to participate in any indemnity fund established by their employer to the same extent as while acting within the employing subdivision. Those members shall be entitled to all the rights and benefits of Chapter 4123. of the Revised Code, to the same extent as while performing service within the subdivision.

VI. FINANCING:

A. GENERAL OPERATIONS: Except as otherwise provided, each Agency shall pay all costs associated with its own officers and equipment involved in KCDC operations. Each participating law enforcement agency shall continue to provide the same salaries, insurance, workers' compensation, retirement and other fringe benefits to its personnel while responding to a request for assistance and/or deployment under this agreement as those employees would receive while on duty in their employing political subdivision or governmental unit. To the extent feasible, costs associated with overtime, purchase of equipment, special operations and grant administration

shall be paid for with grant funds and forfeited assets as directed by the Control Board.

- B. FORFEITED ASSETS: Assets forfeited in cases, whether by civil or criminal forfeiture proceedings, arising out of KCDC Operations, shall be equally divided among the participating agencies.

Cooperating Agencies may receive a distribution of forfeited assets or cash for their participation in KCDC Operations as directed by the Control Board. All costs and expenses shall be reimbursed in accordance with the regulations of the Office of the Attorney General for the State of Ohio.  4. For all assets forfeited in the United States Federal Court, Northern or Southern Districts of Ohio, the participating Agencies shall each receive shares prorated on the number of total hours their officers participated in the operation.

For the purposes of determining shares, an Agency's total hours will be based on timesheets detailing hours spent on KCDC Operations that have been submitted to and approved by the Control Board.

VII. DUTIES OF THE PARTIES

AGENCIES: The City of Mount Vernon Police Department, the Village of Fredericktown Police Department, the Village of Danville Police Department, and the Knox County Sheriff's Office, and any law enforcement agency that may later join in KCDC as a member agency, shall assign a full time investigator to work in KCDC as the drug enforcement needs require and the respective staffing levels permit. If one member of the board cannot vote on a matter due to a conflict of interest, the non-conflicted members of the board shall agree on a party to be appointed to the board for the purpose of the vote and the appointed member shall break the tie.

309.13 USE OF THE CANINE TEAM

A. Authorization, Conditions, and Limitations on Usage

The Canine Team will patrol in a modified, specially-equipped vehicle designated for such duty and clearly marked "Canine Unit". The Canine Team may be assigned to specific patrol areas when necessary, but should be allowed to respond to calls for service throughout the Village which may be better served by a Canine Team. The work days and shift hours of the Canine Team are subject to changes authorized by the Chief of Police to meet the demands of the police division. Organizationally the Canine Team has been placed within the patrol section. The canine officer(s) will be supervised by the on-duty Shift Supervisor. The canine officer will coordinate all special details with his/her assigned Shift Supervisor.

Danville Police Request when the Canine Team is On-Duty

An officer may directly request the **use of this agency's Canine Team** when he/she is on-duty and in service for situations which might include building searches, searches for missing or lost persons, narcotic detection, etc.

The following calls should be designated for Canine Team response if the Canine Team is on-duty and available:

- Burglary in progress calls and/or robbery alarms

- Felony or misdemeanor crimes where the suspect(s) has fled on foot and a possible tracking deployment could develop.

- Open door/window calls where the Canine Team can be used for a building search. Locating lost persons.

- Search of an area for evidence or contraband, including narcotics.

- Any other call where, in the on-duty supervisor's opinion, a Canine Team would be an asset as a back-up officer.

The canine officer will **notify the Communications Center of his/her intent to respond** to any specific call for service.

Danville Police Request when the Canine Team is Off-Duty

The Chief of Police or authorized designee may authorize a request for canine services from a neighboring agency that has a Canine Team on duty.

The officer(s) requesting the canine will advise the Chief of Police or designee of the details of the incident and request for the canine. If the agency's Canine Team is off duty and no neighboring agency's canine is available, the Chief of Police or designee will review the request, decide whether overtime is authorized to honor the request for the Canine Team, and may authorize the "call-in" of the Canine Team.

