Police Report

Danville Police

2023

All Jurisdictions Incidents

Officers enter their activity daily by generating a “Call Record” in our police computer software (OHLEG) which documents their activity. These call records also include the officer’s shift times for payroll purposes and police activity not marked as incidents. For the year 2023, officers generated the following total call records in the system:

Total Call Records entered = 4,578

Of these, the following were the number of incidents handled in all jurisdictions that the Danville Police covers:

Total Incidents = 2, 751

Total Citations Issued = 237

Total Criminal Charges = 52

The following pages are the statistics of each Jurisdiction.
