For release: March 8, 2024

### **Project Update** **Danville-Amity Road (CR14) Phase I** **Safety Improvement Project**

The Knox County Engineer has awarded a construction contract to Law General Contracting Inc. to perform Phase I of the Danville-Amity Road Safety Improvement Project. This project is fully funded through ODOT Safety Funds & Ohio Public Works Commission with an estimated cost of \$2,918,405.

Phase I of the Danville-Amity Road construction is scheduled to begin March 2024. Law General Contracting Inc. will begin work on the section between Skyline Drive and Chapel Road. Once completed, they will move east ending at the Village of Danville corporation limit.

The project will be extensive, consisting of roadway widening, resurfacing, ditch improvements, culvert work and installation of guardrail. Reconstruction will have a large impact on travel in the area. Please plan an alternate route or expect temporary delays and/or road closures.

Project completion is slated for Fall 2024, weather and construction conditions permitting. Questions should be directed to the Knox County Engineer's Office.

Thank you,

Cameron Keaton, P.E., P.S.  
Knox County Engineer