The Shift Supervisor should **take into consideration** the following when deciding to authorize the "call-in" of the Canine Team: the type of crime or incident, environmental conditions, time elapsed from occurrence, crime scene integrity, Canine Team response time, and severity of the crime or incident.

Upon the approval of a Shift Supervisor, Communications will contact the canine officer by telephone and advise him/her of the request along with the details of the incident. If the Canine Team is available, the Shift supervisor has the **authority to order** him/her to respond. Otherwise, the decision for the Canine Team to respond remains with the canine officer based upon the relayed facts and circumstances. If the canine officer has questions or concerns about the request, he/she should directly contact the on-duty Shift Supervisor.

In the field, the canine officer will make the decision if the canine will be utilized. The decision to deploy a canine to a specific law enforcement operation shall remain with the canine officer. The canine officer will advise the Shift Supervisor of the decision immediately.

If the Shift Supervisor does not order the canine officer in and if the canine officer determines that the Canine Team will not respond, the canine officer will advise the dispatcher of the reason(s) the canine did not respond. The canine officer, during his/her next normal working day, will respond in writing to the requesting supervisor of the reason(s) the call-out was declined.

Request from an Outside Agency when Danville's Canine Team is On-Duty

The Shift Supervisor will be advised of the mutual aid request and the Shift Supervisor will make the determination if the Canine Team request will be approved.

The Shift Supervisor should **take into consideration** the following when deciding to authorize the deployment of the on-duty Canine Team for an outside agency request: The type of crime or incident, existence of a mutual-aid agreement with the requesting agency, type of services requested from the canine (i.e. narcotic search, tracking, etc.) and availability of other area canines, etc.

Upon the approval of a Shift supervisor, Communications will contact the canine officer by telephone or radio and advise him/her of the mutual-aid request along with the details of the incident. If the Canine Team is available, the Shift Supervisor has the **authority to order** him/her to respond. Otherwise, the decision for the Canine Team to respond remains with the canine officer based upon the relayed facts and circumstances.

In the field, the canine officer will make the decision if the canine will be used. The decision to deploy a canine to a specific law enforcement operation shall remain with the canine officer. The canine officer will advise the Shift Supervisor of the decision immediately.

Request from an Outside Agency when Danville's Canine Team is Off-Duty

The Canine Team's services may be requested at any time and will not be compensated unless actually called out.

If the Communications Center receives a request from an outside agency for the police division's Canine Team, Communications will advise the requesting outside agency that the Division's Canine Team is off duty. Communications will be encouraged to notify the outside agency to request an on-duty Canine Team from another agency. If there are no "on-duty" Canine Teams operating in the area, the Communication Center will advise the Shift Supervisor of the request.

The Shift Supervisor will be advised of the mutual-aid request, review the request, and may authorize contact with the Canine Team.

The Shift Supervisor should **take into consideration** the following when deciding to authorize the call-in of the off-duty Canine Team for an outside agency request: the type of crime or incident, existence of a mutual-aid agreement with the requesting agency, type of services requested from the canine (i.e. narcotic search, tracking, etc.), availability of other area canines, etc.

Upon the approval of a Shift Supervisor, Communications will contact the canine officer by telephone and advise him/her of the request along with the details of the incident. If the Canine Team is available, the Shift Supervisor has the **authority to order** him/her to respond. Otherwise, the decision for the Canine Team to respond remains with the canine officer based upon the relayed facts and circumstances. If the canine officer has questions or concerns about the request, he/she should directly contact the on-duty Shift Supervisor.

In the field, the canine officer will make the decision if the canine will be used. The decision to deploy a canine to a specific law enforcement operation shall remain with the canine officer. The canine officer will advise the Shift Supervisor of the decision immediately.

If the Shift Supervisor does not order the canine officer in and if the canine officer determines that the canine will not respond, the canine officer will advise the Dispatcher of the reason(s) the canine did not respond.

Rules for Department Employees:

No officer will do any of the following:

- Strike or discipline the canine.

- Engage in any horse play with the canine.

- Tease or agitate the canine.

- Give the canine any command unless directed otherwise in this policy.

- Feed the canine without the canine officer's permission.

- Play with the canine without the canine officer's permission and presence. Enter the canine vehicle without the canine officer's knowledge and presence.

Remove the canine from the canine vehicle or other area of confinement without the canine officer's knowledge and presence.

Canine Uses

Crowd control: The canine shall not in any way be used to prevent, deter, intimidate, or threaten any person or group gathered in a lawful manner while exercising their constitutional rights.

The Canine Team will not be used for basic crowd-control situations. It is recognized that the Canine Team can be used effectively in controlling and moving large groups of unruly people.

The Canine Team may only be used in crowd-control situations under the following circumstances:

When, in the opinion of the Shift Supervisor, the presence of a Canine Team will prevent or deter a serious breach of the peace.

When, in the opinion of the Shift Supervisor, it is necessary to prevent or avoid injury to a police officer or citizen.

When specifically requested at any event where large crowds are expected by direction of the Shift Supervisor, or other command personnel.

When deployed as part of a larger crowd-control team.

Recognizing that crowd-control situations will vary with each request and may change during the incident, the following guidelines are provided, but are not considered all inclusive.

The Canine Team will be deployed most often as a foot patrol unit in an area affording high visibility. No special instructions are necessary during this type of deployment. When the Canine Team is utilized in the controlling and/or moving of a large group of unruly persons, the Canine Team will be deployed behind the line officers who will be physically moving the group. This position will afford high visibility and accessibility to be moved to the front line if it would become necessary to prevent injury to a police officer or citizen. When the Canine Team is deployed in either of the above situations, several special instructions for all on-scene personnel apply.

If the Canine Team is placed on the front line to prevent injury, the police canine may be deployed on a leash. **Do not enter the K-9 zone for any reason.**

If the police canine is involved in a bite situation, stay out of the K-9 zone until the canine officer instructs you to secure the suspect.

Building Searches: The canine team can be an asset when it becomes necessary to search a building for a suspect. There will be two basic types of building searches.

The first type of canine building search is a **canine walk through**. This type of search can be conducted when an open door or window has been found on a routine security check or alarm activation. Where there is **no** evidence of forced or unlawful entry, the only special instructions that apply with this search is for officers to **stay with the canine officer** as the officer(s) and canine officer, along with the canine, check the building. The canine uses its nose to detect airborne human scent. If once inside it becomes evident that there are unauthorized persons within the building, it may become necessary to deploy the canine.

The second type of building search is the **canine tactical building search**.

This type of search is used when there is evidence to believe that there has been forced and/or unlawful entry by unauthorized persons into a building. The following instructions apply to the tactical building search:

Officers should secure the outside perimeter of the building. If a window has been broken or removed, officers should relay this information to the responding Canine Team. It may be necessary to obtain a key to enter the building safely. Officers should take up positions around the building but not next to it when possible. Officers should take full advantage of cover and concealment. Officers should attempt to close any open doors or windows before the arrival of the Canine Team. If a second open door or window is found, officers should advise the Canine Team immediately. This will help to contain available scent as well as the canine during the search.

No one should enter the building before the Canine Team arrives.

Officers should advise the responding Canine Team of the perimeter positions and descriptions of any plain clothes officers on the scene.

An officer should be designated to meet with the Canine Team at a tactically sound location to plan the approach and search of the building. One or possibly two cover officers will be needed to work directly with the Canine Team.

After a tactical approach to the building is conducted by the Canine Team and back up officer(s), warnings will be issued inside the building verbally or by PA when possible. Warnings will be given before the police canine is released to search the building. In the event a building has multiple separated floors, the Canine Team will systematically search and give warning on all floors being searched.

If the police canine alerts to a suspect(s) or is involved in a bite situation within the building, officers should **not leave the canine officer unless specifically instructed to do so by the canine officer**. Tactics must be considered as officers work their way to the location of the alert or the apprehension. Officers should not move ahead without first clearing each room.

If an apprehension has taken place, officers should not interfere with the commands of the canine officer and officers should not come in contact with the suspect or canine until told to do so by the canine officer. The officer's job as a back-up officer is to assist the canine officer in making the area safe to approach. Officer attention must be on the entire surrounding area and not focused on the canine, canine officer, and the

suspect.

Tracking: Tracking of a suspect(s) when physical presence has been recent can be a useful application of a Canine Team.

It is imperative that officers not disturb the search area or allow the search area to be disturbed before the Canine Team arrives.

Officers should set up a perimeter when possible and maintain visual contact of their assigned areas from vehicles or buildings.

If a person is available that knows the last known location of the suspect(s), have them stand by to speak with the arriving canine officer so that an accurate starting point can be established.

One or more back-up officers may be used to assist in the search. If an officer is assigned as a back up officer, the officer should stay with the Canine Team as directed by the canine officer. The back up officer should be on the alert for movement and suspects hidden in the area. It is not necessary for back-up officers to watch the canine. If the canine officer stops, back-up officers should stop and wait for the Canine Team to continue the track.

If it becomes necessary for a back-up officer to stop while the Canine Team is tracking, the back-up officer should advise the canine officer immediately.

Normally a 10' - 30' tracking line will be attached to the canine during this type of deployment. The canine may actually be right on top of the suspect before the canine officer or back-up officer(s) know he is there.

The back-up officer should be aware of the entire surroundings at all times. The canine may be very close to the suspect without showing an alert.

Area Searches: A canine team can also be used to search an area in which a suspect(s) is believed to be present. The following special instructions will apply when requesting an area search.

Officers should secure a perimeter in the same manner as a tracking situation. Officers should set up a perimeter when possible and maintain visual contact of their assigned areas from vehicles or buildings.

The canine will be directed to search by the canine officer or will be escorted on a patrol route to assist in locating the scent cone of the suspect. Full advantage of the wind direction will be taken.

As in a tracking situation, all back-up officers must be aware of movement in and around the search area. The canine officer must be watching the canine to show an alert.

Once the canine has alerted to the presence of human scent in the area, the canine

officer will issue warnings to the suspect(s) before the canine is released to search on his own. The canine officer will advise perimeter officers that the canine (K-9) has been released.

If the canine alerts to a suspect(s) or is involved in a bite situation, back-up officers should **not leave the canine officer** unless the canine officer instructs the officer to do so. Tactics must be considered as officers work their way to the location of the alert or apprehension. During an area search with limited concealment and cover, the canine, canine officer, and back-up officers may become very vulnerable. Always remember there may be more than one suspect.

If an apprehension has taken place, back-up officers should not interfere with the commands of the canine officer and should not come in contact with the suspect or canine until told to do so by the canine officer. The job of a back-up officer is to assist the canine officer in making the area safe to approach. The back-up officer's attention must be on the entire surrounding area and not focused on the canine, canine officer, and/or the suspect. Again remember there may be more suspects in the area.

Criminal Apprehension by Canine: Use of a canine during an apprehension will be classified as an application of force. The canine officer shall allow the canine to only use the force he/she reasonably believes is necessary to affect the arrest or apprehension of the suspect whom the canine was ordered to apprehend. The canine officer shall function within the guidelines of the department policy. The following procedures will be followed for maximum effectiveness and safety during canine apprehensions:

The canine officer shall, if possible, verbally warn the suspect(s) that if the suspect(s) does not stop, the dog (canine) will be released.

The canine officer will not send the canine after a suspect(s) if it is known that the suspect(s) is being directly pursued by a police officer(s) on foot.

The canine officer, upon releasing the canine, will attempt to advise by radio, that the canine has been deployed on an apprehension.

All officers involved in the area, except the canine officer, shall **stand still** when the canine has been deployed.

Back-up officer(s) in the area of a canine apprehension are very vulnerable. Officers who are moving are advised to stand still and wait for instructions from the canine officer.

Contact by the canine may be unavoidable if you are moving. If a bite does occur, officers should **stop moving and immediately** call out K-9 officer. After the canine is released, officers should not make any sudden movements. Officers shall follow the instructions of the canine officer.

DO NOT ATTEMPT TO FIGHT THE DOG OR PULL AWAY. AFTER THE CANINE IS RELEASED, DO NOT MAKE ANY SUDDEN MOVEMENTS. FOLLOW THE INSTRUCTIONS OF THE CANINE OFFICER.

Evidence Search: Searching a specific area for evidence or property can be an effective application of the Canine Team, especially during preliminary investigations. It is extremely important that the area to be searched is not disturbed. The decision to search on or off leash will be made by the canine officer. The Canine Team may be able to locate evidence left or dropped from the crime scene as well as locate any personal items lost by the suspect(s). In order to accomplish this, the canine officer must have a general idea of where to search. Officers should not allow the area to be contaminated prior to the canine search. If the area is at risk of being contaminated, officers should set up a perimeter of the search area prior to the canine arrival.

Narcotics Detection: The use of the Canine Team in narcotics detection can be a valuable tool for patrol officers. The canine's ability to alert on a narcotic is directly related to the availability of the scent and the proficiency of the canine.

Vehicle Narcotic Searches: When requesting the Canine Team for use in searching a vehicle suspected to contain illicit narcotics, the following procedures shall apply:

The canine officer will be responsible for ensuring that the narcotics detection is initiated at a safe location. No detection operations will occur when the canine officer has deemed the area unsafe.

It is the responsibility of the requesting officer or back-up officer(s) to maintain observation of the operator and any occupants(s). The canine officer must pay a great deal of attention to the canine during a narcotics search.

In the rare instance the interior will be entered by the canine, the requesting officer will first take custody of any narcotics or paraphernalia in plain view. If probable cause already exists to search a vehicle, the canine officer will search the interior of the car prior to searching with the canine. All occupants and food shall be removed.

At the completion of the search, the canine officer will advise the requesting officer of any items located. It is the responsibility of the requesting officer to determine if

he/she will make an arrest based upon the evidence recovered. It is also the responsibility of the requesting officer to impound evidence or contraband taken from the scene and to maintain chain of custody with the recovered items.

The canine will NOT search people for narcotics.

Building Narcotic Searches: In those instances where the canine is used for narcotics detection in a building, the following procedures will apply for maximum effectiveness and safety of the canine.

The requesting officer will conduct a search of the area with the canine officer. This search will be conducted without the canine in order take into custody any narcotics or paraphernalia in plain view.

The canine officer will ensure a safe working environment for the canine. No detection operations will occur when the canine officer has deemed the area unsafe.

All persons on the premises must be removed or placed in one area prior to beginning the narcotics search. The only exception to this policy will be in the event of a consent search. The owner or the owner's representative will be permitted inside the structure upon request, as long as it doesn't interfere with the search.

It is the responsibility of the requesting officer or back-up officer to maintain observation of the owner or representative. The canine officer must pay a great deal of attention to the canine during a narcotics search.

At the completion of the search, the canine officer will advise the requesting officer of any items located. It is the responsibility of the requesting officer to determine if he/she will make an arrest based upon the evidence recovered.

Public Relations: Building positive public relations in an important application for a Canine Team. The following guidelines are intended to structure the contact of the demonstrations.

The canine officer giving the demonstration shall prepare and conduct themselves in a manner to reflect the core values of the Division to their audiences.

Total control and obedience will be stressed in all public relations demonstrations.

All requests for Canine Team talks/demonstrations will be made in writing or by e-mail to the canine officer. The canine officer will arrange with his/her immediate supervisor to accommodate the request.

Guidelines for Canine Use-of-Force

A canine use-of-force is when a police canine grabs, bites, scratches, nibbles, pinches, or in any manner comes into physical contact with a suspect. The following are

justifiable situations for a canine use-of force:

When the canine had been deployed on an apprehension.

To protect a police officer or citizen.

The police canine is assaulted.

A suspect is acting in an aggressive or threatening manner.

Unauthorized entry into the canine vehicle.

Any other dynamic situations where the totality of circumstances justify a reasonable use-of-force by the canine.

Reporting Canine Use-of-Force

The Call Records report form will be used to document any canine use-of-force.

The canine officer will notify the Shift Supervisor as soon as practical after any use-of-force or accidental bite situation by the police canine.

The subject will be provided with the necessary first aid or medical attention. If the subject refuses treatment, a copy of the treatment refusal form will be obtained from the fire/EMS department involved. The canine officer, if practical, will attempt to have the subject's refusal of treatment verbally recorded with the cruiser camera.

The Shift Supervisor will notify the Lieutenant or authorized designee, as soon as practical, of any canine use of-force or accidental bite situations resulting in injury or alleged injury.

The Shift Supervisor will initiate an investigation unless otherwise directed.

The Lieutenant will review the investigation and forward the investigation results to the Chief of Police.

The Chief of Police or his/her designee will be responsible for gathering and reviewing information relating to any canine use-of-force which results in serious injury or death. Department procedures will be followed.

The canine officer will file a canine use-of-force as soon as practical. In the event the canine officer is incapacitated or otherwise incapable of filing the report(s), the Shift Supervisor will initiate such measures.

The canine officer and the Shift Supervisor will ask the subject for permission to view the affected area (using good judgment if the person is of the opposite sex). Photos, when possible, shall be taken of the affected area after cleaning by medical personnel. A full body photo depicting no further injury should also be taken. Photos should be taken whether or not there are visible signs of injury.

All injuries sustained by a suspect shall be examined and attended to by medical personnel (i.e. EMS or transportation to a hospital or medical treatment facility) when

an actual bite occurs prior to transporting the injured person to the police station for processing or to a correctional facility for incarceration. Injuries/alleged injuries will be documented.

In a case involving an accidental bite, the canine officer will file a dog bite report in addition to the canine report.

Canine Use Reporting

The canine use Activity Log will be completed any time the canine is used or deployed by the canine officer when:

Another agency specifically requests the Canine Team. Division personnel specifically request the Canine Team. The canine officer initiates the use of the canine.

Canine Activity Log will use the applicable call for service number. If a situation is assigned an incident number, the number will be included in the canine use report.

Injury to Canine Officer: In cases where a canine officer becomes injured and is unable to control his/her respective canine, the following steps should be taken.

If the canine is not acting aggressive, officers on the scene should make every effort necessary to control the canine by any available means, with every effort made to protect the canine. The canine should be secured into the back of the canine vehicle or other available vehicle. A ball, drug toy or bite sleeve are all available in the trunk of the canine vehicle and can be used to entice the canine into a vehicle. A canine restraint pole may also be used to secure the canine.

If the canine is acting aggressive, attempts should be made to contact the canine officer's spouse or another officer familiar with the canine. Adjoining agencies may have experienced canine (K-9) handlers familiar with this Division's canine if more assistance is needed.

Officers should not attempt to give first aid to the canine officer unless the canine officer's life may be in danger.

As a last resort, the canine can be destroyed in an effort to administer life saving aid or medical treatment to the canine officer.

B. Qualifications and Training for Canine Team

The canine team shall receive **training sufficient to certify the canine officer (handler) and canine** in compliance with Ohio Peace Officer Training Council standards for Canine teams. All canine(s) will be owned by the Village of Danville and will be licensed in accordance with all state and local regulations.

Canine Training Program: The Canine Team will complete a training program that

fulfills the State of Ohio's requirements for training of a police canine. The canine will be trained by a state-approved training instructor on a state-approved course in the following areas: narcotic detection, article search, tracking, criminal apprehension, canine control, and canine searches.

Certification of Canine Team: The Canine Team will be certified by the State of Ohio as a police service canine in accordance to their standards. In addition to the State of Ohio Certification, the Canine Team may elect to certify the canine with a nationally recognized canine association.

In-service Training: The Canine Team will participate in bi-monthly canine training sessions whenever possible unless the canine officer is off on authorized leave. Canine training time/location will be arranged by the canine officer. The canine officer will be responsible for the maintenance of the canine's training log. The canine officer will make his/her training logs available for routine review. The canine officer will report any training problems in writing to the sergeant assigned as the canine team supervisor. The Canine Team will be "on-call" during the in-service training. Performance evaluations of the Canine Team will be performed during in-service training. The Canine Teams will train in realistic situations. The areas of evaluation/in-service training will include: narcotic detection, article search, tracking, criminal apprehension, canine control, and canine searches.

Narcotics Training, Audits and Inventory: The Canine Team will train using actual drug samples. The Division will maintain training samples of drugs for police canine training purposes. Stringent regulations governing their storage, handling and use are required.

Prior to removing any training samples from the safe, the canine officer will enter into the log book the following information: the samples that are removed, date and time, location of training, and the weight of each sample removed.

After the training session, the samples will be returned to the safe and logged back in. The following information will be documented in the log book: the samples that are returned, date and time, and the weight of each sample.

A loss of any training sample shall be documented by the canine officer in a memo directed to the canine officer's supervisor and the Chief of Police or authorized designee. Documentation should include: type of drug, time and date, location of loss, amount of loss, method of destroying sample or an explanation as to how the sample was lost.

When not in use as a training aid, the drug samples will be stored in a safe within the police facility. The safe will be locked at all times. The access into the safe shall be restricted to the canine officer and Forensic Scientist for audit purposes.

C. Canine Care

It shall be the responsibility of the canine officer to keep his/her assigned canine in such physical condition that the canine is able to perform the duties expected. The

canine officer will be allowed the time necessary to ensure that the following canine care and maintenance is performed:

The canine will be groomed as needed.

The canine will be examined by the canine officer daily to include: eyes, ears, mouth, nostrils, feet and general body condition.

Nails will be clipped as needed.

The canine officer will clean his/her yard of feces as needed.

The canine officer will feed his/her assigned canine on a routine schedule and provide fresh water.

Water and food bowls will be cleaned as needed. The canine will be bathed as needed.

The canine will be treated for parasites as needed.

All medicines will be dispensed and directed by the city approved veterinarian.

The canine officer is responsible for the care of their assigned police canine. The canine must be an important part of family life. The canine may be placed in a secure kennel at the canine officer's residence when not under direct supervision of the officer or his/her family. An inside kennel/crate may also be provided by the Village. The Village may provide a secure outside kennel at the residence of the canine officer, if needed. When the canine is in the outside kennel, the kennel gate(s) shall be secure to avoid unauthorized person(s) from opening the kennel. A caution sign will be posted on the outside kennel. If the canine is routinely secured outside, caution signs will be posted at all entrances to the yard of the canine handler's residence. When outside of the canine officer's residence, the canine must be under the direct control of the canine officer at all times.

Veterinarian Procedure

In the event the police canine requires veterinarian care, the canine officer will follow the outlined procedure:

Only an approved veterinarian will be used. The Chief of Police will approve veterinarians for the police canine.

The canine officer, on the next normal working day following the non-routine veterinarian care, will e-mail a report detailing the need to the Team Administrative Supervisor. A copy will be submitted with billing documentation.

The canine officer will have a complete physical performed on his/her police canine annually.

Any other veterinarian visits shall be at the discretion of the canine officer's supervisor depending on the canine's condition.

The Shift Supervisor will be notified if the canine is too ill or injured to work. If the canine is too ill or injured to work, the canine officer will e-mail the Team Supervisor and Shift Supervisor. A copy of the report will be sent to the member assigned as the Canine Team supervisor.

The canine officer may work without the canine if the canine itself is too ill or injured to work. The canine officer may not use sick leave because the canine is ill or injured.

A copy of any bills for canine veterinary services will be forwarded to the Chief of Police as soon as possible.

Care and Control of the Canine

Care and control of the canine while on duty, in and around the police station will follow the outlined procedure.

The canine officer will have the canine under his/her immediate control and supervision.

While on station, the canine officer may leave the canine in the canine vehicle. The canine officer should consider weather conditions when making this decision.

The canine will not be allowed to wander about the building. The canine officer will be respectful of individuals who do not care for animals.

The canine will not be permitted to drink from the water fountain or eat/drink in the lunch room. The canine officer will be responsible for cleaning up after the canine.

D. Canine Vehicle

The Canine Team will patrol in a modified, specially-equipped vehicle designated for such duty and clearly marked. The following vehicle modifications will be made:

The vehicle will have front and rear reflective license plates with the printing "K-9". "Caution" will be painted on the vehicle.

All other markings will be subject to approval from the Chief of Police.

A metal transport container will be installed. A remote door opener will be installed.

The canine officer will be assigned a canine vehicle and will be responsible for the care of the vehicle.

The following restrictions apply to its use.

No prisoners are to be transported in the canine vehicle.

One occupant may be transported in the canine vehicle. If the occupant is a citizen, the door to the canine compartment will be shut and latched.

If the canine officer is out of sight from the vehicle, the vehicle will be secured to prevent unauthorized entry or exiting by the canine.

The canine vehicle will be stored at the canine officer's residence. The canine officer is responsible for storing the vehicle in a safe location.

The canine vehicle will only be used for official police business.

All other regulations pertaining to city vehicles shall apply to the canine vehicle.

Equipment

The Canine Team shall **maintain equipment to train the canine**, including pads or other protective devices for field training; equipment to handle and control the canine; and equipment to carefully transport the canine. List of reasons a vehicle can legally be Towed.pdf

List of reasons a vehicle can legally be Towed.

1. Out of any type of arrest.
2. Parking on private property residential and Business. A) Blocking doors or entrances to a driveway etc. B) If the vehicle is not impeding any type of entrance and is not a hazard, a 4-hour wait will be applied. During the 4-hour wait try and make an effort to locate the owner. Make sure you articulate all your steps numbers you called etc.
3. Property owner can request a vehicle be towed. If they tell you, they want the vehicle towed off the property make sure you have all their information. Try to encourage them to make the call to their desired tow company.
4. If you are assisting another agency the agency handling the call must request the Tow Company.

Procedure for requesting a Tow Company

1. When you arrive on the scene of a crash, you determine the vehicle needs to be towed.
2. If the victim has been transported out of a crash and there was no instruction of whom they want to tow the vehicle have dispatch do the next available. BUT advise them it needs to be one of the TOW companies that are closest to the crash SITE.
3. If the victim gives you pacific orders of whom they want to TOW their vehicle and go with their request, but always ask for a secondary Tow company just in case their preferred is not available.
4. If the reason the vehicle is being towed out of an Arrest, Suspended License, no license, OVI, and so on.
5. Ask the suspect if they have a preference on who Tows their vehicle.
6. Explain to them that the 2 Tow companies that are the closest are Rich's Body Shop and Danville Tire. Buckeye Auto is out of Mount Vernon, we can call them as well. Apple Valley Area
7. If they choose a company, go with their desired company.
8. If they do not choose a company, choose the next available one on our TOW rotation list. Between Rich's Body Shop, Buckeye Auto, and Danville tire.
9. If you arrest the individual or charge them with OVI. Do not use Danville Tire unless the owner verbally requests Danville Tire.
10. Always make sure the owner of the vehicle knows if the Danville Police Department makes the call for Tow service, THEY the owners, are liable for all fees charged by the TOW company.
11. Make the call for the wrecker yourself. Make sure you have your body camera on throughout the whole process.
12. Make sure you do an inventory list and fill out the terms of release form. Ask the wrecker driver to sign the inventory list and give them a copy of the release form and inventory list.
